Item G20

#2003-53 - Approving Agreement with Jacobson Helgoth Consultants for Value Engineering Consulting Services at the Wastewater Treatment Plant

At the December 4, 2001 Council meeting, CH2M Hill was selected to do a study and design improvements to the Solids Handling Process at the Wastewater Treatment Plant. The City Of Grand Island advertised a Request for Proposals on January 14, 2003 to perform a Value Engineering (VE) review of the design. The VE review will consist of a week-long workshop with consultants and City staff. The VE team will review the design to insure that the design is proceeding in the right direction and look for potential cost savings for upcoming construction project. Jacobson Helgoth Consultants of Omaha, Nebraska has been selected to perform the review. It is recommended that Council approve the selection and authorize the Mayor to sign the agreement. The consultants will do the work for a lump sum of \$39,100. There are sufficient funds in Account No. 53030001- 85207.
