Council Session

Item G14

#2002-56 - Approving Reconfiguration of Detention Cell Including Acquisition of Real Estate and Approval of Exchange Agreement

The Robert M. Allen Family Limited Partnership, the owner of Eagle Run, has requested that Detention Cell B-6A previously dedicated to the City of Grand Island be reconfigured as shown on the attached drawing in order to accommodate future commercial development of Meadowlark West Fourth Subdivision. The Public Works Department has reviewed and approved the reconfiguration. There are three actions before the Council in connection with this matter, including (a) a public hearing on the reconfiguration of the detention cell, including acquisition of real estate located west of the cell in consideration of abandonment of the northerly portion of the existing cell, (b) an ordinance approving acquisition of the reconfigured cell as Outlot "A", and (c) approving an exchange agreement swapping the existing detention cell B-6A tract for Outlot "A". Other than the cost of preparation of documents for presentation to the City Council and the publication of a notice of public hearing, the City of Grand Island is incurring no other expenses in connection with the estrange transaction. We recommend that the ordinance and resolution be approved as drafted.
