Item G18

#2002-241 - Approving Bid Award-Installation of Greenhouse

The Parks and Recreation Department, Park Maintenance Division, has submitted a request for awarding a bid for the installation of a greenhouse. Originally bids were received for the purchase and installation of the greenhouse. It was determined at that time to award only the purchase of the greenhouse. Bids were then advertised for the installation of the greenhouse by local contractors. No bids were received. Since the original award for the purchase of the greenhouse was made to Stuppy Greenhouses it is proper to award the installation of the greenhouse to them as well. The price for installation is \$27,475.00. There are sufficient funds for this purchase in account number 40044450-90034. It is recommended that the bid be awarded to Stuppy Greenhouse Manufacturing Company of Kansas City, Missouri in the amount of \$\$27,475.00. See attached RESOLUTION.
