I received a copy of a liquor manager application from Ruby Cargill for The Firehouse Bar. Ruby is the owner of the bar. I did the original liquor license investigation when Ruby first applied for her license back in June of 2009. At that time, I did not find any reasons why Ruby shouldn't have a liquor license.

I checked Ruby through Spillman and didn't find any new undisclosed convictions. I noticed that the GIPD has had a few calls to The Firehouse since Ruby has been the owner, but it appears that she and her staff have been cooperative with law enforcement. At a recent meeting with patrol sergeants, I was told that they haven't had any recent issues with The Firehouse. I also checked Ruby through NCJIS, and she didn't have any undisclosed convictions.

The Grand Island Police Department has no objection to Ruby Cargill becoming the liquor manager at The Firehouse Bar.
