Dear Ms Edwards,

Please accept this request on behalf of the graduation class of 2003 from Grand Island Senior High. We would like to again present fireworks at the Commencement exercises that will be held on Saturday, May 10, 2003. The ceremony will begin at 7:30 p.m. and we plan to have the fireworks display following the presentation of diplomas. We have made arrangements for a certified pyro-technician to manage the display and oversee the project.

Thank you for considering our request.

Sincerely,

Dr. Kent B. Mann, Principal  
Grand Island Senior High School
