Council Session

## Item G5

### **Approving Appointment to the Economic Development Program Citizens' Review Committee**

*A member of the Economic Development Program Citizens' Review Committee recently resigned. The state statutes and the City Ordinance establishing the Review Committee provide for the Mayor to nominate a candidate for approval to the Committee which must be approved by the City Council. Dehn Renter, 1820 Sherman Court, has been selected as the Mayor's nominee for the open position. If the nominee for filling this vacancy on the review committee is not approved at this Council meeting, further nominations will need to be made until a nominee is approved to complete the balance of the term for the member who resigned.*
