Staff Contact: Steve Paustian

Council Agenda Memo

From: Steve Paustian, Parks Director
Meeting: May 26, 2009
Subject: Approving Payment to Pheasants Forever
Item #'s: G-9
Presenter(s): Steve Paustian, Parks Director

Background

The City entered into an agreement with Pheasants Forever and the Soil Conservation Service to develop habitat for upland game birds on buffer areas at the Heartland Public Shooting Park.

Discussion

Seed was purchased by a representative of Pheasants Forever for planting at the HPSP. This representative did not follow City purchasing requirements. I had informed him prior to this activity that certain purchasing rules must be followed. I have spoken with him again and explained the process again to him. As this is a reimbursement program the City must pay the bill and then will be eligible for reimbursement of the costs.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends approve the payment of the bill to Pheasants Forever in the amount of \$4,421.98, to be reimbursed to the City at a later date.

Sample Motion

Motion to approve the resolution authorizing the City to pay Pheasants Forever for seed planted at the HPSP.
