## Item D1

### **#2002-BE-2 - Determining Benefits for 2001 Weed Abatement Program**

*Chapter 17 – Garbage, Refuse, Waste and Weeds, Article III – Weeds, sets forth the procedure for levying special assessments against real estate on which the City has performed mowing operations during the preceding year. There are only five properties subject to special assessments for mowing during calendar year 2001. Each of these properties is owned by persons residing outside the community of Grand Island. We recommend levying the special assessments for mowing against the properties listed in the resolution as drafted.*
