Subject: Approving Purchase of a Skid Steer Loader for Use in Concrete Repair Operations at the Street Division

Item #'s: G-11

Presenter(s): Steven P. Riehle, Public Works Director

Background

The Bobcat Skid Steer Loader at the Street Division was last replaced by Central Nebraska Bobcat in the 2005/2006 budget as per replacement agreement in the original bid package. The City has utilized that replacement agreement in the past.

The replacement agreement is based on \$6.00 per operating hour. At 500 hours of use the replacement price is \$3,000.

Discussion

It is to the advantage of the City of Grand Island to continue using a Bobcat Skid Steer Loader from Central Nebraska Bobcat of Grand Island, Nebraska. Each unit remains constantly under warranty so that the only cost to the City is for fuel and routine service.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council approve a Resolution awarding the purchase of the Skid Steer Loader under the replacement agreement with Central Nebraska Bobcat of Grand Island, Nebraska.

Sample Motion

Motion to approve awarding the purchase of the Skid Steer Loader under the replacement agreement with Central Nebraska Bobcat of Grand Island, Nebraska for \$3,000 (after trade-in).
