# Council Agenda Memo

**From:** Jaye Monter, Finance Director  
**Meeting:** September 11, 2012  
**Subject:** Consideration of Approving 1% Increase to the Lid Limit  
**Item #'s:** I-4  
**Presenter(s):** Jaye Monter, Finance Director

## Background

In 1998, the Nebraska State Legislature passed LB989, which put a lid on the amount of restricted revenues a political subdivision can budget. The restricted revenues for the City of Grand Island included in the budget are Property Taxes, Local Option Sales Tax, Motor Vehicle Tax, Highway Allocation and Municipal Equalization Funds.

## Discussion

Each year in the budget document sent to the State of Nebraska on or before September 20, political subdivisions are allowed by State Statute to raise the total restricted revenue funds authority amount from the prior year by 2.5%. This total may also be increased by an additional 1% with a 75% vote of the Political Subdivision governing board (City Council) approval.

The restricted revenue authority base amount of the prior year has a direct tie to the maximum amount of restricted revenues the City can budget to receive in each proposed budget year. The restricted revenues in the proposed budget year less allowable exceptions cannot be higher than the prior year's restricted revenue base. Therefore in each new budget year, we want to increase the prior year's restricted revenue base with the additional 1% allowance in order to budget the maximum restricted revenues available for the proposed budget year.

One way to think about this is, if local option sales taxes, motor vehicle taxes, highway allocation state gasoline taxes, municipal equalization funds, and property tax valuations continue to increase at a rate greater than 2.5%, the City may be in a position of not being able to accept/budget all of the property tax revenues for the new budget year. Since Council has no control over any of the restricted revenues other than property taxes; property taxes would be the only restricted revenue affected by this calculation.

With limited funding sources for the general fund, and the increasing needs of our growing community, the city should position itself to budget the full allocation of property taxes available.

Another scenario might occur if the City were in need for new services for citizens and the only funding solution was to increase property taxes. If the needed increase in property tax revenue caused the budgeted restricted revenues to exceed the prior year base amount, the City would not be able to increase property taxes for the required expansion of citizen services.

The additional 1% increase in the FY2012-2013 State of Nebraska budget report will increase the prior year restricted revenues base by \$254,944. This increase in restricted funds authority is not an increase in budgeted revenues or authorized expenditures. Approving the additional 1% each year only provides the ability to increase the prior year's restricted revenues total in order to provide maximum funding sources for future budget years.

### **Alternatives**

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

1. Approve the additional 1% increase to the Lid Limit.
2. Disapprove or deny the additional 1% increase.

### **Recommendation**

City Administration recommends that the Council approve the additional 1% increase to the Lid Limit.

### **Sample Motion**

Move to approve the additional 1% increase to the Lid Limit for the 2012-2013 Budget.

RESOLUTION 2012-257

WHEREAS, pursuant to Neb. Rev. Stat. §13-519, the City of Grand Island is limited to increasing its total of budgeted restricted revenues to no more than the prior year's total of budgeted restricted funds plus two and one-half percent (2 1/2%) expressed in dollars; and

WHEREAS, §13-519 authorizes the City of Grand Island to exceed the foregoing budget limit by an additional one percent (1%) increase in budgeted restricted revenues upon the affirmative vote of at least 75% of the governing body; and

WHEREAS, the Annual Budget document for Fiscal Year 2012-2013 and Program for Municipal Services in the Lid Computation for FY2012-2013 supported by the detail relating to restricted revenue accounts, proposes an additional increase in the prior year's budgeted restricted funds of an additional one percent (1%) as provided by the statute; and

WHEREAS, approval of the additional one percent (1%) increase in budgeted restricted revenues provides maximum funding sources, does not increase authorized expenditures and is in the best interests of the City of Grand Island and its citizens; and

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF GRAND ISLAND, NEBRASKA, that by affirmative vote by more than 75% of the City Council, budgeted restricted revenue funds for Fiscal Year 2012-2013 shall be increased by an additional one percent (1%) as provided by Neb. Rev. Stat. §13-519.
