Council Session

## Item G8

**#2009-30 - Approving Update to Resolution 2006-103; Designated Truck Routes Within City of Grand Island**

Staff Contact: Steve Riehle, City Engineer/Public Works Director

# **Council Agenda Memo**

**From:** Steven P. Riehle, Public Works Director

**Meeting:** February 10, 2009

**Subject:** Approving Update to Resolution 2006-103; Designated Truck Routes Within City of Grand Island

**Item #'s:** G-8

**Presenter(s):** Steven P. Riehle, Public Works Director

## **Background**

On March 28, 2006 City Council passed Resolution 2006-103, which designated the truck routes within the City of Grand Island. City Council approval is required for any changes to be made to that resolution.

## **Discussion**

Restricted weight limits that have been imposed on the Blaine Street Bridge over the Wood River because of the condition of the structure. Since the bridge is weight restricted, Public Works Engineers recommended that the section on Blaine Street from US Highway 34 (Husker Highway) to Stolley Park Road be removed from the truck route.

## **Alternatives**

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

## **Recommendation**

Public Works Administration recommends that the Council approve the update to Resolution 2006-103, removing the section of Blaine Street from US Highway 34 (Husker Highway) to Stolley Park Road from the list of designated truck routes.

## **Sample Motion**

Move to approve the update to Resolution 2006-103 regarding truck routes.

RESOLUTION 2009-30

WHEREAS, the City Council, by authority of Section 22-76 of the Grand Island city Code, may by resolution, designate truck routes upon the streets of the City of Grand Island.
