Council Agenda Memo

From: Regional Planning Commission

Meeting: March 13, 2007

Subject: Annexation - Third Reading

Item #'s: F-1

Presenter(s): Chad Nabity AICP, Regional Planning Director

Background

A request has been received to consider annexation of property located east of the Platte Valley Industrial Park in the E 1/2 of Section 5, Township 10 North, Range 9 West of the 6th PM and in the SW 1/2 of Section 4, Township 10 North, Range 9 West of the 6th PM located between Wildwood Drive and Schimmer Drive on both sides of Blaine Street. The Grand Island Area Economic Development Corporation has secured options on or owns the property in the E 1/2 of 5-10-9; Tom and Carlotta Hartman own the SW 1/4 of 4-10-9; together they are requesting this annexation in anticipation of industrial development. This property is contiguous with the Grand Island Municipal limits on its western border. City Administration is also suggest that the Platte Generating Station located south of Wildwood Drive between Blaine Street and South Locust Street also be annexed at this time. Annexation of these properties will allow the extension of the zoning jurisdiction of the city as shown on the attached map.

Discussion

This property is contiguous with the Grand Island City Limits. The owner has requested this annexation.

This property is within the Grand Island Utilities Electrical Service District. This property appears to be in the Consolidated District 272 (Northwest and Cedar Hollow). This annexation will impact the two-mile extraterritorial jurisdiction of Grand Island. The attached map shows the impact this will have on the jurisdiction of the City of Grand Island. The increased jurisdiction gives the City more control over uses that could impact the well fields. A revised zoning map with the proposed zoning for areas not currently in the City jurisdiction will be considered by the Planning Commission at the February meeting and should be available for adoption by Council at the same time as the final annexation reading for this property.

The public hearing was set and the annexation plan presented to the City Council at the January 9, 2007 City Council Meeting.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Approve the annexation as presented
2. Modify the annexation to meet the wishes of the Council
3. Table the issue

Recommendation

A motion was made by Haskins, and seconded by Brown, to recommend the annexation of the above mentioned property as presented.

A roll call vote was taken and the motion passed with 11 members present (Miller, O'Neill, Ruge, Haskins, Snodgrass, Amick, Brown, Niemann, Reynolds, Monter, Eriksen) voting in favor.

Sample Motion

Approve the annexation as Submitted.
