Item I3

#2011-210 - Consideration of Approving the American Federation of State, County, and Municipal Employees, AFL-CIO (AFSCME) Labor Agreement

Staff Contact: Brenda Sutherland

Council Agenda Memo

From: Brenda Sutherland, Human Resources Director

Meeting: August 9, 2011

Subject: Approval of Labor Agreement between the City of Grand Island and AFSCME, Local 251

Item #'s: I-3

Presenter(s): Brenda Sutherland, Human Resources Director

Background

Employees who work in the Streets, Parks, Cemetery, and Fleet Services Divisions of the Public Works and Parks and Recreation Departments currently work under the conditions outlined in the labor agreement between the City of Grand Island and the Nebraska Public Employees, Local 251 of the American Federation of State, County, and Municipal Employees, AFL-CIO. This group is more commonly referred to as AFSCME. The current contract will expire as of midnight September 30, 2011. The City's negotiating team and AFSCME's negotiating team met to negotiate the terms of a new agreement. The negotiations were handled in good faith with both parties focused on a fair contract that would have a positive impact on the budget.

Discussion

The agreement being presented for Council approval is a three year contract. There were a few minor changes to the agreement that updated language. Some of the more notable changes include the following: language change from an established 40 hour work week to an agreement that hours won't fall below 76 hours in a two week pay period; language that requires the use of 5 consecutive days of vacation each year; more definition added to the bereavement leave section to identify immediate family members, that list includes, parents, spouses, children, siblings, grandparents, grandchildren, and in-laws of the same relation; under the heading of seniority a paragraph was added to allow an employee with more seniority to bump a less senior employee if their position would be eliminated through a reduction in force; language was also added for non-binding mediation as another step in the grievance process.

The most notable of changes in this contract is the addition of pay steps in the salary tables. Currently AFSCME positions have 8 steps to move through during the course of employment. The new contract will have 15 steps. Members will move through the steps as they are eligible with their annual employee evaluations. Members who are at step 8 of the current scale will be placed in step 12 of the new scale (which is the same hourly rate as step 8). Other members will move into their new steps as eligible at their evaluation period. The overall impact of this in the first year of the contract is just under 1%. Years 2 and 3 of the agreement outline a 1.5% salary table adjustment. This is in addition to step movement. By stretching out the number of steps in the salary tables, the impact on the annual cost of step movement is reduced by nearly 2%.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council approve the labor agreement between the City of Grand Island and Nebraska Public Employees, Local 251 of the American Federation of State, County, and Municipal Employees also referred to as AFSCME.

Sample Motion

Move to approve the labor agreement between the City of Grand Island and Nebraska Public Employees, Local 251 (AFSCME).

ARTICLE II - HOURS OF WORK

A. SCHEDULES OF WORK

The City shall establish the work week, work day, and hours of work. The work week, work day and hours of work may vary according to the special requirements of any division or program. Work schedules shall be arranged, to the extent possible, with five consecutive work days followed by two consecutive days off. A two week notice will be given to union members if the work schedule will be changed to reflect less than 80 hours in a two week pay period. Hours will not fall below 76 in a two week pay period. This policy will only be in effect for the duration of this contract.

B. LUNCH PERIODS

The City shall establish the lunch periods. A meal allowance of \$4.50 shall be granted for all employees if they are required to work two (2) hours overtime consecutively with their normal working hours during an emergency situation, and if such overtime would normally interfere with and disrupt the employee's normal meal schedule.

Nothing in this section shall prohibit the City from exceeding the amount of this allowance or consecutive hour requirement in providing an allowance for emergency situations within the parameters set by the Local Government Miscellaneous Expenditures Act.

For purposes of this section, "emergency situation" shall mean those times when the City determines the employee's presence is needed at work due to weather conditions (i.e. snow storms, sandbagging, severe windstorm or tornado, etc.) or other unforeseeable events.

C. CHANGES IN WORK SCHEDULE

All changes in work schedules, except in cases of emergency and unexpected special activities or events, shall be posted for all to see at least two days before the change is effective.

Permanent full-time employees normally assigned to a work schedule commencing between 4 a.m. and 11 a.m., who are temporarily assigned to a work schedule commencing before 4 a.m., or after 11 a.m., shall receive a shift differential of \$0.25 per hour added to the base hourly rate for the hours worked during such temporary assignment.

D. REST PERIODS

Employees shall be granted a 15-minute rest period during the approximate middle of each one-half (1/2) work day, provided however, that the granting of such rest periods shall be at such times as are the least disruptive of work in progress. If during emergencies or other similar situations it is not feasible to grant any such rest periods, employees shall not receive pay or additional time in lieu thereof.

E. OVERTIME AND COMPENSATORY TIME

1. All officially authorized work performed in excess of forty (40) hours a week, shall be compensated for at the rate of one and one-half (1½) times the excess hours worked. The compensation shall be in either compensatory time or cash payment. For the purposes of this section, the term "day" shall mean the period of time from the scheduled start of the workday to the scheduled start of the next work day.
2. Overtime and compensatory time for work shall be accrued and compensated for in one-tenth (1/10) hour units.
3. This article is intended to be construed only as a basis for overtime and shall not be construed as a guarantee of hours of work per day or per week. Overtime shall not be paid more than once for the same hours worked.
4. For purposes of calculating eligibility for overtime, "hours worked" shall include actual hours worked. Any payment for time not actually worked (leave time) shall not count towards the calculation of overtime with this exception; should an employee be called to emergency service which requires 12 hour shifts due to severe weather and a holiday occurs in the same pay period, the holiday hours will be counted as hours worked for the calculation of overtime. Personal days are excluded.
5. An employee shall have the option of accruing compensatory leave time at a rate of one and one-half (1 ½) times the actual hours worked in lieu of the payment of overtime. Employees may accrue a maximum of one hundred twenty (120) hours of compensatory time (80 hours of actual hours worked). The compensatory time off shall be taken at a time mutually agreed upon by the employee and his/her supervisor, but must be taken by the last full pay period in March following the end of the calendar year in which it is earned; compensatory time remaining at the end of this period shall be paid for in cash. However, the employee retains the right to cash out his/her compensatory time at any time. It is understood that the usage of the compensatory time is to be requested just like annual leave, and may be denied as may any other annual leave.

All compensatory time must be recorded through the City's payroll system. Compensatory time kept by individual employees or their supervisors will not be recognized and is prohibited.

F. STAND-BY DUTY

1. The City may assign employees to stand-by duty for handling trouble calls on other than the normal workday.
 - a. The stand-by duty work week will run from Monday at 5 p.m. to the following Monday at 8 a.m.
 - b. The employee assigned to this duty shall call upon the assigned supervisor for additional employees when such employee needs help.
2. The compensation for stand-by duty will be seven (7) hours time at the employee's basic rate of pay as shown on the payroll on the Sunday during his or her stand-by duty week.
3. The employee assigned to this duty shall be available by telephone at all times under this arrangement.

G. SCHEDULING HOLIDAYS OFF

The scheduling of holidays off shall be done as equitably as possible.

ARTICLE III - HOLIDAYS AND HOLIDAY PAY

A. HOLIDAYS

The following holidays are observed. They shall be granted with pay to all regular status employees regularly scheduled to work on such days, provided, that an employee may be required to work on a holiday if necessary to maintain essential services to the public:

Thanksgiving Day	
Memorial Day	Friday following Thanksgiving
Independence Day	Christmas Day
Labor Day	

Such holidays shall be observed on the day they are observed by the courts of the State of Nebraska, in accordance with Section 25-2221, Reissue Revised Statutes of Nebraska.

B. SUNDAY HOLIDAYS

When a holiday falls on Sunday, the following Monday shall be observed as a holiday; when a holiday falls on Saturday, the preceding Friday shall be observed as the holiday.

C. ELIGIBILITY FOR HOLIDAY PAY

No employee shall be eligible for holiday pay unless such employee works his or her last regularly scheduled day before the holiday and his or her first regularly scheduled day after the holiday, unless excused by the supervisor for either of such days. An employee must be on paid leave status to be paid for the holiday.

D. HOLIDAY ON REGULARLY SCHEDULED WORK DAY

If an employee is regularly scheduled to work on a day on which a holiday falls and such employee's work is essential to maintain necessary public services, the employee shall be paid for the holiday, plus time and one-half (1/2) for any hours worked on the holiday.

E. HOLIDAY ON NON-SCHEDULED WORK DAY

If an employee is not regularly scheduled to work on a holiday and he or she is called out to work on the holiday, the employee shall be paid for the holiday and any hours worked on the holiday shall be paid as overtime.

F. HOLIDAY DURING LEAVE OF ABSENCE

If any of the above-mentioned holidays fall during an employee's authorized paid vacation or medical leave time, or other paid leave status, such holiday shall not be charged against these paid absences. If a holiday falls during a period when an employee is in an unpaid leave status, the employee shall not be paid for the holiday.

ARTICLE IV - PERSONAL LEAVE

Personal Leave Days will be given to employees each year. One will be given in October and must be taken by March 15th. The second Personal Leave Day will be given in April and must be taken by September 15th. In addition to the two personal leave days, the City will provide one annual personal leave day that will be granted at the beginning of the contract year and must be used by September 15th. Personal Leave Days may be taken at any time and may be taken in one (1) hour increments; provided, the time selected by the employee must have the prior approval of the employee's supervisor.

ARTICLE V - VACATIONS

A. ELIGIBILITY

All regular employees are eligible to take vacation leave as it is earned and shall accrue vacation leave in bi-weekly increments as described below. Employees shall not earn or accrue any vacation time during their introductory period. Vacation may be used in hourly increments.

For purposes of this contract, "regular" employees shall include those employees normally scheduled to work at least 30 hours per week throughout the course of the year and who have

completed their introductory terms. It shall specifically exclude employees who are temporary, seasonal, probationary, and/or working fewer than 30 hours per week.

B. AMOUNT AUTHORIZED

Authorized vacation leave shall be computed on the following basis:

1. Upon successfully completing the six-month introductory period, an employee will be eligible to take thirty eight (38) hours of vacation time. The employee will accrue an additional thirty eight (38) hours in the first year of continuous service.
2. Eighty (80) hours of vacation in the second year of continuous service.
3. Eighty (80) hours of vacation in the third year of continuous service and each year thereafter through the fourth year of service.

6. One hundred fifty six (156) hours of vacation in the fifteenth year of continuous service and each year thereafter through the nineteenth year of service.
7. One hundred sixty hours of vacation in the twentieth year of continuous service and each year thereafter.

Authorized vacation leave for regular employees working fewer than forty (40) hours per week shall be prorated based upon the normally scheduled hours worked.

C. VACATION SCHEDULE

Vacation leave shall be taken at a time convenient to and approved by the Department Director. Vacations may be granted at the time requested by the employee. Each employee shall take a vacation of five consecutive work days each year when eligible. An example would be taking Monday through Friday off or taking Thursday and Friday off the first week and then taking Monday, Tuesday, and Wednesday off the second week.

D. SENIORITY FOR VACATION PLANNING

The Department Director shall grant leave on the basis of the work requirements of the City after conferring with employees and recognizing their wishes where possible. If the nature of the work makes it necessary to limit the number of employees on vacation at the same time, the employee with the greatest seniority with the City shall be given his or her choice of vacation time. The seniority system shall not preclude the taking of vacation at the same time by employees whose work requirements are not inter-dependent, nor shall it interfere with vacation leave previously scheduled.

E. VACATION TIME CARRY-OVER

1. An employee will be allowed to carry no more than the maximum amount of vacation that he or she can earn in one year, plus eighty (80) hours.
2. An employee who has carry-over vacation time may utilize the carry-over and the current vacation time authorized during a single calendar year.
3. An employee who fails to use his or her vacation time through the employee's own decision loses all but the maximum carry-over hours mentioned above.

F. VACATION CREDIT ON TERMINATION AND RETIREMENT

Upon separation, a regular employee shall be paid for the unused portion of his or her accumulated vacation leave; provided, an employee electing to voluntarily separate employment provides the Department Director with written notice of at least fourteen calendar days prior to separation. An employee who has been separated shall not accrue vacation leave credits after his or her last day physically on the job.

**ARTICLE VI

1. Medical Leave. Medical leave shall be credited to all full-time employees as follows:

2. For medical, dental, or optical examination or treatment.
3. When an employee is exposed to a contagious disease and attendance at duty may jeopardize the health of others.
4. For necessary care and attendance during sickness of a member of the employee's immediate family residing in the same household.

For purposes of medical and bereavement leave, an immediate family member shall mean a child, spouse, parent, grandchild, grandparent, brother, sister, aunt, uncle, and in-laws of the same relation.

5. When absence is due to alcoholism or drugs, if medically diagnosed by a licensed physician and the employee is receiving assistance and has agreed to an approved course of treatment.
6. Medical leave shall not be granted in advance of accrual.
7. Leave without pay may be granted for sickness extending beyond the earned credits.
8. After twelve continuous months of service, accrued vacation leave credits may be used for medical leave when medical leave credits have been exhausted.
9. Medical leave shall not continue to accrue while an employee is on medical leave.
10. The amount of medical leave charged against an employee's accumulated total shall be computed on the basis of the exact number of hours an employee is scheduled to work when medical leave is utilized, not to exceed eight hours in a day; provided, that medical leave shall be debited in no less than one (1) hour units.

C. USE OF BEREAVEMENT LEAVE

Bereavement leave shall be granted to eligible employees for up to three (3) days per contract year. Any portion of a work day used for bereavement leave shall be considered a full day, which consists of eight (8) hours of bereavement leave. An employee shall be eligible to use up to three (3) days of paid bereavement leave for the death of an immediate family member which includes parents, spouses, children, siblings, grandparents, grandchildren, and in-laws of the same relation. Bereavement leave shall not exceed three (3) days in any calendar year. In addition to the use of bereavement leave as set forth hereafter, medical leave may be granted at the discretion of the Department Director for the death of a member of an employee immediate family because of unusual circumstances. To attend the funeral of someone other than immediate family, an employee shall take vacation leave.

D. PROOF OF ILLNESS

An employee who is absent for more than three (3) consecutive days because of personal illness or that of a member of his or her immediate family or household shall be required to furnish a statement signed by the attending physician or other proof of illness satisfactory to his or her supervisor. The supervisor may require this statement or proof for an absence chargeable to medical leave of any duration.

E. FRAUDULENT USE OF MEDICAL LEAVE

The Department Director or his or her authorized representative may investigate any medical leave taken by any employee. False or fraudulent use of medical leave shall be cause for disciplinary action and may result in dismissal.

F. COMPENSATION FOR UNUSED MEDICAL LEAVE

An employee may accumulate medical leave to a maximum of 1,064 hours. All employees shall be paid forty-five percent (45%) for their accumulated medical leave at the time of retirement, the rate of compensation to be based on the employee's salary at the time of retirement.

G. NOTIFICATION OF ILLNESS

If an employee is absent for reasons that entitle him or her to medical leave, the employee or a member of employee's household shall notify the employee's supervisor at least thirty (30) minutes prior to scheduled reporting time. If an employee fails to notify such supervisor, when it was reasonably possible to do so, no medical leave shall be approved. Immediately upon return to work, the employee shall submit a leave form to his or her supervisor. An employee will not receive sick pay if a leave form is not submitted within one (1) working day after the absence.

H. FAMILY AND MEDICAL LEAVE ACT POLICY

Employees shall be covered by the City's Family and Medical Leave Act Policy, as set forth in the Employee Personnel Rules and Regulations or as amended by Federal Law.

ARTICLE VII - MILITARY LEAVE

The provisions relating to military training leave shall be as provided by Nebraska Statutes.

ARTICLE VIII - COURT LEAVE

A. WHEN AUTHORIZED

An employee who is required to serve as a witness or juror in a federal, state, county, or municipal court, or as a litigant in a case resulting directly from the discharge of his or her duties as an employee, shall be granted court leave with full pay to serve in that capacity; provided, however, that when the employee is testifying in other litigation to which he or she is a party, such employee shall not be granted court leave but may use vacation leave or compensatory time, or be granted leave without pay for the length of such service.

B. PROCEDURE

An employee who is called for witness or jury duty shall present to his or her supervisor the original summons or subpoena from the court, and at the conclusion of such duty, a signed statement from the clerk of the court, or other evidence, showing the actual time in attendance at the court.

C. FEES

Fees received for jury service in a federal, state, county or municipal court shall be deposited with the City Finance Director upon the employee's receipt thereof; provided, the requirement shall not apply to funds received by employees when they would not normally be on duty with the City. No employee shall receive witness fees paid from employer's funds. However, fees paid from other sources shall be in addition to, and irrespective of, an employee's regular salary.

ARTICLE IX - LEAVE WITHOUT PAY

A. The provisions relative to leave without pay shall be as follows:

1. Leave without pay may be granted to an employee for any good cause when it is in the interest of the City to do so. A Department Director may grant an employee leave without pay for 30 days time. The mayor may extend such leave for a period not to exceed one year. Any appointment made to a position vacated by an employee on leave without pay shall be conditional upon the return of the employee on leave.
2. Before an employee may request unpaid leave, he or she must first use all eligible leave balances.
3. When leave without pay is requested pursuant to the Family and Medical Leave Act (FMLA) policy, Article VI of this contract shall govern.

B. Leave without pay shall be subject to the following provisions:

1. At the expiration of leave without pay, the employee shall return to the position held prior to such leave.

2. Vacation and medical leave credits shall not be earned during leave without pay.
3. A leave without pay shall not constitute a break in service, but time off will not be credited toward retirement or the accrual of other benefits.
4. Leave without pay during the introductory period shall not be counted as part of that period, but the employee to whom such leave has been granted shall be allowed to complete his or her introductory period on return from leave.
5. Failure to report at the beginning of the next scheduled workday following the expiration of a leave of absence shall be considered resignation.
6. An employee on leave without pay shall be permitted to maintain health insurance coverage under the group policy at his or her own expense during such permitted leave without pay.

ARTICLE X - TEMPORARY DISABILITY LEAVE

A. POLICY

Any employee in this contract who sustains an on-the-job injury compensable under the Nebraska Workers Compensation Act shall receive in addition to the workers compensation benefit, compensation to allow the employee to receive the equivalent of the employee's net pay at the time of the injury. This period shall be up to one hundred fifty (150) consecutive calendar days following the original date of injury, or the date that temporary disability begins. The purpose of this is to maintain the employee's net pay until he or she becomes eligible for long-term disability or is able to return to work.

B. DEFINITIONS

Temporary disability shall mean the complete inability of an employee, for reasons of accident or other cause while in the line of duty, to perform the job duties as defined by the employee's job description or such alternate light duty work as the City may designate, for a period of time not to exceed one hundred fifty (150) consecutive calendar days from the date of injury or the date that disability begins.

Temporary disability leave shall mean paid leave provided by the City to an eligible employee when that employee has no other paid leave available.

C. WHEN AUTHORIZED

In the case of temporary disability of an employee received while in the line of duty, he or she shall receive compensation of his or her salary up to the net amount at the time of injury, during the continuance of such disability for a period not to exceed one hundred fifty (150) consecutive calendar days from the date of injury or the date that disability begins. Any reoccurrence or exacerbation of an injury shall relate back to the original injury for purposes

of this article, including the commencement date of the temporary disability and calculation of the temporary disability leave.

D. APPLICATION OF WORKERS' COMPENSATION AND OTHER LEAVE BALANCES

All payments of salary provided by this article shall be subject to deduction of amounts paid under the Nebraska Workers' Compensation Act and other city leave balances as set forth below:

1. Pursuant to the waiting provisions in Section 48-119 of the Nebraska Workers' Compensation Act, no workers' compensation shall be allowed during the first seven calendar days following the date of injury or date that temporary disability begins, unless the disability continues for six weeks or longer. When the disability lasts less than six weeks, an employee may use medical or vacation leave for the initial seven days. If no other leave is available, the City shall grant the employee temporary disability leave.
2. The employee shall retain all Workers' Compensation payments following the initial waiting provisions as set forth above. The City will provide temporary disability leave to ensure that the employee receives his or her full salary for the remainder of the one hundred fifty day (150) day period set forth above.
3. While on leave of any nature, the total compensation paid to an employee, including salary, wages, workers' compensation benefits, and leave pay collected from any other party (except the employee's private insurance) shall not exceed the employee's gross salary at the time of the commencement of the leave, plus any allowed and approved cost of living increase which commences during the period of leave.

E. SUBROGATION

The City reserves a right of subrogation because of payment of temporary disability leave to any employee who is disabled or injured by a third party, and reserves the right to pursue collection from the employee of any money paid by the third party to the extent of the City's payment of temporary disability leave. Should the employee receiving temporary disability leave collect from the third party for wages, salary, or expenses otherwise paid by the City, he or she will reimburse the City for money paid as temporary disability leave or expenses resulting from the injury.

Nothing in this article shall be interpreted to mean that the City shall have the right to initiate civil litigation in the name of the employee against the third party or representative of said party until after receiving consultation and advice of the employee and a signed waiver to that effect.

F. LIMITATION OF LEAVE

Temporary disability leave will not be available to employees following one hundred

fifty (150) days from the original date of injury or date that the disability begins absent express approval of the City Administrator, who may grant an extension of this time not to exceed sixty (60) days.

Any employee whose employment by the City is terminated due to exceeding this limitation of leave shall be compensated for any remaining unused medical leave as in the case of retirement.

G. LIGHT DUTY POLICY

Employees will follow the City's Light Duty Policy. The commencement of light duty work and/or modified duty work shall be five (5) calendar days from the date of injury. Any changes in shifts to accommodate the light duty work shall be made in the interim. Any employee who is medically released for light duty may commence light duty work and/or modified duty work earlier than the five (5) days from the date of injury if the employee is willing to do so. During the five day period between the date of injury and the beginning of light duty work and/or modified duty work, any employee who does not willingly return to light duty work who is released by a doctor to do so, shall be required to take medical leave for any regularly scheduled shifts that are missed. If medical leave is unavailable to the employee, vacation leave may be used in lieu of medical leave. All employees in the City of Grand Island are covered by this policy and therefore are on notice from this date forward, that light duty work shall commence five (5) calendar days from the date of injury with appropriate medical release, unless the employee is willing to return sooner.

ARTICLE XI - GENERAL PROVISIONS CONCERNING LEAVE

A. ABSENCE WITHOUT APPROVAL

An employee who is absent from duty without approval shall receive no pay for the duration of the absence, and unless there is a legitimate reason for the absence, shall be subject to disciplinary action. An employee who is absent without leave for three (3) consecutive days is considered to have resigned.

B. LEAVE FORM

For all leaves except unforeseeable medical leave, a written request on the authorized leave form, indicating the kind of leave, duration, and dates of departure and return, must be approved prior to the taking of the leave. In the case of unforeseeable medical leave, the form shall be completed and submitted for approval immediately upon the employee's return to duty. Unless a leave form approved by the supervisor substantiates an absence, an employee shall not be paid for any absence from scheduled work hours.

C. COMPENSATION LIMIT DURING LEAVE

While on leave of any nature, the total compensation paid to an employee including salary, wages, workers compensation benefits and leave pay collected from any other party shall not exceed

the employee's net take-home pay at the time of the commencement of the leave plus any allowed and approved cost of living increase which commences during the period of leave.

ARTICLE XII - PENSION RETIREMENT PLAN AND SENIORITY

A. PENSION RETIREMENT PLAN

1. The City agrees that the employees covered under this agreement are covered under the pension plan adopted by Ordinance No. 4244, as amended.

B. SENIORITY

1. Seniority is hereby defined as the employee's length of continuous service in the bargaining unit except as otherwise provided herein.
2. Continuous service as used in Section 1 hereof means an employee's total continuous length of service in the bargaining unit without break or interruption; provided, that lay-off of one (1) year or less, any suspension for disciplinary purposes, absence on authorized leave with or without pay, absence while receiving temporary total disability benefits under the Nebraska Worker's Compensation Act, and any absence due to serving as a union officer or official whether elected or appointed, shall not constitute a break or interruption in service within the meaning of this Article.
3. After an employee satisfactorily completes his initial introductory period of employment with the City, his seniority shall be effective from the date on which the employee was hired in the bargaining unit.
4. A list of employees arranged in order of their seniority as defined herein will be made available for examination by employees upon request by the union.
5. Where two or more employees were appointed in the bargaining unit on the same date, their seniority standing shall be determined in the order in which they filed their application for such employment in accordance with the date and time of filing such application.
6. Where an employee holds a non-bargaining unit position, he shall retain all seniority earned in all bargaining unit classifications in which he was previously employed. Non-bargaining unit service with the City shall not be construed or considered for the purpose of calculating seniority under the provisions of this Agreement except for those employees who are in classifications which have become part of the bargaining unit.
7. An employee whose position is being eliminated through a reduction in force has the option to move into a lower grade position for which they are qualified within the same functional division. Functional divisions are defined as: Streets and Transportation, Fleet Services, Parks, and Cemetery.

ARTICLE XIII - RATES OF PAY FOR WORK PERFORMED

A. PAY PLAN

1. All new employees will normally be hired at Step 1 of the pay grade of their position. However, due to extenuating circumstances, an employee may be hired at a higher step with the written approval of the City Administrator. Employees will remain in each step for at least 1 year with their performance to be evaluated on the anniversary of the change of status.

Prior to advancing in a step or grade, employees will be evaluated on their performance at least annually. An employee must receive satisfactory performance ratings in order to receive an increase in pay, other than a salary table adjustment. Such adjustments in pay shall be effective on the first day of a pay period falling on or immediately after the employee is eligible for the pay increase.

2. The introductory period for new employees shall be six months, unless otherwise extended by the Department Director.

B. FISCAL YEARS 2011 – 2014

For each fiscal year, the new rate of pay shall take effect during the first full pay period in the month of October. Employee's wages will be frozen until such time they are eligible for their annual employee evaluation. With a satisfactory evaluation they will be placed in the next closest step that does not move their pay backwards in the fifteen step pay scale.

Any employee who has satisfactorily completed his/her initial introductory period of employment with the City of Grand Island shall have the right to appeal a suspension or a discharge in accordance with the following procedure:

1. Discipline imposed by the Department Director may be appealed to the Mayor not later than five (5) working days following written notification of such discipline.

Each party shall have the right to strike three names from the list of arbitrators as submitted. The employee requesting arbitration shall have the right to strike the first name and the City shall then strike one name with the same process being repeated so that the person remaining on the list shall be the arbitrator.

There shall be no appeal from the arbitrator's decision. It shall be final and binding

on the Union, the City of Grand Island, and on all bargaining unit employees.

Authority of the arbitrator is limited to matters of interpretation or application of the express provisions of this Agreement and the arbitrator shall have no power or authority to add to, subtract from, or modify any of the terms or provisions of this Agreement. In the event the arbitrator finds that he has no authority or power to rule in the case, the matter shall be referred back to the parties without decision or recommendation on the merits of the case. The arbitrator shall be requested by the parties to issue his decision within thirty (30) calendar days after the conclusion of the hearing.

Parties selecting the arbitrator shall share equally the arbitrator's expense. Each party shall be responsible for compensating its own representatives and witnesses.

If a party desires that a record of the testimony be made at the proceedings, it may cause such a record to be made at its expense; provided, however, that it supplies the arbitrator and the other party or parties with copies of such record at no expense to the other party or parties.

6. The arbitrator shall not have jurisdiction to discharge an employee upon an appeal from a suspension.
7. An employee shall have the right to process an appeal individually, by the Union, and/or by an Attorney at Law. If an employee elects not to use the Union or its attorney in the processing of an appeal, the decision of the arbitrator shall not set binding precedent on the Union.

Both parties shall then meet and attempt to negotiate a substitute.

ARTICLE XXV - SCOPE OF AGREEMENT
