Description of Requested Topic: Re: Pool facilities for city
of G.I. (Update)

To the City Council

Irene Abernethy and I met with the City Council in August regarding the lack of competitive pool facilities in the city. We were supposed to get back to the council with the cost to build an indoor competitive facility like the Grand Haven, MI pool, which I have seen.

In visiting with Kirk Alexander, I decided to wait until the YMCA board had their November meeting on the facility study for an auxiliary YMCA with a competitive pool.

We would like a few minutes of your time to discuss the following:

- A. The cost of building a competitive community indoor facility like the pool in Grand Haven, MI.
- B. Possible future plans for an auxiliary YMCA with a competitive indoor pool.
- C. New financial information on an outdoor 8 lane, 50 meter competitive pool to replace the Pier Park pool and to be put at the water park.
- D. Community interest for a full complement of services for Grand Island.

Thank you,

Connie Van Wie
