Staff Contact: Captain Pete Kortum

# **Council Agenda Memo**

From:	Captain Pete Kortum
Meeting:	February 22, 2011
Subject:	El Diamante Liquor License Renewal
Item #'s:	I-1
Presenter(s):	Captain Pete Kortum

# **Background**

Liquor licenses are generally automatically renewed each year for licensees within the State of Nebraska. However, local governing bodies may request the Nebraska Liquor Commission to have a licensee submit a full application (commonly referred to as a long form). The police department is asking Council to make this request to the Nebraska Liquor Commission.

El Diamante's owner, Rafael Orozco, has been licensed as a Class I since March 22, 2005. Since that time the police department has found several violations of our local ordinances and state regulations. Many of these incidents involve minors who have consumed alcohol. According to the Nebraska Liquor Commission's public web site, the El Diamante has had their license suspended for a total of 32 days in 2008 (fine paid).

According to the Nebraska Liquor Control Commission public web site, Rafael Orozco is the registered agent for a liquor license issued to Rafa's Tacos, 811 West 2<sup>nd</sup>, Grand Island. This business has been suspended for 56 days in 2005.

Certain portions of City Code do NOT apply if the business "derives its principal business from the sale of services or commodities other than alcoholic liquor." This has not been the case, however. On many occasions Mr. Orozco has told officers that he is not in violation since he serves food. While discussing the upcoming renewal process, Mr. Orozco informed Sergeant Dave Vitera that the El Diamante is contemplating a change to become primarily a restaurant. Also, an attorney representing Mr. Orozco informed the City's legal department that the El Diamante plans to become primarily a restaurant. In our view, this information supports the police department's past enforcement of City Code regarding unattended minors in the bar and non employees in the bar after closing.

The Grand Island Police Department's liquor license investigation is provided. The discussion will detail past violations.

# **Discussion**

The El Diamante is usually open only on weekend dates. The number of violations is high when considered against a seven day a week business. Within the past 12 months, our department has issued (7) seven citations or made referrals for various violations. Past instances include:

**January 15, 2006 at 12:00 A.M.** Officers responded to El Diamante regarding a possible assault. Club security pointed out an individual who had been caught drinking twice. The individual was cited for Minor in Consumption of Alcohol. The minor said he had been in the bar drinking for a couple of hours.

**February 26, 2006 at 12:59 A.M**. The emergency center received a call about a physical fight at the El Diamante. An intoxicated 19 year old reported she was assaulted inside the club. The minor reported that various persons inside provided her with alcohol. The minor was cited for Minor in Consumption of Alcohol. Mr. Orozco was cited under City Code 4-20 for allowing an unattended minor in the bar after 9:00 P.M. Mr. Orozco claimed the minors could be in his club since he served food.

**March 11, 2006 at 11:37 P.M**. officer performed a routine bar check. Officers contacted a 17 year old who was not with his parent or legal guardian. Mr. Orozco was cited for City Code 4-20. Orozco said he was under the impression the juvenile was there with his parents.

**April 9, 2006 at 12:44 A.M.** Officers responded to a noise complaint. Officers found three individuals standing in club entrance. As the persons left, officers contacted them outside. One subject was jailed for Minor in Consumption of Alcohol. A second minor was referred for a probation violation for consuming alcohol. The parties denied drinking inside the El Diamante.

**September 17, 2006 at 12:51 A.M.** Officers responded to El Diamante on a report of an assault. Officers found the victim bleeding after being struck with a beer bottle. Two individuals were arrested for felony assault. Two minors were arrested for misdemeanor assault and Minor in Consumption of Alcohol.

**September 23, 2006 at 11:19 P.M.** Officers from Grand Island Police and the Hall County Sheriff's Department performed a compliance check at El Diamante. Three minors were cited for Minor in Possession. Two of the three did not have any identification. One individual was removed after officers documented evidence of service to an intoxicated person. Also, three minors ages 17, 16, and 12 were removed who were not accompanied by parents or guardians.

**June 10, 2007 at 1:20 A.M.** Officers responded to the El Diamante on a report of a loud vehicle. Two subjects were in the lot yelling and were in possession of alcohol. One was a minor and was arrested for Minor in Possession of Alcohol.

**December 2, 2007 at 12:11 A.M.** Officers arrived at El Diamante on a report of loud music. Upon arrival the officer found security personnel breaking up a fight in a restroom. The officers jailed one of the participants for Minor in Consumption and Prohibited Acts for a false I.D. card.

**April 6, 2008 at 1:56 A.M.** Officers responded to an anonymous tip that persons were still drinking inside the bar after hours. Officers arrived to find 10-15 parked vehicles and other vehicles entering and leaving the lot. In addition, a person tried to enter the club but the doors were locked.

Officer contacted an employee identifying themselves as officer requesting admittance. After five minutes, the officers were allowed entry. When asked why he didn't let the officers in, the employee said he was new and wanted to get permission from Mr. Orozco.

Officers discovered about 28 customers and two employees. Mr. Orozco said he was only serving food. The incident was referred to the Nebraska Liquor Commission.

**June 6, 2008 at 9:15 P.M.** A compliance check was made at the El Diamante. Deputies reported two C.I.'s were sent in to attempt a purchase of alcohol. It was reported that Mr. Orozco sold to the minors. He was cited for two counts of selling to minors. Orozco denied selling to the minors.

**November 6, 2009 at 10:50 P.M.** Officers conducted a bar check and discovered approximately 22 unattended minors. Officers found that alcohol was still being served. Employees claimed the minors were there for a fundraiser and were brought by parents, although officers determined they were unaccompanied at this time. The juveniles were removed.

March 13, 2010 at 12:00 A.M. officer conducted a bar check. Officers observed an individual running from the El Diamante parking lot. The individual was jailed for Minor in Consumption of Alcohol. The individual denied being in the bar but was wearing a wrist band given by the El Diamante to those 21 years and older. He later admitted he was given the wrist band by security and he may have been drinking in the bar, but other people bought for him.

September 12, 2010 at 1:25 A.M. Officers performed an afterhour's bar check. The front door was locked and officers entered through the back door. Officers observed an individual drinking one beer and having a bucket of additional unopened beer in front of him. Orozco was cited for the sale and dispensing of alcohol after hours. Orozco said the person must have been hiding the beer from him.

October 24, 2010 at 1:35 A.M. officers entered the El Diamante and discovered alcoholic beverages in front of several patrons. Mr. Orozco was cited for the offense.

**December 5, 2010 at 12:04 A.M.** Officers conducted a bar check. Two individuals were found under age and unaccompanied by parent or guardian. There was no evidence of alcohol, and they left. While officers were there, four individuals that officers described as obviously underage entered without being checked. Officers referred Orozco for violation of City Code 4-20.

**December 5, 2010 at 1:37 A.M.** Officers observed persons leaving the bar. Officers made entry and found patrons inside the bar eating. Mr. Orozco was referred for City Code 4-23. Unlawful Presence.

**December 19, 2010 at 1:26 A.M.** Officers discovered numerous people who were not employees inside the bar. Mr. Orozco was referred for violation of City Code 423 Unlawful Presence.

**January 15, 2011 at 1:25 A.M.** Officers observed approximately 20 people inside the bar after 1:25 A.M. Officers contacted several persons who identified themselves as minors and admitted they were not accompanied by parent or guardian. A situation arose where an officer had to tend to a potentially dangerous person, and the minors left without officers able to complete the documentation. Mr. Orozco was referred for violation of

Section 4-23.

**On December 12, 2010,** a shooting took place on the El Diamante premises. The El Diamante rented a room within the building but not connected to the main bar area. Officers found evidence of alcohol inside and outside of the rented room. Most attendees were minors. Officers did not find any employees of the El Diamante supervising the room or other grounds covered by the liquor license. The shooting remains under investigation.

The pattern of violations demonstrates non-compliance to City Code and rules of the Nebraska Liquor Commission. The El Diamante presents potential danger for minors within the community and disruption to the neighborhood.

The police department supports a request to the Nebraska Liquor Commission requiring a new application from El Diamante.

# **Alternatives**

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve

- 2. Refer the issue to a Committee
- 3. Postpone the issue to future date
- 4. Take no action on the issue

## **Recommendation**

City Administration recommends that the Council pass a resolution that a written request be sent to the Nebraska Liquor Control Commission that the owner of El Diamante make application for a new license.

# **Sample Motion**

Move to approve a resolution whereby the City of Grand Island makes a written request to the Nebraska Liquor Control Commission that requires the owner of El Diamante to make application for a new license.

Grand Island Police Department Supplemental Report

Date, Time: Fri Dec 31 13:25:47 CST 2010 Reporting Officer: Vitera Unit- CID

El Diamante Night Club is having its fair share of problems in adhering to the Nebraska Liquor Control Act. Consequently, the Grand Island Police Department is spending an inordinate amount of time at the club even though it's only open on weekends. The GIPD is asking the council to send a letter to the Nebraska Liquor Control Commission (NLCC) requesting that they require El Diamante to fill out a new application.

According to the NLCC's web site, El Diamante received their liquor license on 03/22/05. Since then, their license has been suspended for a total of 32 days. The following is a list of calls to the club accompanied by a brief description of the complaint, investigation, and outcome.

From reviewing all of the calls, it appears that the El Diamante is failing to adhere to the rules and regulations of the Nebraska Liquor Control Act. Their liquor license will soon be up for automatic renewal (expires on 4/30/11). Nebraska State Statute 53-135 states in part that, "The commission may at any time require a licensee to submit an application, and the commission shall at any time require a licensee to submit an application if requested in writing to do so by the local governing body." The Grand Island Police Department is requesting that the city council vote to draft a letter to the NLCC requesting them to have El Diamante fill out a new application.

Nebraska State Statute 53-132 states that a "retail license...may be issued to any qualified applicant if the commission finds that (a) the applicant is fit, willing, and able to properly provide the service proposed within the city... where the premises described in the application are located, (b) the applicant can conform to all provisions and requirements of and rules and regulations adopted pursuant to the Nebraska Liquor Control Act, (c) the applicant has demonstrated that the type of management and control to be exercised over the premises described in the application will be sufficient to insure that the licensed business can conform to all provisions and requirements of and rules and regulations adopted pursuant to the act, and (d) the issuance of the license is or will be required by the present or future public convenience and necessity.

The Grand Island Police Department feels that El Diamante has failed to uphold the requirements of 53-132 sections a-d as supported by the list of calls for service. Numerous violations of the Nebraska Liquor Control Act have been documented and repeated over and over again. For example, they are continually

staying open for business after 0115 hours under the guise of being a restaurant. They frequently have unaccompanied minors inside the bar after 9:00 PM, and instances have been documented where the owner or his employees will not let law enforcement into the establishment in a timely manner.

The following information was taken directly from the NLCC Rules and Regulations Chapter 6 (Licensee Operations) "Illegal Conduct: All Licensees-019.01Q Other Illegal Activities: The Commission finds that certain illegal activities may induce individuals to enter licensed premises and that the Commission has an interest in insuring that licensees do not use illegal means to promote the sale and consumption of alcohol. The Commission also believes the consumption of alcohol could impair judgement and could lessen inhibitions, causing some consumers to engage in illegal activities or to be victims of illegal activities on or about licensed premises, endangering the health, safety and welfare of individuals. The Commission, therefore, finds there is a nexus between the consumption of alcohol and certain illegal activities that occur within licensed premises or in adjacent related outdoor areas.

Such activities are: drug-related offenses, prostitution or pandering, assaults, sexual assaults, homicide, gambling, vandalism, weapons-related offenses, theft, disturbing the peace, violations of statutes or local ordinances relating to entertainment, acceptance of food stamps for the sale of alcohol or otherwise in violation of federal laws or regulations, and any offense referred to in Section 53-125 (4) or (5), whether or not there has been a plea of guilty or a conviction in criminal court.

Once again, the GIPD feels that the documented list of calls to El Diamante illustrates the disregard by the owner for the nexus of alcohol consumption and illegal activities in and around a licensed premises that is spelled out above in 019.01Q. El Diamante should not be allowed to go through the automatic renewal process. The GIPD urges the council to vote to draft a letter to the NLCC requesting them to require El Diamante to fill out a new application.

In the event law enforcement and/or medical personnel are summoned, the directions and/or orders given by such law enforcement or medical personnel shall be followed.

**019.01F4**A licensee who has conformed with the procedure as set forth in this section shall be deemed to have not permitted a disturbance to occur and continue.

**019.01G** Entry Into Premise by Law Enforcement Officer: No licensee or partner, principal, agent or employee of any licensee shall refuse to permit or unreasonably delay in permitting any law enforcement officers, duly appointed investigator, inspector, agent or auditor of the Nebraska Liquor Control Commission entry onto the licensed premises at any time demand for such entry is made by such law enforcement officer, investigator, inspector, agent or auditor of the Nebraska Liquor Control Commission.

licensed premises. (53-148) The warning to minors and adults sign and the pregnancy poster must also be on display in a prominent place. (53-180.04 and 53-103.04)

**019.01P** No retail licensee may deliver alcoholic liquor to a consumer, except:

**019.01P1** A holder of a special designated license or a caterer's license used in conjunction with a special designated license may deliver to the licensed location or to a location expressly authorized by the Commission in writing pursuant to Chapter 4 of the Rules and Regulations of the Commission.

**019.01P2** A retail licensee may deliver or cause to be delivered by it's agent to a consumer alcoholic beverages provided that the consumer has paid the licensee for the alcoholic liquors prior to delivery by cash, credit or debit card, and that the licensee has verified that the sale has not been made to a minor, nor that delivery will be made to a minor.

**019.01P3** The retail licensee is responsible for any violations of the Nebraska Liquor Control Act and/or the Rules and Regulations of the Nebraska Liquor Control Commission which occur as a result of the delivery of alcoholic liquors, including, but not limited to, sales to minors.

**019.01P4** The driver for the agent must be 21 years of age.

**019.01Q** Illegal Activities: The Commission finds that certain illegal activities may induce individuals to enter licensed premises and that the Commission has an interest in insuring that licensees do not use illegal means to promote the sale and consumption of alcohol. The Commission also believes the consumption of alcohol could impair judgment and could lessen inhibitions, causing some consumers to engage in illegal activities or to be victims of illegal activities on or about licensed premises, endangering the health, safety and welfare of individuals. The Commission, therefore, finds there is a nexus between the consumption of alcohol and certain illegal activities that occur within licensed premises or in adjacent related outdoor areas.

NEBRASKA LIQUOR CONTROL COMMISSION RULES AND REGULATIONS

**TERESTICATION CONTRACTOR CONTRACTOR** 

Such activities are: drug-related offenses, prostitution or pandering, assaults, sexual assaults, homicide, gambling, vandalism, weapons-related offenses, theft, disturbing the peace, violations of statutes or local ordinances relating to entertainment, acceptance of food stamps for the sale of alcohol or otherwise in violation of federal laws or regulations, and any offense referred to in Section 53-125 (4) or (5), whether or not there has been a plea of guilty or a conviction in criminal court.

If the Commission finds by a preponderance of the evidence that a licensee or employee or agent of a licensee has committed any of the foregoing illegal activities or has knowingly allowed such offense to be committed by others on the licensed premises or adjacent related outdoor areas, the Commission may suspend, cancel or revoke such license.

**019.01R** Penalties: Upon a determination by the Nebraska Liquor Control Commission that any licensee licensed by it has violated any of the provisions of the Nebraska Liquor Control Act (53-101 through 53-1,200) or the rules and regulations of the Nebraska Liquor Control Commission that license may be subjected to revocation or suspension or other administrative sanction such as the Commission may order.
