Council Session

Item G16

#2012-211 - Approving Physio Control Monitors Maintenance Contract

Staff Contact: Russ Blackburn

Council Agenda Memo

From: Russ Blackburn, Interim Fire Chief
Meeting: August 14, 2012
Subject: Physio-Control cardiac monitor maintenance contract
Item #'s: G-16
Presenter(s): Russ Blackburn

Background

This appeared before Council last meeting when I made the inadvertant error that this was a five year contract, but it is only a three year contract, the maximum length the Physion Control Corporation allows. This was my error and when the fire department administrative assistant pointed this out I contacted the City Attorney and he stated to send it back to council with the correct information. I apologize for the mistake requiring you to approve it twice.

For the past five years the City has entered into an agreement with Physio Control for service and maintenance of the Grand Island Fire Department heart monitors. The contract budgeted monitors not still under warranty, and eliminates annual increases for this service by committing to a three year agreement. The contract expired June 1, 2012. The hold-up on the contract was that GIFD was changing out seven LifePak 12s for seven Lifepak 1000s. The new LP1000s have been received and are in service now so the contract could be finished. The LP1000s are easier to maintain and therefore the maintainance contract has decreased in cost. The cost of this contract is \$10,074 per year and is allowed in our current budget.

Discussion

The LifePak 12 Cardiac monitor allows the Fire Department's paramedics and EMTs to defibrillate a patient's heart, that has stopped beating, as an Automatic External Defibrillator. The LifePak 12 allows our paramedics to see the cardiac rhythm in 3 lead or 12 lead format, get pulse oxygenation readings, monitor end-tidal CO2 levels, take automated blood pressures, mark time during treatment, record events during cardiopulmonary resuscitation efforts, and manually defibrillate patients. These monitors are carried on all of our ambulances.

The LifePak 1000s are on the engines and ladder. The 1000s can defibrillate in either an automatic mode for EMTs or be put in manual mode by the paramedics. They can also display a lead two tracing of a patients EKG. They do not have the other capabilities but are enough to treat the patient until the ambulance arrives.

Having the monitors inspected annually and repaired when needed reduces the City of Grand Island's liability for the performance of these monitors. Repairs are done at no additional cost, saving the City money over the duration of the contract. When a monitor needs repairs Physio sends a replacement monitor to use while the repairs are completed, not reducing our available assets.

Alternatives

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Move to approve
2. Refer the issue to a Committee
3. Postpone the issue to future date
4. Take no action on the issue

Recommendation

City Administration recommends that the Council approve the renewal of the three year maintenance contract with Physio Control Corporation..

Sample Motion

Move to approve the renewal of a three year maintenance contract with Physio Control Corporation.

**PHYSIO-CONTROL, INC.
TECHNICAL SERVICE SUPPORT AGREEMENT TERMS AND CONDITIONS**

Customer's signature or purchase order referencing this Technical Service Support Agreement are required prior to Physio-Control's acceptance of this Agreement. This Agreement covers only the equipment listed on Schedule A ("Covered Equipment"). These terms constitute the complete agreement between the parties and they shall govern over any other documents. These terms may not be revised in any manner without the prior written consent of Physio-Control.

SERVICES. The services provided under this Agreement are set forth on Schedule A. Physio-Control strives to return service calls within two (2) hours, and strives to resolve service issues within twenty-four (24) hours. Following service, Physio-Control will provide Customer with a written report of actions taken or recommended and identification of any materials replaced or recommended for replacement. The following services are available:

"Repair Only Service" means repairs, Battery Replacement Service, parts and labor necessary to restore Covered Equipment to original specifications, subject to Exclusions.

"Inspection Only Service" means inspections of Covered Equipment to verify proper device calibration, mechanical operations and output measurements, electrical safety check in accordance with National Fire Protection Association (NFPA) guidelines and labor, subject to Exclusions.

"Repair and Inspect Service" means repairs, Battery Replacement Service, parts and labor necessary to restore Covered Equipment to original specifications, and inspections to verify proper device calibration, mechanical operations and output measurements, electrical safety check in accordance with NFPA guidelines and Updates (as set forth below), subject to Exclusions.

"Battery Replacement Service" means replacement of batteries on a one-for-one, like-for-like basis, up to the number of batteries and/or devices listed in Schedule A. Only batteries manufactured or distributed by Physio-Control are eligible for replacement. Battery replacement is available upon Customer notification to Physio-Control of the occurrence of:

- (i) Battery failure as determined by Customer's performance testing and evaluation in accordance with the applicable Operating Instructions; or
- (ii) The end of the useful life of the battery as set forth in the applicable Operating Instructions

At the discretion of Physio-Control, battery replacement shall be effected by shipment to Customer and replacement by Customer, or by on-site delivery and replacement by a Physio-Control Service Technician. Upon Customer's receipt of a replacement battery, the battery being replaced shall become the property of Physio-Control, and Customer must return the battery being replaced to Physio-Control for proper disposal. In the event that Physio-Control does not receive the battery, Customer will be charged at the then-current rate for the replacement battery.

"On-Site Service" means that a Physio-Control factory-trained technician will provide service at Customer's location. Services will be performed between 8:00am and 5:00pm local time, Monday through Friday, excluding holidays. Customer is to ensure Covered Equipment is available for service at scheduled times. Some service may not be completed On-Site. Physio-Control will cover travel and/or round-trip freight for Covered Equipment that must be sent to our designated service facility for repair.

"24-hour On-Site Service" means that a Physio-Control factory-trained technician will provide service at Customer's location at any time, except on the holidays listed above. Customer is to ensure Covered Equipment is available for service at scheduled times. Some service may not be completed On-Site. Physio-Control will cover travel and/or round-trip freight for Covered Equipment that must be sent to our designated service facility for repair.

"Ship-In Service" means that service will be performed at Physio-Control's designated service facility. Physio-Control will cover round-trip freight for Covered Equipment that is sent to our designated service facility for repair.

If Covered Equipment is not available as scheduled or Customer requests services or goods not covered by this Agreement or outside of designated service frequency or hours, Physio-Control will charge Customer at Physio-Control's standard labor rates less 10% (including overtime, if appropriate) and applicable travel costs. Parts required for such repairs will be made available at 15% off the then-current-list price.

EXCLUSIONS. Unless otherwise specified, this Agreement does not include:

- supply or repair of accessories or disposables
- repair of damage caused by misuse, abuse, abnormal operating conditions, use of batteries or other products not distributed by Physio-Control, operator errors, or acts of God
- case changes
- repair or replacement of items not originally distributed or installed by Physio-Control
- Upgrades and installation of Upgrades
- battery maintenance, performance testing, evaluation, removal and recycling

LOANERS. If Covered Equipment must be removed from service to complete repairs, Physio-Control will provide Customer with a loaner device, if one is available, until the Covered Equipment is returned. Customer assumes complete responsibility for the loaner and shall return the loaner at Customer's expense to Physio-Control in the same condition as received, upon the earlier of the return of the removed Covered Equipment or Physio-Control's request.

UPDATES. "Update" means a change to a device to enhance its current features, stability, or software. If Repair and inspect Service is designated for Covered Equipment on Schedule A, Physio-Control will install Updates at no additional cost, provided such Updates are installed at the time of regularly scheduled service. If parts must be replaced to accommodate installation of new software, such parts may be purchased at a rate of 30% less than the then-current list price. Updates installed on Covered Equipment designated as Repair Only Service, Inspect Only Service, or at a time other than regularly scheduled Repair and inspect Service will be billed on a separate invoice at the then-current list price less 20%.

UPGRADES. "Upgrade" means a major, standalone version of software or the addition of features or capabilities to a device. Upgrades must be purchased separately, and are not provided under this Agreement. Upgrades are available at a rate of 17% less than the then-current list price.

PRICING. Pricing is set forth on the front page of this Agreement. Prices do not include taxes. Sales, service or use taxes will be invoiced in addition to the price of the goods and services covered by this Agreement unless Physio-Control receives a copy of a valid exemption certificate. If the number or configuration of Covered Equipment changes during the Term, pricing shall be pro-rated accordingly. For Inspection Only Service and Repair and inspect Service, no pricing deduction will be made for removal of Covered Equipment if an inspection has already been performed during the Term. Discounts will not be combined with other special terms, discounts, and/or promotions.

PAYMENT. Payment is due within thirty (30) days of invoice date.

WARRANTY. Physio-Control warrants services performed under this Agreement and replacement parts provided in performing such services against defects in material and workmanship for ninety (90) days from the date a service was performed or a part was provided. Customer's sole remedy shall be reseriving the affected unit and/or replacement of any part determined to be defective, without additional charge, provided Customer notifies Physio-Control of any allegedly defective condition within ten (10) calendar days of its discovery by Customer. Physio-Control makes no other warranties, express or implied, including, without limitation, **NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND IN NO EVENT SHALL PHYSIO-CONTROL BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR OTHER DAMAGES.**

TERM. The initial Term is set forth on the front page of this Agreement. This Agreement shall automatically renew unless terminated by either party with written notice thirty (30) days prior to the expiration of the then-current term. Prices are subject to change upon renewal.

TERMINATION. Either party may terminate this Agreement for material breach by the other party by providing thirty (30) days' written notice to the other party, and provided such breach is not cured within the notice period. In addition, either party may terminate this Agreement at any time upon sixty (60) days' prior written notice to the other party. In the event of such early termination, Customer shall be responsible for the portion of the designated price which corresponds to the portion of the Term prior to the effective date of termination and the cost of any services rendered during the Term.

DELAYS. Physio-Control will not be liable for any loss or damage of any kind due to its failure to perform or delays in its performance resulting from any cause beyond its reasonable control, including, but not limited to, acts of God, labor disputes, labor shortages, the requirements of any governmental authority, war, civil unrest, delays in manufacture, obtaining any required license or permit, and Physio-Control's inability to obtain goods from its usual sources. Any such delay shall not be considered a breach of Physio-Control's obligations and the performance dates shall be extended for the length of such delay.

DEVICE INSPECTION BEFORE ACCEPTANCE. All devices that are not under Physio-Control Limited Warranty or a current Technical Service Support Agreement must be inspected and repaired (if necessary) to meet original specifications at then-current list prices prior to being covered under a Technical Service Support Agreement.

MISCELLANEOUS. (a) Customer agrees to not employ or offer employment to anyone performing services on Physio-Control's behalf during the Term of this Agreement or for one (1) year following its expiration without Physio-Control's prior written consent; (b) this Agreement, and any related obligation of other party, may not be assigned in whole or in part without the prior written consent of the other party; (c) this Agreement shall be governed by the laws of the State in which the service is provided; (d) all costs and expenses incurred by the prevailing party related to the enforcement of its rights under this Agreement, including reasonable attorney's fees, shall be reimbursed by the other party.
