Council Agenda Memo

From: Steven P. Riehle, Public Works Director

Meeting: June 23, 2009

Subject: Approving Bid Award for Handicap Ramp Project No. 2009-1

Item #'s: G-6

Presenter(s): Steven P. Riehle, Public Works Director

Background

On May 29, 2009 the Engineering Division of the Public Works Department advertised for bids for the construction of handicap ramps along various streets in the City.

The ramps are required in conjunction with street resurfacing in accordance with Federal ADA (Americans with Disabilities Act) regulations. The ADA compliant curb ramps in the 2009 project are adjacent to the streets in the 2009 Asphalt Resurfacing program. If the ramps are not completed this calendar year, the City will not be in compliance with the ADA act.

The City is also required to have a planned schedule for upgrading public sidewalks to conform to ADA requirements. The current schedule and budget will bring the City into compliance in approximately 25 years.

Discussion

Two (2) bids were received and opened on June 9, 2009. The Engineering Division of the Public Works Department and the Purchasing Division of the City's Attorney's Office have reviewed the bids that were received. A summary of the bids is shown below.

Bidder	Exceptions	Bid Price
