Scale shall mean a proportional relationship of the size of parts to one another and to the human figure.

School, Day shall mean a preschool or nursery school for children.

School, Day, Pre-, or Nursery shall mean a school or center for children under school age, whether licensed as a day care center or not, shall be approved by the Nebraska State Fire Marshall as being in safety conformance with the National Fire Protection Association, Pamphlet 101, known as the Life Safety Code and shall be approved by the Nebraska Department of Health and Welfare as meeting their health and welfare standards.

Screening shall mean a structure or planting that conceals from view from public ways the area behind such structure or planting.

Selective Clearing shall be the careful and planned removal of trees, shrubs, and plants using specific standards and protection measures.

Self-Service Station shall mean an establishment where motor fuels are stored and dispensed into the fuel tanks of motor vehicles by persons other than the service station attendant and may include facilities available for the sale of other retail products.

Self-Service Storage Facility shall mean a building or group of buildings containing individual, compartmentalized, and controlled access stalls or lockers for storage.

ORDINANCE NO. 8976 (cont.)

Separate Ownership shall mean ownership of a parcel of land by a person who does not own any of the land abutting such parcel.

Service Stations shall mean buildings and premises where the primary use is the supply and dispensing at retail of motor fuels, lubricants, batteries, tires, and motor vehicle accessories and where light maintenance activities such as engine tune-ups, lubrications, and washing may be conducted, but not including heavy maintenance and repair such as engine overhauls, painting, and body repair.

Setback Line, Front Yard shall mean the line which defines the depth of the required front yard. Said setback line shall be parallel with the right-of-way line or highway setback line when one has been established.

Setback Line, Rear Yard or Side Yard shall mean the line which defines the width or depth of the required rear or side yard. Said setback line shall be parallel with the property line, removed therefrom by the perpendicular distance prescribed for the yard in the district.

Shopping Center shall mean a group of commercial establishments planned, constructed, and managed as a total entity with customer and employee parking provided on-site, provisions for goods delivery that is separated from customer access, aesthetic considerations, and protection from the elements.

Shopping Center, Commercial Strip shall mean a commercial development, usually one store deep, that fronts on a major street for a distance of one city block or more. Includes individual buildings on their own lots, with or without on-site parking and small linear shopping centers with shallow on-site parking in front of the stores.

Shopping Center, Outlet shall mean a commercial development that consists mostly of manufacturers' outlet stores selling their own brands at a discounted price. This definition includes all forms of centers, such as strip style, enclosed mall style, and village clustered style centers.

Shrub shall mean a multi-stemmed woody plant other than a tree.

Sidewalk Cafe shall mean an area adjacent to a street level eating or drinking establishment located adjacent to the public pedestrian walkway and used exclusively for dining, drinking, and pedestrian circulation. The area may be separated from the public sidewalk by railings, fencing, or landscaping or a combination thereof.

Sight Triangle is an area at a street intersection in which nothing shall be erected, placed, planted, or allowed to grow in such a manner as to materially impede vision. The area and restrictions of the sight triangle are further defined in Chapter 32 of this code.

Sign Base shall mean any decorative, functional element extending upward from grade to the start of the sign.

Similar Use shall mean the use of land, buildings, or structures of like kind or general nature with other uses within a zoning district as related to bulk, intensity of use, traffic generation and congestion, function, public services requirements, aesthetics or other similarities

Site Break shall mean a structural or landscape device to interrupt long vistas and create visual interest in a site development.

Site Plan shall mean a plan, prepared to scale, showing accurately and with complete dimensioning, the boundaries of a site and the location of all buildings, structures, uses, drives, parking, drainage, landscape features, and other principal site development improvements for a specific parcel of land.

Site, Septic shall mean the area bounded by the dimensions required for the proper location of the septic tank system.

Skate, In-Line shall mean a boot-type device, which is placed on an individual's feet. In-line skates contain wheels on the bottom of the boot, which are attached in linear fashion.

Skate Park shall mean a recreational facility containing skateboard ramps and other obstacle courses and devices for use with skateboards and in-line skates.

Skateboard shall mean a foot board mounted upon four or more wheels and is usually propelled by the user who sometimes stands, sits, kneels, or lays upon the device while it is in motion.

Skateboard Pipe shall mean an outdoor structure which is shaped into a half circle or oval, that are designed and principally intended to permit persons on skateboards to move continuously from one side to the other.

ORDINANCE NO. 8976 (cont.)

Skateboard Ramp shall mean an outdoor structure with an upward inclined surface, essentially one of the sides of a pipe, which are designed and principally intended to permit persons on skateboards to move from horizontal to vertical and back to horizontal.

Sludge shall mean solids removed from sewage during wastewater treatment and then disposed of by incineration, dumping, burial, or land application.

Solid Waste shall mean waste materials consisting of garbage, trash, refuse, rubble, sewage, offal, dead animals, or paunch manure.

Specified Anatomical Areas shall mean anatomical areas consisting of less than completely and opaquely covered human genitals, buttock, or female breast(s) below a point immediately above the top of the areola.

Specified Sexual Activities shall mean sexual activities prohibited by state law.

Spot Zoning shall mean an arbitrary zoning or rezoning of a small tract of land that is not consistent with the comprehensive land use plan and primarily promotes the private interest of the owner rather than the general welfare. Spot zoning usually results from an upzoning to a more intensive use classification.

Standard System shall mean a sewage treatment system employing a building sewer, septic tank, and a standard soil absorption system.

State shall mean the State of Nebraska.

Storage shall mean the keeping, in a roofed or unroofed area, of any goods, junk, material, merchandise, or vehicles on the same tract or premises for more than thirty (30) days.

Storm Drain shall mean a conduit that carries natural storm and surface water drainage but not sewage and industrial wastes, other than unpolluted cooling water.

Stormwater Detention shall mean any storm drainage technique that retards or detains runoff, such as a detention or retention basin, parking lot storage, rooftop storage, porous pavement, dry wells, or any combination thereof. Said detention shall be designed by a licensed professional engineer and approved by the City.

Stormwater Management shall mean the collecting, conveyance, channeling, holding, retaining, detaining, infiltrating, diverting, treating, or filtering of surface water, or groundwater, and/or runoff, together with applicable managerial (non-structural) measures.

Stormwater Runoff shall mean surplus surface water generated by rainfall that does not seep into the earth but flows over land to flowing or stagnant bodies of water.

Story, One-Half shall mean the same as "Half-Story".

Street shall mean a public thoroughfare or right-of-way dedicated, deeded, or condemned for use as such, other than an alley, which affords the principal means of access to abutting property including avenue, place, way, drive, lane, boulevard, highway, road and any other thoroughfare except as excluded in this chapter.

Street, Arterial shall mean a street of considerable continuity connecting various sections of the City, designated as an arterial street on the official street plan of the City.

Street, Collector shall mean a street or highway that is intended to carry traffic from minor streets to major streets. Collector streets are usually the principal entrance streets to residential developments and the streets for circulation within the development as designated in the Comprehensive Development Plan.

Street, Curvilinear shall mean local streets that deviate from straight alignment and change direction without sharp corners or bends.

Street, Local shall mean a street designed for local traffic that provides direct access to abutting residential, commercial, or industrial properties.

Street, Looped shall mean a continuous local street without intersecting streets and having its two (2) outlets connected to the same street.

Streets, Major shall mean a street or highway used primarily for fast or high volume traffic, including expressways, freeways, boulevards, and arterial streets as designated in the Comprehensive Development Plan.

ORDINANCE NO. 8976 (cont.)

Street, Private shall mean an open, unoccupied space, other than a street or alley dedicated to the public, but permanently established as the principal means of vehicular access to abutting properties. The term "private street" includes the term "place."

Street, Side shall mean that street bounding a corner or reversed corner lot and which extends in the same general direction as the line determining the depth of the lot.

Street Centerline shall mean the centerline of a street right-of-way as established by official surveys.

Street Frontage shall mean the distance for which a lot line of a zone lot adjoins a public street, from one lot line intersecting said street to the furthest distant lot line intersecting the same street.

Street, Frontage Access shall mean a street parallel and adjacent to a major street, major inter-regional highway, or major collection road and primarily for service to the abutting properties, and being separated from the major street by a dividing strip.

Street Hardware shall mean man-made objects other than buildings that are part of the streetscape. Examples are: lamp posts, utility poles, traffic signs, benches, litter containers, planting containers, letter boxes, fire hydrants.

Street Line shall mean a dividing line between a lot, tract, or parcel of land and the contiguous street.

Streetscape shall mean the scene as may be observed along a public street or way composed of natural and man-made components, including buildings, paving, plantings, street hardware, and miscellaneous structures.

Structure shall mean anything constructed or built, any edifice or building of any kind, or any piece of work artificially built up or composed of parts joined together in some definite manner, which requires location on the ground or is attached to something having a location on the ground, including swimming and wading pools and covered patios, signs and towers, excepting outdoor areas such as paved areas, walks, tennis courts, and similar recreation areas.

Structure, Temporary shall mean a structure without any foundation or footing and removed when the designated time period, activity, or use for which the temporary structure was erected has ceased.

Structural, Alteration shall mean any change in the support members of a building, such as in a bearing wall, column, beam or girder, floor or ceiling joists, roof rafters, roof diaphragms, foundations, piles, or retaining walls or similar components.

Subdivision shall mean the division of a lot, tract, or parcel of land into two (2) or more lots, sites, or other divisions of land for the purpose, whether immediate or future, of transfer of ownership or building development, provided that the smallest lot created by the division is less than ten (10) acres in size.

Surface Waters shall mean all waters within the jurisdiction of this state, including all streams, lakes, ponds, impounding reservoirs, marshes, wetlands, watercourses, waterways, springs, canal systems, drainage systems, and all other bodies or accumulations of water, natural or artificial, public or private, situated wholly or partly within or bordering upon the state.

Tanning Studio shall mean any business that uses artificial lighting systems to produce a tan on an individual's body. These facilities may be either a stand-alone business or as an accessory use in spas, gymnasiums, athletic clubs, health clubs, and styling salons. This use is not included with any type of adult establishment.

Tattoo Parlor / Body Piercing Studio shall mean an establishment whose principal business activity is the practice of tattooing and/or piercing the body of paying customers.

Tavern (See Bar.)

Temporary Use shall mean a use intended for limited duration to be located in a zoning district not permitting such use.

Theater shall mean a building or structure used for dramatic, operatic, motion pictures, or other performance, for admission to which entrance money is received and no audience participation or meal service.

Tower see definition in §36-169 of this chapter.

ORDINANCE NO. 8976 (cont.)

Townhouse shall mean a one-family dwelling unit, with a private entrance, which part of a structure whose dwelling units are attached horizontally in a linear arrangement, and having a totally exposed front and rear wall to be used for access, light, and ventilation.

Trailer, Automobile see definition in §22-1 of this code.

Truck Repair shall mean the repair, including major mechanical and body work, straightening of body parts, painting, welding, or other work that may include noise, glare, fumes, smoke, or other characteristics to an extent greater than normally found in gasoline service stations, of trucks having a hauling capacity of over one (1) ton and buses but excluding pickups and other vehicles designed for the transport of under eight (8) passengers.

Upzoning shall mean a change in zoning classification of land to a more intensive or less restrictive district such as from residential district to commercial district or from a single family residential district to a multiple family residential district.

Use shall mean the purpose or activity for which land or buildings are designed, arranged, or intended or for which land or buildings are occupied or maintained.

Use, Best shall mean the recommended use or uses of land confined in an adopted comprehensive plan. Such use represents the best use of public facilities, and promotes health, safety and general welfare.

Use, Highest shall mean an appraisal or real estate market concept that identifies the use of a specific tract of land that is most likely to produce the greatest net return on investment.

Use, Permitted shall mean any land use allowed without condition within a zoning district.

Use, Principal shall mean the main use of land or structure, as distinguished from an accessory use. (Also, see Building, Principal.)

Use, Prohibited shall mean any use of land, other than nonconforming, which is not listed as a permitted use or conditional use within a zoning district.

Utilitarian Structure shall mean a structure or enclosure relating to mechanical or electrical services to a building or development.

Utility Easement shall mean the same as "Easement".

Utility Hardware shall mean devices such as poles, crossarms, transformers and vaults, gas pressure regulating assemblies, hydrants, and buffalo boxes that are used for water, gas, oil, sewer, and electrical services to a building or a project.

Utilities, Overhead or Underground "Local Distribution" System of shall mean the local service distribution circuit or lines and related appurtenances served from a substation, town border station, reservoir, or terminal facility which is served from a main supply line, main transmission line, or main feeder line as may be applicable to electric, communications, gas, fuel, petroleum, fertilizer, or other chemical utilities. Local electric distribution systems shall be limited to include all lines and appurtenances carrying a primary voltage of less than 161 KV from an electric transformer substation to the consumer. The local telephone distribution system shall be limited to include the local exchange lines, the local toll lines, and the local communications equipment facilities structure.

Utilities, Overhead or Underground "Transmission Line, Supply Line, Wholesale Carrier or Trunk Line, Main Feeder Line" or other applicable designation shall mean the main supply or feeder line serving a local distribution system of utilities, and shall include but is not limited to pumping stations, substations, regulating stations, generator facilities, reservoirs, tank farms, processing facilities, terminal facilities, towers, and relay stations, and treatment plants.

Utility Service shall mean any device, including wire, pipe, and conduit, which carries gas, water, electricity, oil, wastewater and communications into a building or development.

Variance shall mean a relief from or variation of the provisions of this chapter, other than use regulations, as applied to a specific piece of property, as distinct from rezoning.

Vegetation shall mean all plant life; however, for purposes of this chapter it shall be restricted to mean trees, shrubs, and vines.

Vehicle shall mean every device in, upon, or by which any person or property is or may be transported or drawn upon a highway, excepting devices moved solely by human power or used exclusively upon stationary rails or tracks.

Vehicle, Motor (See Motor Vehicle.)

ORDINANCE NO. 8976 (cont.)

Warehouse shall mean a building used primarily for the storage of goods and materials.

Warehouse and Distribution shall mean a use engaged in storage, wholesale, and distribution of manufactured products, supplies, and equipment.

Waste Handling System shall mean any and all systems, public or private, or combination of said structures intended to treat human or livestock excrement and shall include the following types of systems :

(A) **Holding pond** shall mean an impoundment made by constructing an excavated pit, dam, embankment or combination of these for temporary storage of liquid livestock wastes, generally receiving runoff from open lots and contributing drainage area.

(B) **Lagoon** shall mean an impoundment made by constructing an excavated pit, dam, embankment or combination of these for treatment of liquid livestock waste by anaerobic, aerobic or facultative digestion. Such impoundment predominantly receives waste from a confined livestock operation.

(C) **Liquid manure storage pits** shall mean earthen or lined pits located wholly or partially beneath a semi or totally housed livestock operation or at some removed location used to collect waste production.

(D) **Sediment** shall mean a pond constructed for the sole purpose of collecting and containing sediment.

Wastewater Lagoon (See Lagoon.)

Waters of the State shall mean all waters within the jurisdiction of this state, including all streams, lakes, ponds, impounding reservoirs, marshes, wetlands, watercourses, waterways, wells, springs, irrigation systems, drainage systems, and all other bodies or accumulations of water surface or underground, material or artificial, public or private, situated wholly within or bordering upon the state.

Wetland shall mean an area that is inundated or saturated by surface water or ground water at a frequency and duration sufficient to support, and that, under normal circumstances, does support, a prevalence of vegetation typically adapted for life in saturated soiled conditions, commonly known as hydrophytic vegetation.

Wholesale Establishment shall mean an establishment for the on-premises sale of goods primarily to customers engaged in the business of reselling the goods.

Wholesale Trade shall mean a use primarily engaged in selling merchandise to retailers; to industrial, commercial, institutional, farm or professional business users; or to other wholesalers; or acting as agents or brokers in buying merchandise for or selling merchandise to such persons or companies. The principal types of establishments included are: Merchant wholesalers; sales branches and sales offices (but not retail stores) maintained by manufacturing enterprises apart from their plants for the purpose of marketing their products; agents, merchandise or commodity brokers, and commission merchants; petroleum bulk storage, assemblers, buyers, and associations engaged in cooperative marketing of farm products. The chief functions of uses in wholesale trade are selling goods to trading establishments, or to industrial, commercial, institutional, farm and professional; and bringing buyer and seller together. In addition to selling, functions frequently performed by wholesale establishments include maintaining inventories of goods; extending credit; physically assembling, sorting and grading goods in large lots, breaking bulk and redistribution in smaller lots; delivery; refrigeration; and various types of promotion such as advertising and label designing.

Yard shall mean any open space on the same lot with a building or a dwelling group, which open space is unoccupied and unobstructed from the ground upward to the sky, except for building projections or for accessory buildings or structures permitted by this chapter.

Yard, Front shall mean a space between the front yard setback line and the front lot line or highway setback line, and extending the full width of the lot. On corner lots, the front yard shall always be on the narrow side of the lot.

Yard, Rear shall mean a space between the rear yard setback line and the rear lot line, extending the full width of the lot.

Yard, Side shall mean a space extending from the front yard, or from the front lot line where no front yard is required by this chapter, to the rear yard, or rear lot line, between a side lot line and the side yard setback line.

ORDINANCE NO. 8976 (cont.)

Zone Lot shall mean a parcel of land in single ownership that is of sufficient size to meet minimum zoning requirements for area, coverage, and use, and that can provide such yards and other open spaces as required by this chapter.

Zoning Official shall mean the person or persons authorized and empowered by the city to administer and enforce the requirements of this chapter.

Zoning District shall mean the same as "District".

Zoning District, Change of shall mean the legislative act of removing one (1) or more parcels of land from one (1) zoning district and placing them in another zoning district on the Official Zoning Map.

ORDINANCE NO. _____ (Cont.)

SECTION 2. Section 36-26 of the Grand Island City Code is hereby amended to read as follows:

§36-26. Projections from Buildings

(A) Cornices, eaves, canopies, belt courses, sills, ornamental features, and other similar architectural features may project not more than one (1) foot into any required yard or into any required open space, except that eaves may encroach three (3) feet into a yard when such yard is ten (10) feet or more in width, provided that such required yard or open space meets the current minimum yard standards.

(B) As a part of single and two family residences, open uncovered porches or decks no higher than the first floor above grade on the side of the building to which they are appurtenant and in no event higher than 30 ~~26~~ inches above grade of the lot on the side of the structure where such porch or deck is located, may extend:

(1) Three (3) feet into any side yard that otherwise meets minimum side yard requirements provided that the other side yard also meets such minimum side yard requirements and remains free of encroaching structures of any kind; and that said new encroachment meets all separation requirements between structures as determined in the City's Building Code, except gated fences providing access to the rear yard.

(2) Six (6) feet into a front yard provided that the front yard otherwise meets minimum front yard requirements and provided further: (a) that in no event may such porch or deck cover more than 60 square feet of the required front yard or extend beyond the side walls of the building structure, and (b) front decks or porches shall not be higher than thirty (30) inches above ground and no higher than the first floor, except that on homes with front entryways at first floor level but driveway cuts and garage floors at basement level, there may be constructed a veranda-type uncovered deck or porch extending from the front deck or porch over the garage door or doors, which extended area shall be at the same elevation and shall have bracing as required by the Building Department, and (c) covered porches, built of materials of the same or similar nature as the roof of the principal structure may be allowed with eaves not to exceed twelve (12) inches.

(4) Safety railings shall be installed as per the City's Building Code and as approved by the Building Department.

(5) One-half (1/2) of the distance into the required rear yard, but in no event closer than five (5) feet to any property line.

(C) Provided further, that no railing or other barrier shall be placed around such deck or porch in a rear yard or side yard and no such barrier which interferes appreciably (more than twenty-five (25) percent) with the passage of light or air shall be constructed within the required front yard or within five (5) feet of any side or rear yard lot line. Any such deck or porch when located on a lot at the intersection of two (2) streets or a street and an alley, shall comply with the provisions designed to ensure proper sight distances as set forth in this code for fences and hedges. Any side yard on a corner lot when such yard is twenty (20) feet or more in width, may be considered as a front yard for purposes of determining permitted encroachments as provided herein.

(D) Vertical supports shall meet the City's Building Code.

SECTION 3. Section 36-78 of the Grand Island City Code is hereby amended to read as follows:

§36-78. (RD) Residential Development Zone

(A) Intent: The intent of this zoning district is to permit a more flexible regulation of land use, and so as to more fully implement comprehensive planning for large parcels of land proposed predominantly for residential use.

ORDINANCE NO. _____ (Cont.)

(B) Boundaries: The boundaries of RD-Residential Development Zone shall be fixed by amendment of the Official Zoning Map at such times in the future as such zoning district is applied to properties within the City's zoning jurisdiction.

(C) Limitations:

- (1) In a (RD) Residential Development Zone there shall be provided a minimum size of 1.5 acres.
- (2) Any proposed development shall be constructed in accordance with an overall plan of development.
- (3) Any proposed plan of development shall be designed as a single architectural scheme with appropriate common landscaping.
- (4) Adequate parking space shall be provided for all residential units and for all employee's, visitor's, and user's vehicles, and such parking, loading, or service areas that shall be used for motor vehicles, and shall be located within the boundary lines of the (RD) Residential Development Zone, and shall be physically separated from any public street, right-of-way, or property line by a buffer strip of not less than 30 feet.
- (5) No residential building or other permanent residential structure, nor parking lot, shall be located within 30 feet of any public street, right-of-way, or property line.
- (6) The maximum ground coverage shall not exceed 30 percent of ~~the property each site~~ within the (RD) Residential Development Zone.
- (7) The minimum off-street parking requirement shall be two parking spaces for every dwelling unit, plus one for each full-time employee.
- (8) In the alternative to complying with the 30 foot buffer strip or setback as identified in subsections (4) and (5) above, a ten (10) foot wide landscaped screen compliant with the installation requirements of Section 36-102 shall be followed.

(D) Ownership: A (RD) Residential Development Zone shall require a tract of land which is developed as a unit under single designated control by a common ownership at the time it is certified as an (RD) Residential Development Zone.

(E) Permitted Principal Uses: The following principal uses are permitted in the (RD) Residential Development Zone.

- (1) Uses as listed under permitted principal uses of the (TA) Transitional Agricultural Zone, (R-1) Suburban Residential Zone, (R-2) Low Density Residential Zone, (R-3) Medium Density Residential Zone, and (R-4) High Density Residential Zone except as listed under specifically excluded uses.
- (2) Nonprofit community buildings and social welfare establishments other than those providing living accommodations.

(F) Conditional Uses: The following uses are subject to any conditions listed in this chapter and are subject to other conditions relating to the placement of said use on a specific tract of ground in the (RD) Residential Development Zone as approved by City Council.

- (1) Towers

(G) Permitted Accessory Uses:

- (1) Buildings and uses accessory to the permitted principal use

(H) Specifically Excluded Uses:

- (1) Railway right-of-way, including railway yards or facilities.
- (2) Truck, bush, and tree farming.
- (3) Boarding and lodging housing, fraternity and sorority houses.
- (4) Nonprofit community buildings and social welfare establishments providing living accommodations.
- (5) Nonresidential uses.

(I) Procedure:

- (1) An application to establish a (RD) Residential Development Zone shall be initiated in the manner prescribed in Article X of this chapter.
- (2) Said application shall be filed with the city clerk in such form as shall be required by the city council and shall be accompanied by the following information:
 - (a) Site plan showing preliminary location and dimensions of all building areas, recreation, green or landscaped areas, parking and loading facilities, walkways or malls, screen walls, or plantings, waste disposal areas, illumination facilities, signs, curb cuts, utilities and services, private or dedicated drives or streets, etc.
 - (b) Preliminary drawings or renderings in sufficient detail so that the character of the development may be determined.

ORDINANCE NO. _____ (Cont.)

- (c) Evidence as to the methods of retaining, maintaining, and protecting the open space, green areas, recreational facilities, etc.
 - (d) Development schedule as to construction phases of buildings, open space, recreational areas, parking facilities, etc., and estimated completion time.
 - (e) Evidence of ownership or control of the entire parcel to be used as a planned unit development by a single person, association, firm, etc., as defined herein.
 - (f) Evidence of economic feasibility. A copy of such application and supplementary information shall then be forwarded by the city clerk to the Planning Commission for review, hearing, and recommendation.
- (3) In reviewing the application for amendment herein, the Planning Commission shall determine the following factors.
- (a) That the proposed development will be in the public interest, in harmony with the purpose of this chapter and with comprehensive plans for the City, and will not adversely affect nearby property.
 - (b) That adequate, safe, and convenient pedestrian and vehicular traffic ways and facilities are provided.
 - (c) That the development to be permitted shall be for the purpose of developing an integrated site plan in conformity with the regulations for a (RD) Residential Development Zone.
- (4) The Planning Commission shall hold a public hearing on the proposed amendment and shall transmit its recommendation to the city council. A copy of the recommendation shall be sent to the applicant and one copy shall be retained in the permanent files of the Planning Commission.
- (5) Procedure and action by the city council shall be the same in considering an amendment to the (RD) Residential Development Zone as in Article X of this chapter.
- (J) Miscellaneous Provisions:
- (1) It is intended that plans required for review and approval must be in a form that will satisfy the requirements of Chapter 33 of this code for both the preliminary and final plat, and that approval for plans and plats be considered simultaneously.
 - (2) The approved and filed final plan and plat shall be the basis for issuance of a building permit in conformity therewith. Plan changes which increase the number of buildings, increase building height or bulk, or change the location of buildings or other features which materially affect the basic design of the development shall require resubmission of the amendment. Minor adjustments in orientation, height or bulk of buildings, or decrease in the number of buildings may be approved by the Planning Director.
 - (3) Should any successful applicant for an amendment hereunder fail to have completed the construction of the footings and foundations for the initial building permit within eighteen (18) months after the city council shall approve a rezoning to a (RD) Residential Development Zone, the area in its entirety shall be reverted to its former zoning classification by appropriate action of the city council, provided, that the city council shall have the power to extend said period by six months in the event of special and unique hardships and circumstances.
 - (4) Control of the development following completion:
 - (a) The chief building official shall issue a certificate certifying the completion of the planned development, and shall note the issuance of the certificate on the final development plan.
 - (b) After the certificate of completion has been issued, the use of land and the construction, modification, or alteration of any buildings or structures within the residential development will be governed by the approved final development plan exclusively.
 - (c) After the certificate of completion has been issued, no changes may be made in the approved final development plan except upon application to the appropriate agency under the procedures provided below.
 - (i) Any minor extensions, alterations, or modifications of existing buildings or structures may be authorized by the Planning Director if they are consistent with the purposes and intent of the final plan. No change authorized by this subsection may increase the density of any building or structure by more than ten percent.
 - (ii) A building or structure that is totally or substantially destroyed may be reconstructed only in compliance with the final development plan unless an amendment to the final development plan is approved under subsection (iii) hereof.
 - (iii) All other changes in the final development plan as approved by the city council must be made by the city council under the procedures authorized under Article X of this chapter. No changes may be made in the final development plan unless they are found by the city council to be required for the continued successful functioning of the residential development, or unless they are found by the city

ORDINANCE NO. _____ (Cont.)

council to be required by changes in conditions that have occurred since the final plan was approved or by changes in the comprehensive planning and development policy of the City.

SECTION 4. Section 36-96 of the Grand Island City Code is hereby amended to read as follows:

§36-96. Off-Street Parking Requirements

(A) Purposes:

(1) It is the intent of this section that all buildings and uses shall provide off-street parking and loading facilities in a minimum amount as required herein to meet the needs of such buildings and uses on private property and under the same ownership as such buildings or uses. The accommodations may consist of lots, garages, or other buildings, and accessories; they may be surface facilities or facilities above or under the ground.

(2) It is the further intent of this section that all off-street parking and loading spaces and facilities shall be sited and built according to the requirements contained in this section, and shall require an application for and issuance of a building permit pursuant to §8-22.

(B) Application. Each building or use hereafter constructed, and each addition to or altered building or use shall be provided with off-street parking and loading spaces as required herein. Each off-street parking space or loading facility and space hereafter constructed, upon proper application and permit being granted shall be sited and constructed pursuant to the requirements of this section. No application for a building permit for such building, addition, alteration, or use shall be approved unless accompanied by a plot plan showing the location and amount of off-street parking and loading spaces as required herein for the existing or proposed building or use and including all such additions or alterations. No occupancy or use permit shall be issued unless the required parking and loading facilities shall have been provided in accordance with the approved plot plan. Requirements shall be applicable to all zones and districts but not to include the following business districts:

(1) *Central Business District* as identified and described in Chapter 13 of this code as the Downtown Improvement and Parking District No. 1.

(2) *Fourth Street Business District.* Beginning at the intersection of Eddy Street and the alley in the block between Fourth and Fifth Streets; thence easterly on the alley to the intersection of the alley with Sycamore Street; thence southerly on Sycamore Street to 100 feet south of the south right-of-way line of North Front Street; thence westerly on the aforesaid line to its intersection with Eddy Street; thence northerly on Eddy Street to the point of beginning.

(C) Area and Computation: An off-street parking space shall be of appropriate dimensions of not less than 180 square feet exclusive of access or maneuvering area, ramps, columns, etc., and shall have a vertical clearance of not less than seven feet. An off-street loading space shall be of appropriate dimensions of not less than 360 square feet exclusive of access or maneuvering area, ramps, columns, etc., and shall have a vertical clearance of not less than fourteen feet. When determination of the number of off-street parking or loading spaces required by this chapter results in a requirement of a fractional space, any fraction of one-half or less may be disregarded while a fraction in excess of one-half shall be counted as one parking space.

(D) Location: All off-street parking spaces shall be on the same lot as the building or ~~within 300 feet of the lot, use served except as listed under the provisions of this section.~~ Permanent off-street parking spaces shall not be permitted within the required front yard setback, provided, however, that for a building containing three dwelling units or less, one space per unit may be placed within the front yard setback if such space is not directly in front of the building excluding garages or carports. Parking facilities located separate from the building or use as listed shall have a substantial portion of same within a specified distance of the building or use which it serves. All off-street loading spaces shall be on the same lot as the building or use served.

(E) Collective Facilities: Off-street parking facilities for separate or mixed buildings or uses may be provided collectively so long as the total number of spaces is not less than the sum of the separate required spaces, and provided further, that the requirement concerning location of such facility with respect to distance from the building or use served shall be complied with. In order to eliminate a multiplicity of entrances and exits and diminish traffic hazards to conserve space where space is at a premium and to promote orderly development generally, the city

ORDINANCE NO. _____ (Cont.)

council is hereby authorized to plan and group parking facilities collectively for a number of businesses in a given area, and especially in the central business district, in such a manner as to obtain a maximum of efficiency and capacity in parking and traffic movement.

(F) Employee Parking: Parking spaces required on an employee basis shall be based on the maximum number of employees on duty on the premises at any one time.

(G) Design Standards. All off-street parking and loading facilities shall be designed with appropriate means of vehicular access to a street or alley and contain adequate and safe maneuvering areas. No driveway or curb cuts shall exceed twenty-six feet in width in residential districts, or thirty-five feet in width in business or industrial/manufacturing districts, and detailed plans shall be submitted to the public works director for approval of all curb cuts or driveway openings before a permit may be obtained therefor. No signs shall be displayed except such signs as required for the orderly use of the facilities. All facilities shall be provided with a permanent type, dust-free surface such as asphaltic cement concrete, Portland cement concrete, or paving brick.

All parking lots containing five or more parking spaces, which are within 30 feet of property occupied by a residential use in a Transitional Agricultural Zoning District or of property within a Suburban Residential Zoning District, Low Density Residential Zoning District, Medium Density Residential Zoning District, High Density Residential Zoning District or Residential Development Zoning District, shall provide a sight-obscuring fence or screen not less than six feet nor more than eight feet in height along the boundary of the parking lot adjacent to such districts. No fence or screen shall be required between abutting parking lots or adjacent to an alley. The height of any fence or screen shall be subject to other restrictions provided by the City Code.

(H) Maintenance: The parking and loading facilities required by this section shall be provided and maintained so long as the use exists which the facilities are designed to serve. Reasonable precautions must be taken by the owners of particular uses to assure the use of the parking facilities only by the employees or the social or business visitors of the premises for which the facilities are provided. The facilities must be so designed and maintained as not to constitute a nuisance at any time and must not be used in such a manner as to constitute a hazard or unreasonable impediment to traffic.

(I) Reduction of Number of Spaces: Off-street parking or loading facilities shall not be reduced in total extent, after their provision required hereunder, except upon the approval of the Board of Adjustment, and then only after proof that the parking or loading spaces are no longer required by reason of a change in use of the premises of which the facilities are adjunct.

(J) Requirement for Uses Not Listed: For any use not listed, the Board of Adjustment shall determine the proper requirement by classifying the proposed use among the uses specified herein so as to assure equal treatment.

(K) Administration and Enforcement: The off-street parking and loading provisions of this section shall be administered by the zoning official and enforced by the chief building official, who shall also serve in advisory capacity to the city council on matters relative to any phase of such provisions.

(L) Penalty for Violation: The provisions of parking and loading facilities as required by this section shall be a continuing obligation of the owner or sponsor of a given building or use so long as the building or use is in existence and so long as parking and loading facilities are required hereunder in connection therewith, and it shall be unlawful to discontinue, change, or dispense with such facilities without establishing alternate facilities that meet the requirements herein. Penalty provisions applicable to this chapter as a whole shall apply to the violations of these provisions. In addition, at such time as the facilities required hereunder shall fail to continue to be available for the purpose, the building permit for the structures to which the facilities are adjunct and the use or occupancy permits issued for the premises shall be canceled and become null and void.
