Council Session

Item G10

#2003-273 - Approving Establishment of Speed Limit for Gold Core Road

Background

The City Council may, by resolution, establish speed limits at a rate of speed greater or less than twenty-five (25) miles per hour for any street or portion of a street within the City.

Discussion

Gold Core Road is new to the street system and no speed limit has been established by Resolution. The Public Works Department recommends, in accordance with established traffic engineering practice, a speed limit of 40 miles per hour.

Recommendation

Adopt the Resolution to set the speed limit on Gold Core Road, between Schimmer Drive and Wildwood Drive at 40 miles per hour.

Financial Implications

Cost of signing.

Alternatives

Staff recommends against posting the speed limit at 25 miles per hour as specified for City streets in Section 22-51 of the City Code, because that is too slow for a road of this character.
