Item #'s: D-1 & F-1

Presenter(s): David Springer, Finance Director

Background

In March, 1999, the City Council adopted Ordinance #8452 creating Business Improvement District No.3, South Locust Street, Hwy 34 to Stolley Park Road. The District was established for a 10-year period with anticipated total assessment revenues of \$314,447. The 2005-2006 Budget, as approved by Council on July 26, 2005, provides for special assessments in the amount of \$3.50 per front footage for a total of \$34,314 for the 9,804 front footage. At this meeting, the Board of Equalization was set for September 13, 2005.

Discussion

The City Council, in its' capacity as the Board of Equalization, is required to determine the benefits of the District and take action on the assessments as provided for in the associated Ordinance.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Approve the benefits of the District and related assessments.
2. Deny the benefits and assessments.

Recommendation

City Administration recommends that the Council approve the benefits of Business Improvement District No. 3 and related assessments.

Sample Motion

Board of Equalization: Approve the benefits accruing to Business Improvement District No. 3 as presented.

Ordinance: Approve the assessments as provided for in the related Ordinance.
