Item G27

#2003-189 - Approving Interlocal Agreement with Hall County Regarding Ambulance Services

The current City agreement for ambulance service with Hall County has expired. To provide for the efficient use of emergency service resources and to delineate the responsibilities and costs attributable to the City and the County a new agreement is needed. The proposed agreement continues the amendment to the contract negotiated last year to provide ambulance service for prisoners of the Hall County Jail. The new agreement also sets forth the amount of compensation to be paid for ambulance services through the five year term of the agreement. The other services to be performed under this agreement are very similar to the prior agreement.
