Item F3

#9231 - Consideration of Approving Salary Ordinance

Staff Contact: Brenda Sutherland

Council Agenda Memo

From: Brenda Sutherland, Human Resources Director

Meeting: August 25, 2009

Subject: Salary Ordinance

Item #'s: F-3

Presenter(s): Brenda Sutherland, Human Resources Director

Background

The Human Resources Department prepares and brings forward for consideration a salary ordinance each year at budget time that sets forth wages for employees for the upcoming fiscal year. The wages being presented are a reflection of wages that have been previously agreed to by the City Council when labor agreements were entered into. In addition to wages, certain benefits that are part of labor agreements or personnel rules that are paid to employees are also outlined in the salary ordinance. Another salary ordinance will be brought forward once a labor agreement is approved by the City Council for the new IBEW Service and Clerical group.

Discussion

The following changes are being presented to the Council for consideration in preparation for the next fiscal year which will begin on October 1, 2009. The wages addressed in this document will not be paid until the first full pay period in October which will commence on October 12, 2009.

Employees covered by the AFSCME labor agreement will receive a 4% increase per contract, employees covered by the FOP labor agreement will receive a 3.5% increase per contract, employees covered by the IAFF labor agreement will receive a 3.5% increase per contract, and employees covered by the IBEW Wastewater labor agreement will receive a 3.5% increase per contract. Employees covered by the IBEW Utilities labor agreement will receive 3.75% and employees covered by the IBEW Finance labor agreement will receive 3.75%.

After discussion with the City Council through the budget process the recommendation being brought forward for the increase to the non-union employees is 3%. The City Administrator and I believe that this increase is sufficient to allow that group of

employees to at least maintain its aggregate position of comparability with employees from other cities in the array.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council approve Salary Ordinance # 9231.

Sample Motion

Move to approve Salary Ordinance #9231.
