#2002-335 - Approving Bid Award for 2003 Model Track Loader for the Solid Waste Division, Public Works Department

The Solid Waste Division of the Public Works Department advertised for bids for one (1) 2003 Model Track Loader for use in Division operations on September 4, 2002. One bid was received by the Public Works Department, Solid Waste Division, and the Purchasing Division of the City Attorney's Office. The bid, submitted by Nebraska Machinery Company of Doniphan, Nebraska, was higher than the estimate for the Loader. At the October 8, 2002 Council meeting, Nebraska Machinery was declared the sole source provider for this equipment to allow the Solid Waste Division to negotiate with the company.

The Solid Waste Division has negotiated a price with Nebraska Machinery for the purchase of the Track Loader. The negotiated price of \$409,482.00 has been established. The price is below the budgeted number of \$410,000.00. It is recommended that the Council approve award of the bid to the Nebraska Machinery Company of Doniphan, Nebraska. There are sufficient funds in Account No. 50530043-85615 to purchase this equipment.
