Informational Only

Staff Contact: Terry Brown, PE - Assistant Public Works Director

June 15, 2015

[TO: TAC Email Contact List]

Dear GIAMPO Technical Advisory Committee Members,

On behalf of the Grand Island Area Metropolitan Planning Organization (GIAMPO) and in coordination with the City of Grand Island, Vireo is pleased to invite you to participate in a Technical Advisory Committee (TAC) workshop for the Grand Island Area's Long-Range Transportation Plan: **JOURNEY 2040**. The workshop will be held on:

Date: Monday, June 29, 2015

Time: 2:00 p.m. – 4:00 p.m.

Location: Heartland Events Center's Bosselman Conference Center in
Fonner Park
700 E. Stolley Park Road
Grand Island, Nebraska 68801

Directions: From Locust Street, travel east on E. Stolley Park Road

Turn north at the Fonner Park sign, which is on the north side
of E. Stolley Park Road

Drive north toward the Heartland Events Center/Bosselman
Conference Center

Note: The Bosselman Conference Center entrance is on the
south side of the building

The **JOURNEY 2040** planning process is anticipated to continue through the winter of 2016. The June 29 workshop is the first of four planned TAC workshops for the project. If you plan to attend, please RSVP to Triveece Penelton at triveece@BeVireo.com or 816-777-3038. If you have questions or need further information from GIAMPO, please contact:

- John Adams, GIAMPO Program Manager, at johna@grand-island.com or 308-389-0262

- John Collins, Grand Island City Engineer and Public Works Director at jcollins@grand-island.com and 308-385-5444 ext. 260

The workshop will begin with a short presentation. Then the TAC will be asked to help identify key goals, top issues, and necessary improvements for addressing transportation problems in the Grand Island Area. Immediately following the workshop, a similar meeting will be conducted for the general public and media. It will occur from 5:30 to 7:30 p.m. in the same location as the TAC meeting. The community workshop displays will be similar to those shared with the TAC.

Sincerely,

Triveece Penelton, AICP
