# **Council Agenda Memo**

**From:** Steven P. Riehle, Public Works Director

**Meeting:** September 13, 2005

**Subject:** Approving the Changes to Parking Restrictions on the North Side of 3<sup>rd</sup> Street West of Oak Street; in Front of the Senior Center

**Item #'s:** G-28

**Presenter(s):** Steven P. Riehle, Public Works Director

## **Background**

Council action is required for the installation of loading zones and designation of No Parking areas on City streets. The City Council approved Resolution Number 2005-132 at the April 26, 2005 meeting. An incorrect distance regarding the distance from the curb was stated in the resolution.

## **Discussion**

No parking will be designated on the North side of 3<sup>rd</sup> Street from the west face of the curb on Oak Street westerly for 94'. The loading zone would be from the west end of the no parking westerly for 105'. Resolution No. 2005-132 had an incorrect distance of 250' for the loading zone.

## **Alternatives**

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

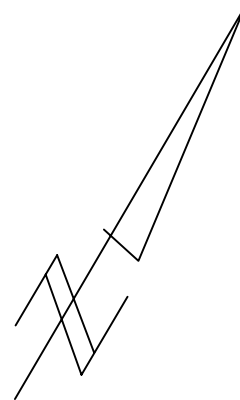

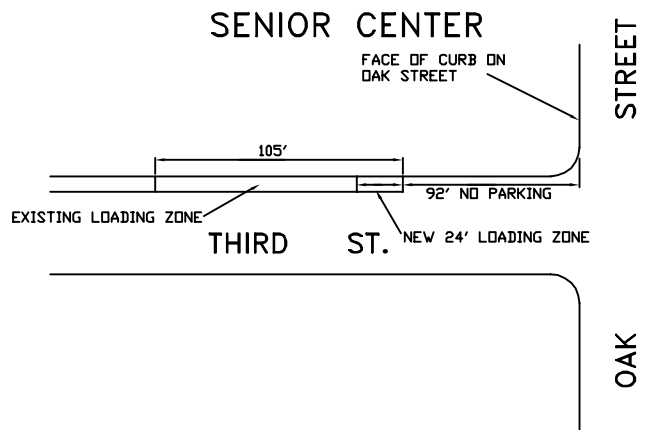

1. Approve changes to the parking.
2. Refer the issue to a Committee.
3. Postpone the issue to a future date.
4. Take no action on the issue.

## **Recommendation**

City Administration recommends that the Council pass a resolution to approve the changes to the parking.

## **Sample Motion**

Move to approve the changes on the north side of 3<sup>rd</sup> Street west of Oak Street in front of the Senior Center.
