Special Mtg/Study Session

## Item -3

### **Update Regarding CHAAP Shooting Sports Facility/Trail Easements, etc.**

*The City of Grand Island has acquired several hundred acres of easements and outright ownership of land at the former Cornhusker Army Ammunition Plant. A power point presentation will be provided by the Parks and Recreation Director to provide Council an update of the land now under City control.*

*Details of the presentation will include site overview, City land ownership and easement locations, existing and proposed uses and funding spent and received to date on the project.*
