Staff Contact: Tim Luchsinger

Council Agenda Memo

From: Timothy Luchsinger, Utilities Director

Meeting: July 26, 2011

Subject: Water Main Project 2009-W-1
Cedar Street between South Front and North Front
Streets - Certificate of Final Completion

Item #'s: G-10

Presenter(s): Timothy Luchsinger, Utilities Director

Background

The project area is located in Cedar Street between South Front Street and North Front Street and crosses under the Union Pacific Railroad. In 2008, the existing 12" main broke within the railroad's right-of-way. Due to the possibility of another pipeline failure, a contract to replace this section of water main was awarded to Van Kirk Brothers Contracting of Sutton, Nebraska. The work involved the installation of a 24" diameter steel casing under the tracks with a new replacement ductile-iron water main. A location map is attached.

All piping, infrastructure, and restoration has been completed, tested, and placed in service.

Discussion

The project was completed in accordance with the terms, conditions, and stipulations of the contract, plans and specifications for a total cost of \$175,183.06. Attached is the Certificate of Final Completion.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee

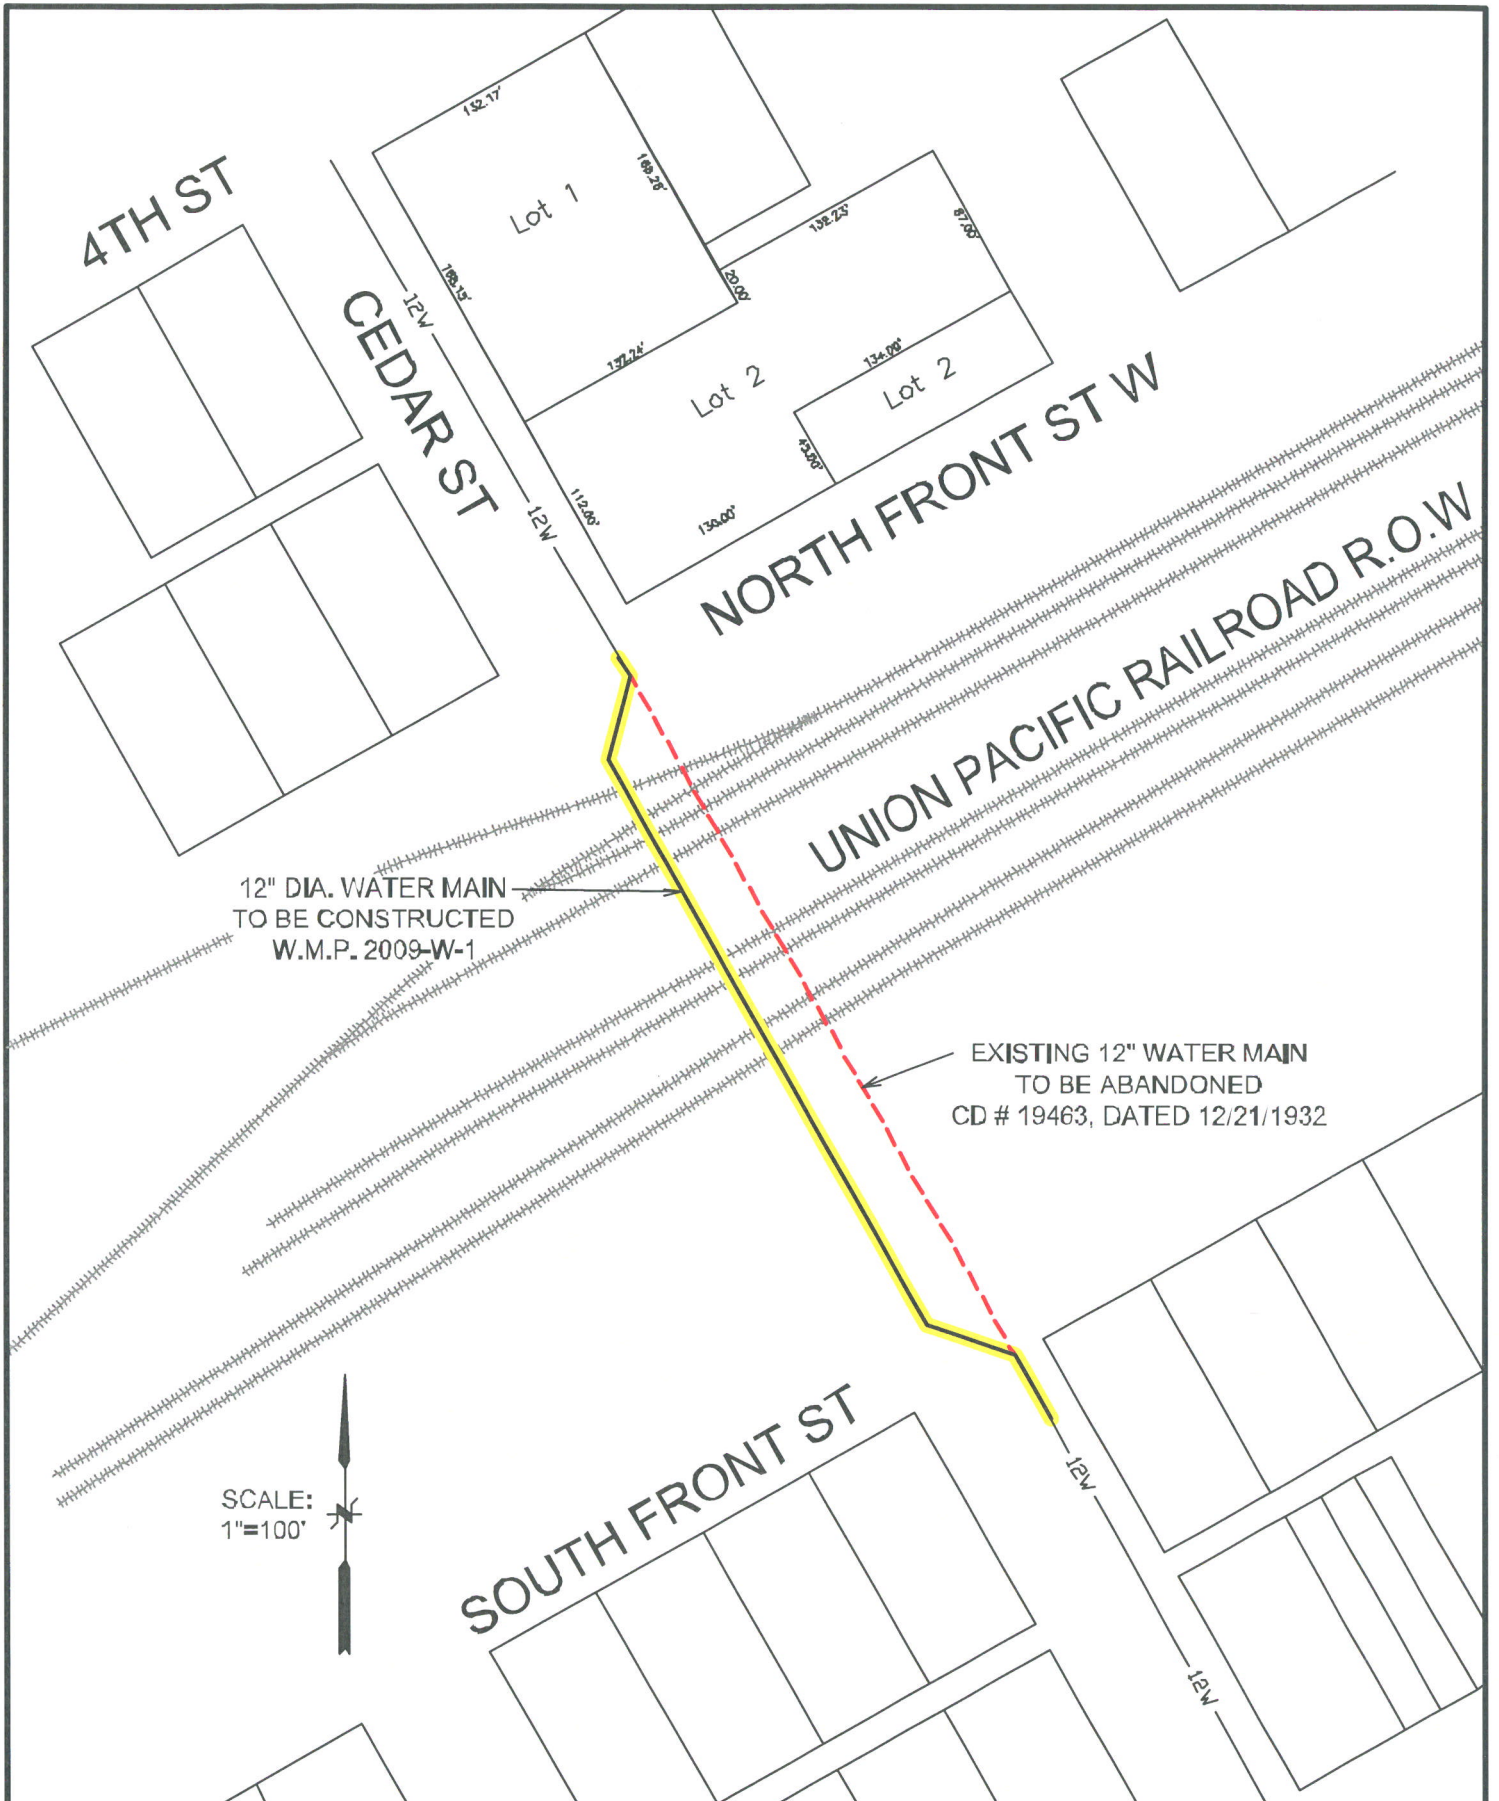

3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council accept the Certificate of Final Completion for Water Main Project 2009-W-1; Cedar Street – South Front Street to North Front Street.

Sample Motion
