Staff Contact: Chad Nabity

# Council Agenda Memo

**From:** Chad Nabity, AICP CRA Director  
**Meeting:** March 7, 2006  
**Subject:** TIF Application from Anne Bruns  
**Item #'s:** E-8 & G-6  
**Presenter(s):** Chad Nabity, AICP CRA Director

## Background

Anne Bruns, has applied for tax increment financing for the development of and expansion of a pet grooming business and kennel operation on Lots 2 of Bruns Subdivision in the City of Grand Island. To extend tax increment financing through a redevelopment contract, the developer must obtain the approval of the Community Redevelopment Authority and obtain the approval of the Planning Commission prior to coming before the City Council for final approval. Anne Bruns has obtained the approval of the Community Redevelopment Authority and has also obtained approval from the Regional Planning Commission at their February 1, 2006 meeting. This project now comes before the City Council for final consideration for authorizing tax increment financing.

## Discussion

Anne Bruns of Ann's Pet Salon has submitted a redevelopment contract in a timely manner to the Community Redevelopment Authority for consideration. The Community Redevelopment Authority has prepared the redevelopment contract for use in extending tax increment financing assistance to Ms. Bruns. Ms. Bruns proposes to construct a building on her property for the expansion of her pet grooming business to include additional groomers and pet daycare and kenneling facilities. This project will be built on a previously undeveloped site in northeast Grand Island, located along the south side of the east side of Geddes Street in blight and substandard area number 5, adjacent to the Central Nebraska Humane Society. Subsequent to receiving CRA approval, the Hall County Planning Commission reviewed the amendment to the redevelopment plan for blight and substandard area number 5 and determined that the proposed development was consistent with the existing zoning a future land use planned for the City of Grand Island and recommended approval. This proposed redevelopment contract, which would extend

tax increment financing for fifteen years to this project is now before the City Council for consideration.

## **Alternatives**

It appears that the Council has the following alternatives concerning the issue at hand. The Council may:

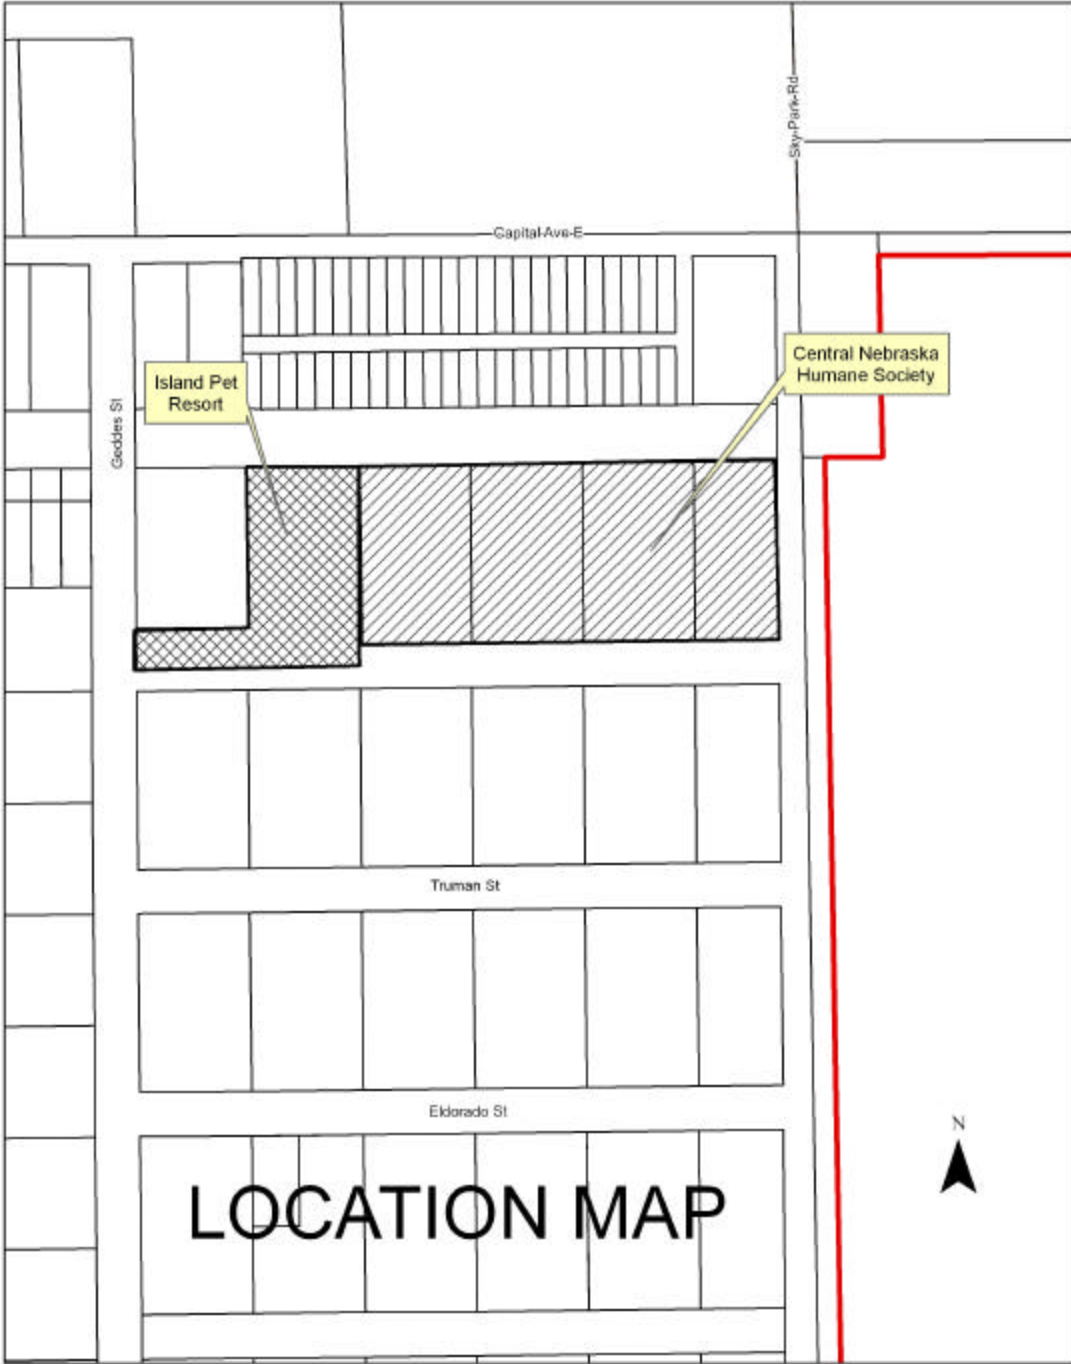

1. Move to approve the resolution authorizing the use of tax increment financing for the proposed project.
2. Not approve the use of tax increment financing for this project.
3. Postpone the issue to future date.
4. Take no action on the issue.

## **Recommendation**

City Administration recommends that the Council approve the use of tax increment financing for this project.

## **Sample Motion**

Motion to approve a resolution to use tax increment financing for the redevelopment project of Anne Bruns.

ARTICLE VI

DEFAULT, REMEDIES; INDEMNIFICATION

Section 6.01 General Remedies of Authority and Redeveloper.

Subject to the further provisions of this Article VI, in the event of any failure to perform or breach of this Redevelopment Contract or any of its terms or conditions, by either party hereto or any successor such party, such party, or successor, shall, upon written notice from the other, proceed immediately to commence such actions as may be reasonably designed to cure or remedy such failure to perform or breach which cure or remedy shall be accomplished within a reasonable time by the diligent pursuit of corrective action. In case such action is not taken, or diligently pursued, or the failure to perform or breach shall not be cured or remedied within a reasonable time, this Redevelopment Contract shall be in default and the aggrieved party may institute such proceedings as may be necessary or desirable to enforce its rights under this Redevelopment Contract, including, but not limited to, proceedings to compel specific performance by the party failing to perform or in breach of its obligations.

Section 6.02 Additional Remedies of Authority.

In the event that:

(a) The Redeveloper, or successor in interest, shall fail to complete the construction of the Project on or before January 1, 2007, or shall abandon construction work for any period of 90 days;

(b) The Redeveloper, or successor in interest, shall fail to pay real estate taxes or assessments on the Premises or any part thereof when due, and such taxes or assessments shall not have been paid, or provisions satisfactory to the Authority made for such payment within 30 days following written notice from Authority; or

(c) There is, in violation of Section 4.08 of this Redevelopment Contract, transfer of the Premises or any part thereof, and such failure or action by the Redeveloper has not been cured within 30 days following written notice from Authority, then the Redeveloper shall be in default of this Redevelopment Contract.

In the event of such failure to perform, breach or default occurs and is not cured in the period herein provided, the parties agree that the damages caused to the Authority would be difficult to determine with certainty and that a reasonable estimation of the amount of damages that could be incurred is the amount of the unpaid TIF payment remaining pursuant to Section 3.03 of this Redevelopment Contract plus interest as provided herein (the “Liquidated Damages Amount”). The Liquidated Damages Amount shall be paid by Redeveloper to Authority within 30 days of demand from Authority.

Interest shall accrue on the Liquidated Damages Amount at the rate of one percent (1%) over the prime rate as published and modified in the Wall Street Journal from time to time and interest shall commence from the date that the Authority gives notice to the Redeveloper demanding payment.

Payment of the Liquidated Damages Amount shall not relieve Redeveloper of its obligation to pay real estate taxes or assessments with respect to the Project.

Section 6.03 Remedies in the Event of Other Redeveloper Defaults.

In the event the Redeveloper fails to perform any other provisions of this Redevelopment Contract (other than those specific provisions contained in Section 6.02), the Redeveloper shall be in default. In such an instance, the Authority may seek to enforce the terms of this Redevelopment Contract or exercise any other remedies that may be provided in this Redevelopment Contract or by applicable law; provided, however, that the default covered by this Section shall not give rise to a right of rescission or termination of this Redevelopment Contract, and shall not be covered by the Liquidated Damages Amount.

Section 6.04 Enforced Delay Beyond Party’s Control.

For the purposes of any of the provisions of this Redevelopment Contract, neither the Authority nor the Redeveloper, as the case may be, nor any successor in interest, shall be considered in breach of or default in its obligations with respect to the conveyance or preparation of the Premises for redevelopment, or the beginning and completion of the construction of the Project, or progress in respect thereto, in the event of enforced delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not restricted to, acts of God, or of the public enemy, acts of the Government, acts of the other party, fires, flood, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather or delays in subcontractors due to such causes; it being the purpose and intent of this provision that in the event of this occurrence of any such enforced delay, the time

or times for performance of the obligations of the Authority or of the Redeveloper with respect to construction of the Project, as the case may be, shall be extended for the period of the enforced delay: Provided, that the party seeking the benefit of the provisions of this section shall, within thirty (30) days after the beginning of any such enforced delay, have first notified the other party thereof in writing, and of the cause or causes thereof and requested an extension for the period of the enforced delay.

Section 6.05 Limitation of Liability; Indemnification.

Notwithstanding anything in this Article VI or this Redevelopment Contract to the contrary, neither Authority, City, nor their officers, directors, employees, agents or their governing bodies shall have any pecuniary obligation or monetary liability under this Redevelopment Contract. The obligation of the Authority shall be limited solely to the TIF Revenues pledged as security for the Redeveloper's financing. Specifically, but without limitation, neither City nor Authority shall be liable for any costs, liabilities, actions, demands, or damages for failure of any representations, warranties or obligations hereunder. The Redeveloper releases the Authority and the City from, agrees that the Authority and the City shall not be liable for, and agrees to indemnify and hold the Authority and the City harmless from any liability for any loss or damage to property or any injury to or death of any persons that may be occasioned by any cause whatsoever pertaining to the Project.
