Council Agenda Memo

From: Gary R. Mader, Utilities Director

Meeting: September 28, 2010

Subject: Certificate of Final Completion
Water Main Project 2010-W-1
Poplar Street, 9th Street to 12th Street

Item #'s: G-10

Presenter(s): Gary R. Mader, Utilities Director

Background

The Community Redevelopment Authority and the City entered into an agreement for the installation of an 8" water main and service connections along Poplar Street between 9th Street and 12th Street. The project was initiated to help encourage development in the area.

The Diamond Engineering Company was awarded the contract for Project 2010-W-1 for construction of the referenced work. All piping and related infrastructure has been installed and has been successfully tested. The project has been placed in service and provided municipal service for seven new buildable lots. Currently the Habitat for Humanity organization is constructing four single family homes adjacent to the project.

Discussion

The work on the project is complete. Attached is the Certificate of Final Completion and it is recommended the project be accepted by the City of Grand Island.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date

4. Take no action on the issue

Recommendation

City Administration recommends that the Council accept the Certificate of Final Completion for Water Main Project 2010-W-1, Poplar Street from 9th Street to 12 Street.

Sample Motion

Move to approve the Certificate of Final Completion for Water Main Project 2010-W-1.
