**Public Hearing on Amendment to Redevelopment Plan Area 1  
located at 308-312 West 3rd Street**

**Staff Contact: Chad Nabity**

# **Council Agenda Memo**

**From:** Chad Nabity, AICP

**Meeting:** June 23, 2015

**Subject:** Amendment to Redevelopment Plan for CRA Area #1

**Item #'s:** E-2 & I-3

**Presenter(s):** Chad Nabity, AICP CRA Director

## **Background**

In 2000, the Grand Island City Council declared property referred to as CRA Area #1 as blighted and substandard and approved a generalized redevelopment plan for the property. The generalized redevelopment plan authorized the use of Tax Increment Financing (TIF) for the acquisition of property, redevelopment of property, site preparation including demolition, landscaping and parking. TIF can also be used for improvements to and expansion of existing infrastructure including but not limited to: streets, water, sewer, drainage.

T & S Properties, the owner of the Kaufman Building has submitted a proposed amendment to the redevelopment plan that would provide for renovation and redevelopment of this property for commercial and office uses at 308-312 West 3<sup>rd</sup> Street in Grand Island, Nebraska.

The CRA reviewed the proposed development plan on May13, 2015 and forwarded it to the Hall County Regional Planning Commission for recommendation at their meeting on June 10, 2015. The CRA also sent notification to the City Clerk of their intent to enter into a redevelopment contract for this project pending Council approval of the plan amendment.

The Hall County Regional Planning Commission held a public hearing on the plan amendment at a meeting on June 10, 2015. The Planning Commission approved Resolution 2015-04 in support of the proposed amendment, declaring the proposed amendment to be consistent with the Comprehensive Development Plan for the City of Grand Island.

## **Discussion**

Tonight, Council will hold a public hearing to take testimony on the proposed plan amendment (including the cost benefit analysis that was performed regarding this proposed project) and to enter into the record a copy of the plan amendment, the draft TIF contract under consideration by the CRA.

Council is being asked to approve a resolution approving the cost benefit analysis as presented in the redevelopment plan along with the amended redevelopment plan for CRA Area #1 and authorizes the CRA to execute a contract for TIF based on the plan amendment. The redevelopment plan amendment specifies that the TIF will be used to offset allowed costs for renovation and rehabilitation of this property for commercial office uses. The cost benefit analysis included in the plan finds that this project meets the statutory requirements for as eligible TIF project and that it will not negatively impact existing services within the community or shift additional costs onto the current residents of Grand Island and the impacted school districts. There are \$850,600 of identified expenses eligible for Tax Increment Financing associated with the proposed redevelopment plan amendment. The bond for this project will be issued for a period of 15 years and will end upon final payment of the bond principal and any associated interest. The proposed bond for this project will be issued for the expected TIF proceeds for the 15 year period of \$272,888

## **Alternatives**

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve the resolution
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

## **Recommendation**

The CRA and Hall County Regional Planning Commission recommend that the Council approve the Resolution necessary for the adoption and implementation of this plan.

## **Sample Motion**

Move to approve the resolution as submitted.

**Redevelopment Plan Amendment  
Grand Island CRA Area 1  
May 2015**

**The Community Redevelopment Authority (CRA) of the City of Grand Island intends to amend the Redevelopment Plan for Area 1 within the city, pursuant to the Nebraska Community Development Law (the “Act”) and provide for the financing of a specific infrastructure related project in Area 1.**

**Executive Summary:**

**Project Description**

THE REDEVELOPMENT OF THE KUAFFMAN BUILDING LOCATED AT 308-312 W. 3<sup>RD</sup> STREET FOR OFFICE USES ON THE FIRST AND SECOND FLOORS INCLUDING FIRE/LIFE SAFETY IMPROVEMENTS AND BUILDING REHABILITATION AND REMODELING.

The use of Tax Increment Financing to aid in rehabilitation expenses associated with redevelopment of the Kaufman Building into office space for more than 100 employees for GIX Logistics. The use of Tax Increment Finance is an integral part of the development plan and necessary to make this project affordable. The project will result in renovated commercial office space and an increased number of downtown employees at an existing Grand Island company. This project would not be possible without the use of TIF.

T & S Land Development LLC is the owner of the property. They purchased this property in December of 2014. The purchase price is not included as an eligible TIF activity. The first floor of the building is currently occupied by GIX Logistics and JEO Consulting. The second floor of the building is currently vacant. The developer is responsible for and has provided evidence that they can secure adequate debt financing to cover the costs associated with the site work and remodeling. The Grand Island Community Redevelopment Authority (CRA) intends to pledge the ad valorem taxes generated over the 15 year period beginning January 1, 2017 towards the allowable costs and associated financing for the acquisition and site work.

TAX INCREMENT FINANCING TO PAY FOR THE REHABILITATION OF THE PROPERTY WILL COME FROM THE FOLLOWING REAL PROPERTY:  
Property Description (the “Redevelopment Project Area”)

308-312 W 3rd Street in Grand Island Nebraska Kaufman Building

**Legal Descriptions:** Lot 7, Block 57, Original Town of Grand Island, Hall County, Nebraska.

**Existing Land Use and Subject Property**

**The tax increment will be captured for the tax years the payments for which become delinquent in years 2017 through 2031 inclusive.**

**The real property ad valorem taxes on the current valuation will continue to be paid to the normal taxing entities. The increase will come from rehabilitation of this the vacant portions of this historic building for commercial office space as permitted in the B3 Heavy Business Zoning District.**

**Statutory Pledge of Taxes.**

Pursuant to Section 18-2147 of the Act, any ad valorem tax levied upon real property in the Redevelopment Project Area shall be divided, for the period not to exceed 15 years after the effective date of the provision, which effective date shall be January 1, 2017.

a. That portion of the ad valorem tax which is produced by levy at the rate fixed each year by or for each public body upon the redevelopment project valuation shall be paid into the funds, of each such public body in the same proportion as all other taxes collected by or for the bodies; and

b. That portion of the ad valorem tax on real property in the redevelopment project in excess of such amount, if any, shall be allocated to and, when collected, paid into a special fund of the Authority to pay the principal of; the interest on, and any premiums due in connection with the bonds, loans, notes, or advances on money to, or indebtedness incurred by, whether funded, refunded, assumed, or otherwise, such Authority for financing or refinancing, in whole or in part, a redevelopment project. When such bonds, loans, notes, advances of money, or indebtedness including interest and premium due have been paid, the Authority shall so notify the County Assessor and County Treasurer and all ad valorem taxes upon real property in such redevelopment project shall be paid into the funds of the respective public bodies.

Pursuant to Section 18-2150 of the Act, the ad valorem tax so divided is hereby pledged to the repayment of loans or advances of money, or the incurring of any indebtedness, whether funded, refunded, assumed, or otherwise, by the CRA to finance or refinance, in whole or in part, the redevelopment project, including the payment of the principal of, premium, if any, and interest on such bonds, loans, notes, advances, or indebtedness.

Redevelopment Plan Amendment Complies with the Act:

The Community Development Law requires that a Redevelopment Plan and Project consider and comply with a number of requirements. This Plan Amendment meets the statutory qualifications as set forth below.

**1. The Redevelopment Project Area has been declared blighted and substandard by action of the Grand Island City Council on December 19, 2000.[§18-2109] Such declaration was made after a public hearing with full compliance with the public notice requirements of §18-2115 of the Act.**

**2. Conformation to the General Plan for the Municipality as a whole. [§18-2103 (13) (a) and §18-2110]**

Grand Island adopted a Comprehensive Plan on July 13, 2004. This redevelopment plan amendment and project are consistent with the Comprehensive Plan, in that no changes in the Comprehensive Plan elements are intended. This plan merely provides funding for the developer to rehabilitate the building for permitted uses on this property as defined by the current and effective zoning regulations.

**3. The Redevelopment Plan must be sufficiently complete to address the following items: [§18-2103(13) (b)]**

***a. Land Acquisition:***

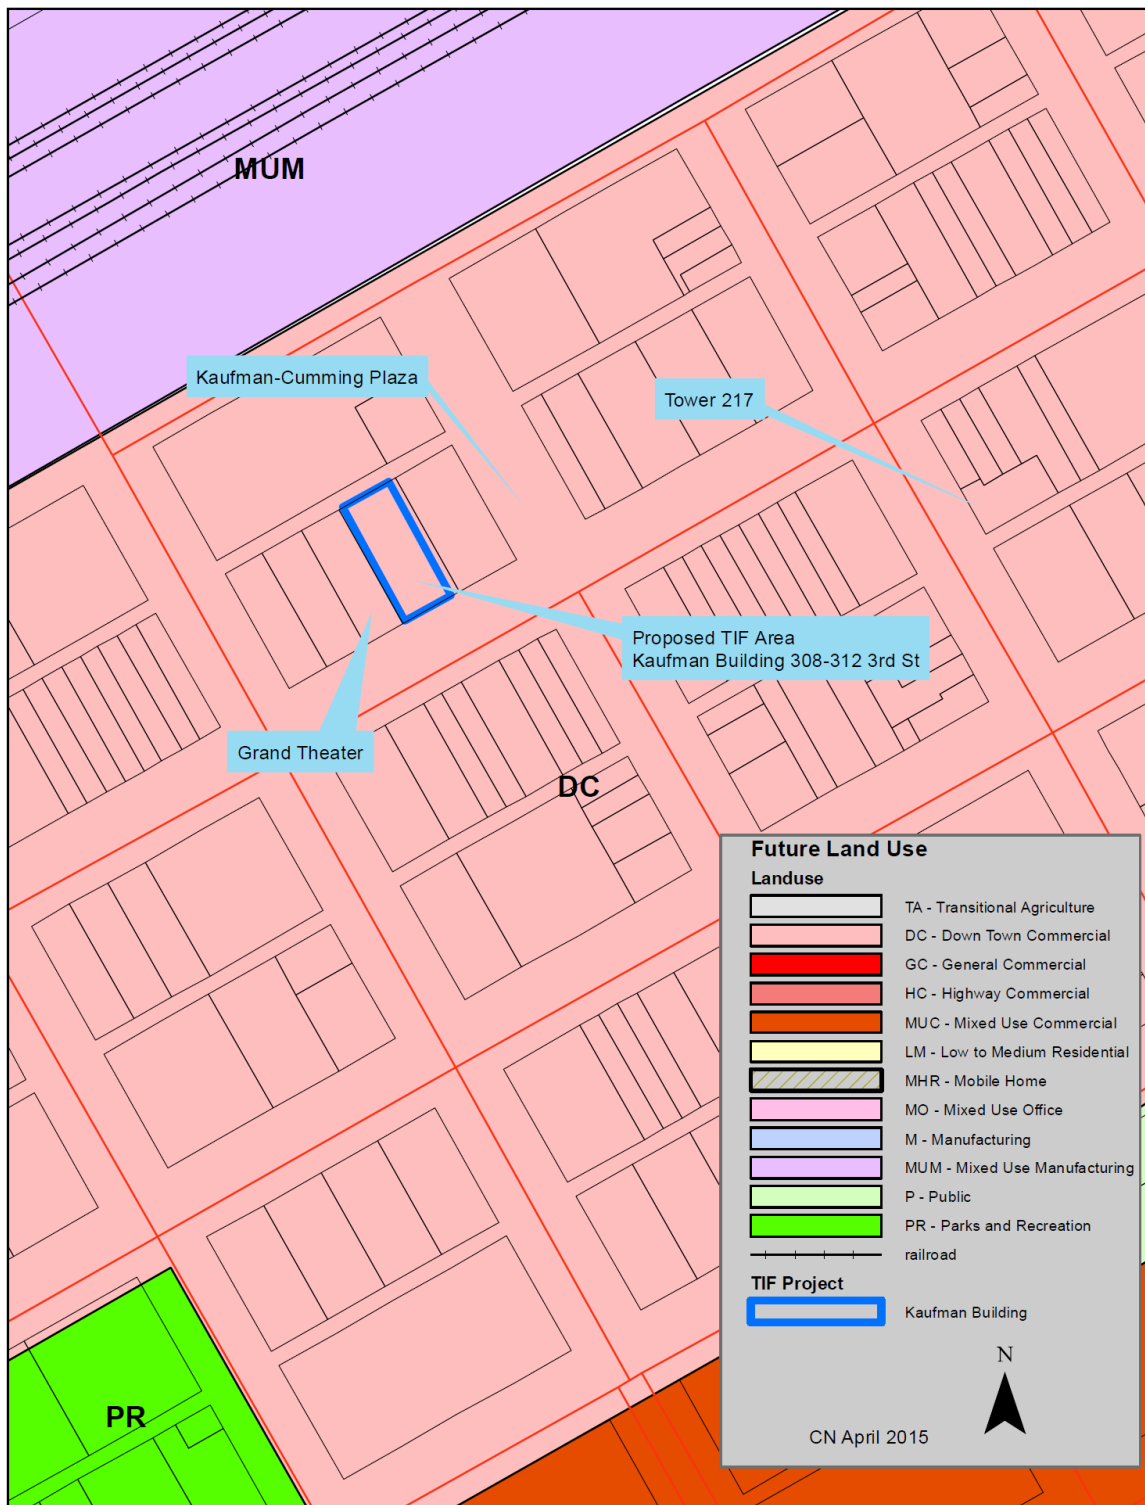

The Redevelopment Plan for Area #1 provides for real property acquisition and this plan amendment does not prohibit such acquisition. There is no proposed acquisition by the authority.

***b. Demolition and Removal of Structures:***

The project to be implemented with this plan does not provide for the demolition and removal any structures on this property.

***c. Future Land Use Plan***

See the attached map from the 2004 Grand Island Comprehensive Plan. All of the area around the site in private ownership is planned for Downtown Commercial development; this includes housing and commercial uses within the same structure. This property is in private ownership. [§18-2103(b) and §18-2111] The attached map also is an accurate site plan of the area after redevelopment. [§18-2111(5)]

City of Grand Island Future Land Use Map

***d. Changes to zoning, street layouts and grades or building codes or ordinances or other Planning changes.***

The area is zoned B3-Heavy Business zone. No zoning changes are anticipated with this project. No changes are anticipated in street layouts or grades. No changes are anticipated in building codes or ordinances. Nor are any other planning changes contemplated. [§18-2103(b) and §18-2111]

***e. Site Coverage and Intensity of Use***

The developer is rehabilitating the existing building. The developer is not proposing to increase the size of the building and current building meets the applicable regulations regarding site coverage and intensity of use. [§18-2103(b) and §18-2111]

***f. Additional Public Facilities or Utilities***

Sewer and water are available to support this development. No new services are anticipated with this development.

Electric utilities are sufficient for the proposed use of this building.

No other utilities would be impacted by the development.

The developer will be responsible for replacing any sidewalks damaged during construction of the project.

No other utilities would be impacted by the development. [§18-2103(b) and §18-2111]

**4. The Act requires a Redevelopment Plan provide for relocation of individuals and families displaced as a result of plan implementation. This property, owned by the developer no relocation is contemplated or necessary. [§18-2103.02]**

**5. No member of the Authority, nor any employee thereof holds any interest in any property in this Redevelopment Project Area. [§18-2106]** Sue Pirnie is a member of the Authority and has disclosed this appropriately. As such she will not take part in any discussions or decisions regarding this application.

**6. Section 18-2114 of the Act requires that the Authority consider:**

***a. Method and cost of acquisition and preparation for redevelopment and estimated proceeds from disposal to redevelopers.***

The developer owns this property and acquisition is not part of the request for tax increment financing. The estimated cost of rehabilitation of this property is \$770,500. Planning related expenses for Architectural and Engineering services of \$73,000 and are

included as a TIF eligible expense. Legal, Developer and Audit Fees including a reimbursement to the City and the CRA of \$6,600 are included as TIF eligible expense. The total of eligible expenses for this project is \$850,600.

No property will be transferred to redevelopers by the Authority. The developer will provide and secure all necessary financing.

***b. Statement of proposed method of financing the redevelopment project.***

The developer will provide all necessary financing for the project. The Authority will assist the project by granting the sum of \$272,788 from the proceeds of the TIF Indebtedness issued by the Authority. This indebtedness will be repaid from the Tax Increment Revenues generated from the project. TIF revenues shall be made available to repay the original debt and associated interest after January 1, 2017 through December 2032.

***c. Statement of feasible method of relocating displaced families.***

No families will be displaced as a result of this plan.

**7. Section 18-2113 of the Act requires:**

Prior to recommending a redevelopment plan to the governing body for approval, an authority shall consider whether the proposed land uses and building requirements in the redevelopment project area are designed with the general purpose of accomplishing, in conformance with the general plan, a coordinated, adjusted, and harmonious development of the city and its environs which will, in accordance with present and future needs, promote health, safety, morals, order, convenience, prosperity, and the general welfare, as well as efficiency and economy in the process of development, including, among other things, adequate provision for traffic, vehicular parking, the promotion of safety from fire, panic, and other dangers, adequate provision for light and air, the promotion of the healthful and convenient distribution of population, the provision of adequate transportation, water, sewerage, and other public utilities, schools, parks, recreational and community facilities, and other public requirements, the promotion of sound design and arrangement, the wise and efficient expenditure of public funds, and the prevention of the recurrence of insanitary or unsafe dwelling accommodations or conditions of blight.

The Authority has considered these elements in proposing this Plan Amendment. This amendment, in and of itself will promote consistency with the Comprehensive Plan. This will have the intended result of preventing recurring elements of unsafe buildings and blighting conditions.

## **8. Time Frame for Development**

Development of this project is anticipated to be completed between September 2015 and December of 2016. Excess valuation should be available for this project for 15 years beginning with the 2017 tax year.

## **9. Justification of Project**

This is an historic building in downtown Grand Island that will be preserved with this project. This project will provide more base employment within the downtown. Additional downtown employees will support additional housing and retail services in the downtown area.

**10. Cost Benefit Analysis** Section 18-2113 of the Act, further requires the Authority conduct a cost benefit analysis of the plan amendment in the event that Tax Increment Financing will be used. This analysis must address specific statutory issues.

As authorized in the Nebraska Community Development Law, §18-2147, *Neb. Rev. Stat.* (2012), the City of Grand Island has analyzed the costs and benefits of the proposed Grand Island Mall Redevelopment Project, including:

**Project Sources and Uses.** Approximately \$273,000 in public funds from tax increment financing provided by the Grand Island Community Redevelopment Authority will be required to complete the project. This investment by the Authority will leverage \$886,000 in private sector financing; a private investment of \$3.25 for every TIF dollar investment.<sup>1</sup>

<b>Use of Funds.</b>			
<b>Description</b>	<b>TIF Funds</b>	<b>Private Funds</b>	<b>Total</b>
Site Acquisition		\$307,500	\$307,500
Site preparation			
Legal and Plan*		\$81,000	\$81,000
Building Costs			
Renovation	\$272,788	\$497,212	\$770,000
Personal Property			
Soft Costs			
TOTALS	\$272,788	\$885,712	\$1,158,500

**Tax Revenue.** The property to be redeveloped is anticipated to have a January 1, 2016, valuation of approximately \$310,720. Based on the 2013 levy this would result in a real property tax of approximately \$6,840. It is anticipated that the assessed value will increase by \$826,121 upon full completion, as a result of the site redevelopment. This development will result in an estimated tax increase of over \$18,186 annually. The tax

<sup>1</sup> This does not include any investment in personal property at this time.

increment gained from this Redevelopment Project Area would not be available for use as city general tax revenues, for a period of 15 years, or such shorter time as may be required to amortize the TIF bond, but would be used for eligible private redevelopment costs to enable this project to be realized.

Estimated 2016 assessed value:	\$ 310,720
Estimated value after completion	\$ 1,136,841
Increment value	\$ 826,121
Annual TIF generated (estimated)	\$ 18,186
TIF bond issue	\$ 272,788

***(a) Tax shifts resulting from the approval of the use of Tax Increment Financing;***

The redevelopment project area currently has an estimated valuation of \$310,720. The proposed redevelopment will create additional valuation of \$826,121. No tax shifts are anticipated from the project. The project creates additional valuation that will support taxing entities long after the project is paid off.

***(b) Public infrastructure and community public service needs impacts and local tax impacts arising from the approval of the redevelopment project;***

No additional public service needs have been identified. Existing water and waste water facilities will not be impacted by this development. The electric utility has sufficient capacity to support the development. It is not anticipated that this will impact schools. Fire and police protection are available and should not be negatively impacted by this development. The addition of life safety elements to this building including fire sprinklers and a second exit actually reduce the chances of negative impacts to the fire department.

***(c) Impacts on employers and employees of firms locating or expanding within the boundaries of the area of the redevelopment project;***

The proposed project will have no impact on other firms locating or expanding in the area.

***(d) Impacts on other employers and employees within the city or village and the immediate area that are located outside of the boundaries of the area of the redevelopment project; and***

This project will not have a negative impact on other employers in any manner different from any other expanding business within the Grand Island area. The Grand Island labor market is tight but this will create additional full time jobs in the regions. This will allow a local company to expand in our community.

*(e) Any other impacts determined by the authority to be relevant to the consideration of costs and benefits arising from the redevelopment project.*

This project will increase the number of available positions within the city and strength and expand a locally owned company. This will also result in a larger employee base located in the Grand Island Downtown.

### **Time Frame for Development**

Development of this project is anticipated to be completed during between August of 2015 and December 31 of 2016. The base tax year should be calculated on the value of the property as of January 1, 2016. Excess valuation should be available for this project for 15 years beginning in 2017 with taxes due in 2018. Excess valuation will be used to pay the TIF Indebtedness issued by the CRA per the contract between the CRA and the developer for a period not to exceed 15 years or an amount not to exceed \$272,788 the projected amount of increment based upon the anticipated value of the project and current tax rate. Based on the estimates of the expenses of the rehabilitation the developer will spend at least \$770,000 on TIF eligible activities. The CRA will reserve the right to issue additional debt for this project upon notification by the developer of sufficient expenses and valuation to support such debt in the form of a second or third bond issuance.

#### ARTICLE III

## OBLIGATIONS OF THE AUTHORITY

### Section 3.01 Division of Taxes.

In accordance with Section 18-2147 of the Act and the terms of the Resolution, the Authority hereby provides that any ad valorem tax on any Lot or Lots located in the Redevelopment Project Area for the benefit of any public body be divided for a period of fifteen years after the effective date (the "Effective Date"), as described in Section 18-2147 (1) of the Act, which Effective Date shall be the January 1, 2016. Said taxes shall be divided as follows:

(a) That portion of the ad valorem tax on the real estate located in the Redevelopment Project Area which is produced by levy at the rate fixed each year by or for each public body upon the "redevelopment project valuation" (as defined in the Act) of the Redevelopment Project Area shall be paid into the funds of each such public body in the same proportion as all other taxes collected by or for the bodies; and

(b) That portion of the ad valorem tax on real property in the Redevelopment Project Area in excess of such amount (the "Incremental Ad Valorem Tax"), if any, shall be allocated to, is pledged to, and, when collected, paid into a special fund of the Authority (designated in the Resolution as the "Note Fund") to pay the principal of, the interest on, and any premium due in connection with the Indebtedness. When such Indebtedness, including interest and premium due have been paid, the Authority shall so notify the County Assessor and County Treasurer and all ad valorem taxes upon real property in such Phase shall be paid into the funds of the respective public bodies.

### Section 3.02 Issuance of Indebtedness

The Authority shall authorize the issuance of the Indebtedness in the form and stated principal amount and bearing interest and being subject to such terms and conditions as are specified in the Resolution and this Redevelopment Contract; provided, at all times the maximum amount of the Indebtedness shall be limited to the lesser of (i) the stated face amount of the Indebtedness, or (ii) the sum of all Project Costs incurred by the Redeveloper as set forth on Exhibit D. No Indebtedness will be issued until Redeveloper has acquired fee title to the Redevelopment Project Property and become obligated for construction of the additions and improvements forming a part of the Project as described in the Plan.

Prior to December 15, 2015, the Authority shall issue one Tax Increment Development Revenue Note, in one taxable series, in a maximum principal amount of two hundred seventy two thousand seven hundred eighty eight and no/100 Dollars (\$272,788), in substantially the form shown on the attached Exhibit C ("TIF Note"), for net funds available to be purchased by Redeveloper ("TIF Note Purchaser"), in a written form acceptable to Authority's attorney, and receive Note proceeds from the TIF Note Purchaser in said amount. At the option of the Authority, the Authority shall make a grant to Redeveloper in such amount, and such grant shall offset TIF Note Purchaser's obligation to purchase the TIF Note. Subject to the terms of this Agreement and the Resolution, the Authority's Treasurer on behalf of the Authority shall have

the authority to determine the timing of issuing the Indebtedness and all the other necessary details of the Indebtedness.

The Redeveloper agrees to purchase the Indebtedness at a price equal to the principal amount thereof, in a private placement satisfactory to the Authority as to its terms and participants (including any pledgee thereof). Neither the Authority nor the City shall have any obligation to provide for the sale of the Indebtedness. It is the sole responsibility of the Redeveloper to effect the sale of the Indebtedness by purchasing the Indebtedness in accordance with the terms of this Redevelopment Contract and the Resolution. Redeveloper acknowledges that it is its understanding and the Authority's understanding that interest on the Indebtedness will be includable in gross income for federal income tax purposes and subject to Nebraska State income taxation.

### Section 3.03 Pledge of Revenues.

Under the terms of the Resolution, the Authority pledges 100% of the available annual TIF Revenues derived from the Redevelopment Project Property as security for and to provide payment of the Indebtedness as the same fall due (including payment of any mandatory redemption amounts set for the Indebtedness in accordance with the terms of the Resolution).

### Section 3.04 Purchase and Pledge of Indebtedness/Grant of Net Proceeds of Indebtedness.

The Redeveloper has agreed to purchase the Indebtedness from the Authority for a price equal to the principal amount thereof, payable as provided in Section 3.02 and this Section 3.04. The Redevelopment Plan provides for the Redeveloper to receive a grant under this Redevelopment Contract. In accordance with the terms of the Redevelopment Plan the Redeveloper is to receive a grant sufficient to pay the costs of site acquisition, demolition and rehabilitation expenditures, all improvements related to Project public infrastructure costs, site preparation costs, utility extensions and costs of the Authority for legal and plan preparation including those items described on Exhibit D (the "Project Costs"), in the aggregate maximum amount not to exceed \$272,788. Notwithstanding the foregoing, the aggregate amount of the Indebtedness and the grant shall not exceed the amount of Project Costs as certified pursuant to Section 4.02 of this Redevelopment Contract. Such grant shall be made to the Redeveloper upon certification of Project Costs as set forth herein and in the Resolution, and payment purchase of the Indebtedness as provided in Section 3.02, unless Redeveloper elects to offset the payment of the purchase of the Indebtedness with the grant proceeds as provided herein and in the Resolution. The Authority shall have no obligation to provide grant funds from any source other than as set forth in the Resolution and this Redevelopment Contract.

### Section 3.05 Creation of Funds.

In the Resolution, the Authority has provided for the creation of the following funds and accounts which funds shall be held by the Authority separate and apart from all other funds and moneys of the Authority and the City:

(a) a special trust fund called the “T&S Land Redevelopment Project Note Fund” (the “Note Fund”). All of the TIF Revenues shall be deposited into the Note Fund. The TIF Revenues accumulated in the Note Fund shall be used and applied on the Business Day prior to each Interest Payment Date (i) to make any payments to the City or the Authority as may be required under the Redevelopment Contract and (ii) to pay principal of or interest on the Note to the extent of any money then remaining the Note Fund on such Interest Payment Date. Money in the Note Fund shall be used solely for the purposes described herein and in the Resolution. All Revenues received through and including December 31, 2030 shall be used solely for the payments required herein and by the Resolution; and

(b) a special trust fund called the “T&S Land Redevelopment Project Fund” (the “Project Fund”) The Authority shall disburse any money on deposit in the Project Fund from time to time to pay or as reimbursement for payment made for the Project Costs in each case within 5 Business Days after completion of the steps set forth herein and in the Resolution. If a sufficient amount to pay a properly completed Disbursement Request (as defined in Section 4.02) is not in the Project Fund at the time of the receipt by the Authority of such request, the Authority shall notify the owner of the Note and such owner may deposit an amount sufficient to pay such request with the Authority for such payment. As set forth in the Resolution, if the Redeveloper is the owner of the Note and the Redeveloper so elects, the Authority shall make a grant to Redeveloper in the amount of an approved Disbursement Request; in such event, the approved Disbursement Request amount shall offset funding of the Note.

## ARTICLE IV

### OBLIGATIONS OF REDEVELOPER

#### Section 4.01 Construction of Project; Note; Insurance.

(a) Redeveloper will acquire the Project, demolish and rehabilitate structures on the site, prepare the site for redevelopment, install all required utilities and improvements in the public right-of-way in accordance with the plans and specifications provided to the Authority. Redeveloper will coordinate with the City for the City’s design and construction required for the installation of all public infrastructure improvements and right-of-way improvements. The Redeveloper shall provide and pay for infrastructure installation.

Redeveloper shall pay for the costs of site acquisition, site preparation, demolition and rehabilitation, utility extension, public infrastructure and costs of the Authority as set forth on Exhibit D, from the grant provided in Section 3.04 hereof. Redeveloper shall be solely responsible for obtaining all permits and approvals necessary to acquire, construct and equip the

Project. Until construction of the Project has been completed, Redeveloper shall make reports in such detail and at such times as may be reasonably requested by the Authority as to the actual progress of Redeveloper with respect to construction of the Project. Such reports shall include actual expenditures incurred as described on Exhibit D.

(b) Any general contractor chosen by the Redeveloper shall be required to obtain and keep in force at all times until completion of construction, policies of insurance including coverage for contractors' general liability and completed operations and a penal bond as required by the Act or as is otherwise required by law. The City, the Authority and the Redeveloper shall be named as additional insureds. Any contractor chosen by the Redeveloper or the Redeveloper itself, as owner, shall be required to purchase and maintain property insurance upon the Project to the full insurable value thereof. This insurance shall insure against the perils of fire and extended coverage and shall include 'All Risk' insurance for physical loss or damage. The contractor with respect to any specific contract or the Redeveloper shall also carry insurance on all stored materials. The contractor or the Redeveloper, as the case may be, shall furnish the Authority and the City with a Certificate of Insurance evidencing policies as required above. Such certificates shall state that the insurance companies shall give the Authority prior written notice in the event of cancellation of or material change in any of any of the policies.

(c) Notwithstanding any provision herein to the contrary, in the event Redeveloper has not acquired fee simple title to the Redevelopment Project Area on or before December 1, 2015, this Redevelopment Contract shall be null and void and of no force or effect effective as of the date of execution hereof, and neither party shall have any liability or obligation to the other party with respect hereto.

(d) The Redeveloper shall provide a payment and performance bond from a bond company doing business in the state of Nebraska in the total amount of all Redevelopment Project Costs or such other amount as shall be approved by the Authority. The City and Authority shall be named as beneficiaries under such bond.

#### Section 4.02 Cost Certification & Disbursement of Note Proceeds.

Proceeds of the Note may be advanced and disbursed in the manner set forth below:

(a) There shall be submitted to the Authority a grant disbursement request (the "Disbursement Request"), executed by the Director of the City's Planning Department and an authorized representative of the Redeveloper, (i) certifying that a portion of the Project has been substantially completed and (ii) certifying the actual costs incurred by the Redeveloper in the completion of such portion of the Project.

(b) If the costs requested for reimbursement under the Disbursement Request are currently reimbursable under Exhibit D of this Redevelopment Contract and the Community Redevelopment Law, the Authority shall evidence such allocation in writing and inform the owner of the Note of any amounts allocated to the Note.

(c) Upon notification from the Authority as described in Section 4.02(b), deposits to the accounts in the Project Fund may be made from time to time from funds received by the Authority from the owner of the Note (if other than the Redeveloper) in the amounts necessary to pay amounts requested in properly completed, signed and approved written Disbursement Requests as described herein. Such amounts shall be proceeds of the Note and the Treasurer of the Authority shall inform the Registrar (as defined in the Note Resolution) in writing of the date and amount of such deposits. At the option of the Redeveloper, if the Redeveloper is the owner of the Note, the Authority shall make a grant to Redeveloper in the amount of the approved Disbursement Request; in such event, the approved Disbursement Request amount shall offset funding of the Note. The Registrar shall keep and maintain a record of the amounts deposited into the Project Fund from Note proceeds pursuant to the terms of this Resolution as "Principal Amount Advanced" and shall enter the aggregate principal amount then Outstanding as the "Cumulative Outstanding Principal Amount" on its records maintained for the Note. The aggregate amount deposited into the Project Fund from proceeds of the Note shall not exceed \$272,788.

#### Section 4.03 No Discrimination.

Redeveloper agrees and covenants for itself its successors and assigns that it will not discriminate against any person or group of persons on account of race, sex, color, religion, national origin, ancestry, disability, marital status or receipt of public assistance in connection with the Project. Redeveloper, for itself and its successors and assigns, agrees that during the construction of the Project, Redeveloper will not discriminate against any employee or applicant for employment because of race, religion, sex, color, national origin, ancestry, disability, marital status or receipt of public assistance. Redeveloper will comply with all applicable federal, state and local laws related to the Project.

#### Section 4.04 Assignment or Conveyance.

This Redevelopment Contract shall not be assigned by the Redeveloper without the written consent of the Authority. Such consent shall not be unreasonably withheld. Redeveloper agrees that it shall not convey any Lot or any portion thereof or any structures thereon to any person or entity that would be exempt from payment of real estate taxes, and that it will not make application for any structure, or any portion thereof, to be taxed separately from the underlying land of any Lot.

#### Section 4.50 Payment of Authority Costs.

Redeveloper shall pay to the Authority the following sums upon execution hereof:

- a. \$5000.00 for legal expenses of Authority
- b. \$1000.00 for City administrative accounting of incremental tax payments.
- c. \$600.00 for Authority administrative fees.

**ARTICLE V**  
**FINANCING REDEVELOPMENT PROJECT; ENCUMBRANCES**

Section 5.01 Financing

Redeveloper shall pay all costs related to the redevelopment of the Redevelopment Project Area and the Redevelopment Project Property which are in excess of the amounts paid from the proceeds of the grant provided from the proceeds of the Indebtedness and granted to Redeveloper. Redeveloper shall timely pay all costs, expenses, fees, charges and other amounts associated with the Project.

**ARTICLE VI**  
**DEFAULT, REMEDIES; INDEMNIFICATION**

Section 6.01 General Remedies of Authority and Redeveloper.

Subject to the further provisions of this Article VI, in the event of any failure to perform or breach of this Redevelopment Contract or any of its terms or conditions, by any party hereto or any successor to such party, such party, or successor, shall, upon written notice from the other, proceed immediately to commence such actions as may be reasonably designed to cure or remedy such failure to perform or breach which cure or remedy shall be accomplished within a reasonable time by the diligent pursuit of corrective action. In case such action is not taken, or diligently pursued, or the failure to perform or breach shall not be cured or remedied within a reasonable time, this Redevelopment Contract shall be in default and the aggrieved party may institute such proceedings as may be necessary or desirable to enforce its rights under this Redevelopment Contract, including, but not limited to, proceedings to compel specific performance by the party failing to perform or in breach of its obligations. The Redeveloper hereby acknowledges and agrees that the Authority shall have completed its required performances and satisfied all of its obligations under this Redevelopment Contract upon the issuance of the Indebtedness and the subsequent payment of grant amounts to the Redeveloper as set forth in Article III hereof and by complying with the obligations of all Redevelopment Contract Amendments.

Section 6.02 Additional Remedies of Authority

In the event that (each such event an "event of default"):

(a) the Redeveloper, or its successor in interest, shall fail to commence the construction of the improvements included in the Project Costs on or before December 1, 2015, or shall abandon construction work related to the Project Costs, once commenced, for any period of 180 days, excepting delays caused by inclement weather,

(b) the Redeveloper, shall fail to pay real estate taxes or assessments on the Redevelopment Project Property owned by the Redeveloper or any part thereof when due; and

(c) there is a violation of any other provision of this Redevelopment Contract, and such failure or action by the Redeveloper has not been cured within 90 days following written notice from Authority, then the Redeveloper shall be in default of this Redevelopment Contract.

In the event of such failure to perform, breach or default occurs and is not cured in the period herein provided, the parties agree that the damages caused to the Authority would be difficult to determine with certainty and that a reasonable estimation of the amount of damages that could be incurred is the amount of the grant to Redeveloper pursuant to Section 3.04 of this Redevelopment Contract, less any reductions in the principal amount of the Indebtedness, plus interest on such amounts as provided herein (the "**Liquidated Damages Amount**"). Upon the occurrence of an event of default, the Liquidated Damages Amount shall be paid by Redeveloper to Authority within 30 days of demand from Authority given to the Redeveloper.

Interest shall accrue on the Liquidated Damages Amount at the rate of three percent (3%) per annum and interest shall commence from the date that the Authority gives notice to the Redeveloper demanding payment.

Payment of the Liquidated Damages Amount shall not relieve Redeveloper of its obligation to pay real estate taxes or assessments with respect to the Redevelopment Project Property and the Project.

Redeveloper, on or before contracting for work included within the Project Costs, shall furnish to the Authority copies of labor and materials payment bonds and performance bonds for each contract entered into by Redeveloper related to Project Costs. Each such bond shall show the Authority and the City as well as the Redeveloper as beneficiary of any such bond, as and to the extent commercially obtainable (as determined in the discretion of the Authority). In addition, the Redeveloper shall provide a penal bond with good and sufficient surety to be approved by the Authority, conditioned that the Redeveloper shall at all times promptly make payments of all amounts lawfully due to all persons supplying or furnishing to any contractor or his or her subcontractors (for each contract entered into by Redeveloper related to Project Costs) with labor or materials performed or used in the prosecution of the work provided for in such contract, and will indemnify and save harmless the Authority to the extent of any payments in connection with the carrying out of such contracts which the Authority may be required to make under the law.

#### Section 6.03 Remedies in the Event of Other Redeveloper Defaults.

In the event the Redeveloper fails to perform any other provisions of this Redevelopment Contract (other than those specific provisions contained in Section 6.02), the Redeveloper shall be in default. In such an instance, the Authority may seek to enforce the terms of this Redevelopment Contract or exercise any other remedies that may be provided in this

Redevelopment Contract or by applicable law; provided, however, that any defaults covered by this Section shall not give rise to a right or rescission on termination of this Redevelopment Contract, and shall not be covered by the Liquidated Damages Amount.

#### Section 6.04 Forced Delay Beyond Party's Control.

For the purposes of any of the provisions of this Redevelopment Contract, neither the Authority nor the Redeveloper, as the case may be, nor any successor in interest, shall be considered in breach of or default in its obligations with respect to the conveyance or preparation of the Redevelopment Area or any part thereof for redevelopment, or the beginning and completion of construction of the Project, or progress in respect thereto, in the event of forced delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not restricted to, acts of God, or of the public enemy, acts of the Government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather or delays in subcontractors due to such causes; it being the purpose and intent of this provision that in the event of the occurrence of any such forced delay, the time or times for performance of the obligations of the Authority or of the Redeveloper with respect to construction of the Project, as the case may be, shall be extended for the period of the forced delay: Provided, that the party seeking the benefit of the provisions of this section shall, within thirty (30) days after the beginning of any such forced delay, have first notified the other party thereto in writing, and of the cause or causes thereof and requested an extension for the period of the forced delay.

#### Section 6.05 Limitations of Liability; Indemnification.

Notwithstanding anything in this Article VI or this Redevelopment Contract to the contrary, neither the City, the Authority, nor their respective elected officials, officers, directors, appointed officials, employees, attorneys, agents nor their governing bodies shall have any pecuniary obligation or monetary liability under this Redevelopment Contract. The sole obligation of the Authority under this Redevelopment Contract shall be the issuance of the Indebtedness and granting of a portion of the proceeds thereof to Redeveloper, and full compliance with the terms specifically set forth Article III hereof and payment of TIF Revenues pledged pursuant to the Resolution. The Redeveloper releases the City and Authority from, agrees that neither the City nor Authority shall be liable for, and agrees to indemnify and hold the City and Authority harmless from any liability for any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Project.

The Redeveloper will indemnify and hold each of the City and Authority and their respective elected officials, directors, officers, appointed officials, attorneys, agents, employees and members of their governing bodies free and harmless from any loss, claim, damage, demand, tax, penalty, liability, disbursement, expense, excluding litigation expenses, attorneys' fees and expenses, or court costs arising out of any damage or injury, actual or claimed, of whatsoever kind or character, to property (including loss of use thereof) or persons, occurring or allegedly occurring in, on or about that portion of the Project owned by the Redeveloper, during the term of this Redevelopment Contract or arising out of any action or inaction of Redeveloper, related to

activities of the Redeveloper or its agents during the construction of the public infrastructure or public right of ways in the Project.

**THE PRINCIPAL AMOUNT OF THIS NOTE IS SET FORTH IN SCHEDULE 1 ATTACHED HERETO. THE MAXIMUM PRINCIPAL AMOUNT OF THIS NOTE IS \$272,788.**

This Note is a special limited obligation of the Authority payable as to principal and interest solely from and is secured solely by the Revenue (as defined in the Resolution) and certain other money, funds and securities pledged under the Resolution, all on the terms and conditions set forth in the Resolution. The Revenue represents that portion of ad valorem taxes levied by public bodies of the State of Nebraska, including the City, on real property in the Project Area (as defined in this Resolution) which is in excess of that portion of such ad valorem taxes produced by the levy at the rate fixed each year by or for each such public body upon the valuation of the Project Area as of a certain date and as has been certified by the County Assessor of Hall County, Nebraska to the City in accordance with law.

Reference is hereby made to the Resolution for the provisions, among others, with respect to the collection and disposition of certain tax and other revenues, the special funds charged with and pledged to the payment of the principal of and interest on this Note, the nature and extent of

the security thereby created, the terms and conditions under which this Note has been issued, the rights and remedies of the Registered Owner of this Note, and the rights, duties, immunities and obligations of the City and the Authority. By the acceptance of this Note, the Registered Owner assents to all of the provisions of the Resolution.

The principal of and interest hereon shall not be payable from the general funds of the City nor the Authority nor shall this Note constitute a legal or equitable pledge, charge, lien, security interest or encumbrance upon any of the property or upon any of the income, receipts, or money and securities of the City or the Authority or of any other party other than those specifically pledged under the Resolution. This Note is not a debt of the City or the Authority within the meaning of any constitutional, statutory or charter limitation upon the creation of general obligation indebtedness of the City or the Authority, and does not impose any general liability upon the City or the Authority and neither the City nor the Authority shall be liable for the payment hereof out of any funds of the City or the Authority other than the Revenues and other funds pledged under the Resolution, which Revenues and other funds have been and hereby are pledged to the punctual payment of the principal of and interest on this Note in accordance with the provisions of this Resolution.

The Registered Owner may from time to time enter the respective amounts advanced pursuant to the terms of the Resolution under the column headed "Principal Amount Advanced" on **Schedule 1** hereto (the "**Table**") and may enter the aggregate principal amount of this Note then outstanding under the column headed "Cumulative Outstanding Principal Amount" on the Table. On each date upon which a portion of the Cumulative Outstanding Principal Amount is paid to the Registered Owner pursuant to the redemption provisions of the Resolution, the Registered Owner may enter the principal amount paid on this Note under the column headed "Principal Amount Redeemed" on the Table and may enter the then outstanding principal amount of this Note under the column headed "Cumulative Outstanding Principal Amount" on the Table. Notwithstanding the foregoing, the records maintained by the Trustee as to the principal amount issued and principal amounts paid on this Note shall be the official records of the Cumulative Outstanding Principal Amount of this Note for all purposes.

Reference is hereby made to the Resolution, a copy of which is on file in the office of the City Clerk, and to all of the provisions of which each Owner of this Note by its acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for this Note; the Revenue and other money and securities pledged to the payment of the principal of and interest on this Note; the nature and extent and manner of enforcement of the pledge; the conditions upon which the Resolution may be amended or supplemented with or without the consent of the Owner of this Note; the rights, duties and obligations of the Authority and the Registrar thereunder; the terms and provisions upon which the liens, pledges, charges, trusts and covenants made therein may be discharged at or prior to the maturity or redemption of this Note, and this Note thereafter no longer be secured by the Resolution or be deemed to be outstanding thereunder, if money or certain specified securities shall have been deposited with the Registrar sufficient and held in trust solely for the payment hereof; and for the other terms and provisions thereof.

This Note is subject to redemption prior to maturity, at the option of the Authority, in

whole or in part at any time at a redemption price equal to 100% of the principal amount being redeemed, plus accrued interest on such principal amount to the date fixed for redemption. Reference is hereby made to the Resolution for a description of the redemption procedures and the notice requirements pertaining thereto.

In the event this Note is called for prior redemption, notice of such redemption shall be given by first-class mail to the Registered Owner hereof at its address as shown on the registration books maintained by the Registrar not less than 10 days prior to the date fixed for redemption, unless waived by the Registered Owner hereof. If this Note, or any portion thereof, shall have been duly called for redemption and notice of such redemption duly given as provided, then upon such redemption date the portion of this Note so redeemed shall become due and payable and if money for the payment of the portion of the Note so redeemed and the accrued interest thereon to the date fixed for redemption shall be held for the purpose of such payment by the Registrar, interest shall cease to accrue and become payable hereon from and after the redemption date.

This Note is transferable by the Registered Owner hereof in person or by its attorney or legal representative duly authorized in writing at the principal office of the Registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this Note. Upon such transfer, a new Note of the same series and maturity and for the same principal amount will be issued to the transferee in exchange therefor. The Authority and the Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal of and interest due hereon and for all other purposes.

This Note is being issued as fully a registered Note without coupons. This Note is subject to exchange as provided in the Resolution.
