Council Agenda Memo

From: Joni Kuzma, Community Development Specialist

Meeting: September 12, 2006

Subject: Nebraska Children & Families Foundation Prevention Grant

Item #'s: G-11

Presenter(s): Joni Kuzma, Community Development Specialist

Background

The *Coalition for Children* was formed in September 2004 by a group of four human service professionals who shared a concern about the large number of youth in the foster care and social service systems in Hall County. The intent was to build community partnerships to facilitate outreach to parents, guardians or caregivers of children in the pre-natal stage up to five years of age. Through this collaboration, the Coalition chose to begin creating a community climate where children are valued and deserve to be safe and healthy. This group grew to six members who have met for more than a year to create a plan that would improve the service prevention system to children and families.

In September 2005, a Community Based Planning Assessment Process was made available to Grand Island as a result of collaboration between the Nebraska Department of Health and Human Services, Nebraska Children and Families Foundation, the Nebraska Crime Commission and the Juvenile Justice Institute. This collaboration gave Grand Island service providers an opportunity to participate in a Service Array Assessment of Prevention and Early Intervention Services for children, youth and families. About 50 people, from 20-25 organizations, attended one to two full days of planning meetings. From this planning process, a Hall County systems assessment, three-year work plan and logic model was created.

As a result of this planning process and the existing affiliation between the Community Youth Council and the Nebraska Children and Families Foundation, the Foundation has awarded a grant to the City to fund this Leadership Development & Child Abuse Prevention project.

Discussion

The Nebraska Children and Families Foundation (NCFE) awarded a grant (\$20,189.40) to the City of Grand Island to support the activities of the Coalition for Children to implement a community plan and coordinate Leadership Team and community abuse prevention training. The grant time frame is 7/01/06 - 06/30/07. NCFE will provide additional technical assistance at no cost to the Coalition. The City will serve as fiscal agent.
