Council Session

Item -8

Election of City Council President

The City Council is required to elect one Councilmember to the office of Council President. The term is for a one-year period. The Council President automatically assumes the duties of the Mayor in the event that the Mayor is absent or otherwise unable to fulfill his/her duties. Nebraska law allows the election of the Council President to be by secret ballot. The total number of votes for each candidate; however, must be stated and recorded in the Minutes. Past practice has included a run-off election between the top two nominees, if necessary. The City Clerk will prepare, distribute, and count ballots. Nominations to fill the vacancy are in order. A second is not required on nominations.
