Subject: Consideration of Creation of Sanitary Sewer No. 515,
Dale Roush Subdivision (Indian Acres)

Item #'s: F-1

Presenter(s): Steven P. Riehle, P.E., Director of Public Works

Background

Council action is needed to create a sanitary sewer district. If created, a notice will be mailed to all affected property owners and a 30-day protest period allowed.

Discussion

A petition was submitted by residents in the area requesting the creation of a sanitary sewer district. Districts have been created four times in the past. The last two districts which were created in January 2002 and August 2003, were protested out by a narrow margin. Sanitary sewer service is needed in this area and the petitioners are optimistic that the district will pass protest. Public Works staff has been working on design of this district.

Alternatives

1. Approve the recommendation to create Sanitary Sewer District 515.
2. Disapprove or /Deny the creation of the District.
3. Modify the recommendation to meet the wishes of the Council.
4. Table the issue.

Recommendation

City Administration recommends that the Council approve the creation of Sanitary Sewer District 515. A ten (10) year assessment period is recommended.

Sample Motion

Move to approve the creation of Sanitary Sewer District # 515.
