Subject: An Ordinance to Annex Right-of-Way along a Portion of South Locust Street between the Grand Island City Limits and the Northernmost Terminus of the Exit Ramps to the Interstate 80 Interchange (County of Hall, Nebraska)

Item #'s: F-1

Presenter(s): Chad Nabity, Regional Planning Director

Background

An April 6, 1992 inter-local agreement between the City of Grand Island, Hall County, the Nebraska Department of Roads and the Federal Highway Administration detailed obligations of the State, County and City regarding the construction of a new Locust Street I-80 Interchange and upgrading Locust Street to a 4-lane roadway. The agreement provided that upon completion of Hall County's improvements and construction obligations, the County shall transfer to the City of Grand Island that portion of South Locust Street between the Grand Island City limits and the northernmost terminus of the exit ramps at the Interstate 80 interchange. The agreement provides that the City will accept the rights and obligations to the road including operation and maintenance.

The City of Grand Island, as the owner of the property, passed resolution #2011-13 on January 11, 2011 requesting annexation of the property and directing staff to prepare an ordinance for annexation. This ordinance was passed on first reading on January 25, 2011 and on second reading on February 8, 2011.

Discussion

Staff has prepared an ordinance in accordance with the requirements of Nebraska Revised Statute §16-117. Annexation ordinances must be read on three separate occasions. This is the third reading of the ordinance. This ordinance includes exhibits showing the property to be considered for annexation and the legal descriptions of those properties.

City staff is not suggesting extension of the zoning jurisdiction as a result of this annexation. Council could request that planning commission consider extension of the zoning jurisdiction. Changes to the zoning jurisdiction cannot be made without a recommendation from the Regional Planning Commission.

No utilities are necessary to support the property included in this annexation.

The City is already responsible for the maintenance of the roads contained in this annexation whether they are in the municipal limits or not.

No new residences or businesses would be added to the City as a result of this annexation.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council pass the annexation ordinance.

Sample Motion

Motion to approve the annexation ordinance on third reading.
