Item C5

Recognition of Life Saving Efforts by Jeff Vodehnal, Utilities Employee

The Mayor and City Council will recognize the life saving efforts of Jeff Vodehnal a Utilities employee. On Tuesday, February 26, 2002, while eating at the Platte-Duetsche, Jeff performed the Heimlich maneuver on a man choking and who had passed out. Jeff was able to remove a piece of steak from this man's throat before the Fire Department arrived. We congratulate Jeff on his heroic efforts in this life saving event.
