Council Agenda Memo

From: Steven P. Riehle, Public Works Director
Meeting: March 9, 2010
Subject: Approving Bid Award for Hot-Mix Asphalt for 2010
Item #'s: G-5
Presenter(s): Steven P. Riehle, Public Works Director

Background

On February 12, 2010 the Streets Division of the Public Works Department advertised for bids for the purchase of hot-mix asphalt to be used in conjunction with in-house asphalt work throughout the calendar year 2010. The hot-mix asphalt is used by the City's asphalt patching crew.

Discussion

Two (2) bids were received and opened on March 2, 2009. Each bid was submitted in compliance with the contract, plans, and specifications with no exceptions. A summary of the bids is shown below.

Vendor	Exceptions	Unit Prices
Gary Smith Construction Co., Inc. of Grand Island, NE	None	Type "A" - \$46.35/ton Type "B" - \$44.56/ton Type "C" - \$46.95/ton SuperPave - No Bid
J.I.L. Asphalt Paving Co. of Grand Island, NE	None	Type "A" - \$50.00/ton Type "B" - \$46.00/ton Type "C" - \$49.00/ton SuperPave - \$51.00/ton

The type of asphalt we get each day from the plant will be the type they are making for that particular day. Averaging all three types of asphalt bid at \$45.96 and an estimated amount of asphalt to be used of 1,600 tons that equates to an estimated total cost of \$73,536.00.

Type "A", Type "B" and Type "C" are the primary asphalt types used by the Street Division. The SuperPave hot-mix asphalt that was not bid by Gary Smith Construction Co. is not a patching mix and is not needed.

There are sufficient funds in Account No. 10033503-85547 to purchase this material.
