Council Session

Item G7

#2003-26 - Approving Certificate of Compliance with Nebraska Department of Roads Maintenance Agreement 12 for the Previous Calendar Year.

Each year the City and the State Department of Roads have an agreement for the maintenance of roadways that are State responsibility but within the City Limits. The City performs street maintenance and snow removal on certain portions of the State highway system within the corporate limits. This work is routinely performed in conjunction with other local street duties. The State performs snow removal duties in the outer corporate limit areas of the highway system that are more accessible for them.

It is necessary for the Council to pass a Resolution to certify that the City has completed the work as required by Maintenance Agreement 12 for the year 2002. It is recommended that Council pass a Resolution authorizing the Mayor to sign the Certificate of Compliance. The City will receive payment from the State for \$26,826 for work performed.
