Dear Mr. Owen:

Approval of Amendment #1 to FY 2015 GIAMPO Unified Planning Work Program

This letter is in response to the Nebraska Department of Roads (NDOR) letter dated November 26, 2014 requesting the review and approval of amendment #1 to the Grand Island Area Metropolitan Planning Organization (GIAMPO) Unified Planning Work Program (UPWP). The proposed amendment #1 will add (1) the purchase of Aerial Photography and (2) a Transit Needs Analysis Plan.

The amendment #1 was approved by the GIAMPO Policy Board on November 25, 2014. NDOR has reviewed the amendment #1 request, concurred the activity is an eligible planning activity, and on November 26, 2014 requested FHWA and FTA approval.

Based upon review of the updated GIAMPO FY 2015 UPWP, the amendment #1 is hereby approved. If you have any questions or need additional information, please contact Justin Luther, FHWA, at (402) 742-8464, or Daniel Nguyen, FTA, at (816) 329-3938.

Sincerely,
