Council Session

Item G21

#2004-10 - Approving Bid Award for Underground Electrical Lines at the Former Cornhusker Army Ammunition Plant

The Park and Recreation Department, has submitted a request for awarding a bid for the installation of primary underground electrical service at the Sport Shooting Facility located at the former CAAP site. One bid was received in the amount of \$23,014.00. The low bid was submitted by Southern Public Power District of rural Grand Island. Southern is the only provider of electrical service to this area. There are sufficient funds for this purchase in account number 40044450-90026. It is recommended that the bid be awarded to Southern Public Power District in the amount of \$23,014.00.

RESOLUTION 2004-10

WHEREAS, underground electrical lines are necessary to provide electrical service to the new skeet range buildings located at the former Cornhusker Army Ammunition Plant; and

WHEREAS, due to state regulations, Southern Public Power District is the only company authorized to provide electrical service in this area; and

WHEREAS, the total cost for providing underground three-phase primary lines to the property, which will allow for future electrical extensions, is \$23,014.00; and

WHEREAS, funding for such electrical service is available in the Parks and Recreation Department budget.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF GRAND ISLAND, NEBRASKA, that Southern Public Power District is hereby authorized to provide and extend underground three-phase electrical service lines to the new skeet range buildings located at the former Cornhusker Army Ammunition Plant for the amount of \$23,014.00.
