All payments on account of interest or principal made to the registered owner of any bond shall be valid and effectual and shall be a discharge of the City and said Paying Agent and Registrar, in respect of the liability upon the bonds or claims for interest to the extent of the sum or sums so paid. If any bond is not paid upon presentation of the bond at maturity or any interest installment is not paid when due, the delinquent bond or delinquent interest installment shall bear interest thereafter until paid at a rate equal to the rate assessed against delinquent taxes under Section 45-104.01 R.R.S. The names and registered addresses of the registered owner or owners of the bonds shall at all times be recorded in such books. Any bond may be transferred pursuant to its provisions at the office of the Paying Agent and Registrar upon surrender of such bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to such Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Paying Agent and Registrar will register such transfer upon said registration books and deliver to the transferee registered owner or owners (or send by registered mail to the transferee owner or owners at such owner's or owners' risk and expense), registered in the name of such transferee owner or owners, a new bond or bonds of the same interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the bonds by this ordinance, one bond may be transferred for several such bonds of the same interest rate and maturity and for a like aggregate principal amount, and several such bonds may be transferred for one or several such bonds, respectively, of the same interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a bond, the surrendered bond or bonds shall be cancelled and destroyed. All bonds issued upon transfer of the bonds so surrendered shall be valid obligations of the City evidencing the same obligations as the bonds surrendered and shall be entitled to all benefits and protection of this ordinance to the same extent as the bonds upon transfer of which they were delivered. The City and the Paying Agent and Registrar shall not be required to transfer bonds during any period from any Record Date until its immediately following interest payment date or to transfer any bonds called for redemption for a period of 30 days next preceding the date fixed for redemption prior to maturity. In the event that payments of interest due on the bonds on an interest payment date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such interest payment date and shall be payable to the registered owners of the bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 4. Bonds maturing on or after June 15, 2018 shall be subject to redemption, in whole or in part, prior to maturity at any time on or after October 16, 2017, at par plus accrued interest on the principal amount redeemed to the date fixed for redemption. The City may select the bonds to be redeemed in its sole discretion but bonds shall be redeemed only in the amount of \$5,000 or integral multiples thereof. Any bond redeemed in part only shall be surrendered to the Paying Agent and Registrar in exchange for a new bond evidencing the unredeemed principal thereof. Notice of redemption of any bond called for redemption shall be given at the direction of the Mayor and Council by the Paying Agent and Registrar by mail not less than thirty days prior to the date fixed for redemption, first class postage prepaid, sent to the registered owner of such bond at said owner's registered address. Such notice shall designate the bond or bonds to be redeemed by number and maturity, the date of original issue, the date fixed for redemption and state that such bond or bonds are to be presented for prepayment at the office of the Paying Agent and Registrar. In case of any bond partially redeemed, such notice shall specify the portion of the principal amount of such bond to be redeemed. No defect in the mailing of notice for any bond shall affect the sufficiency of the proceedings of the Mayor and Council designating the bonds called for redemption or the effectiveness of such call for bonds for which notice by mail has been properly given and the Mayor and Council shall have the right to further direct notice of redemption for any such bond for which defective notice has been given.

Section 5. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the City of Broken Bow, Nebraska are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 6. The bonds shall be executed on behalf of the City by being signed by the Mayor and the City Clerk, both of which signatures may be facsimile signatures, and shall have the City seal impressed on each bond. The City Clerk shall make and certify a transcript of proceedings had and done precedent to the issuance of said bonds which shall be delivered to the purchaser of said bonds. After being executed by the Mayor and City Clerk, said bonds shall be delivered to the Treasurer of the City who shall be responsible therefor under his/her official bond. Such Treasurer shall maintain a record of information with respect to said bonds in accordance with the requirements of Section 10-140, R.R.S. Neb. 2007, as amended, and shall cause the same to be filed with the Auditor of Public Accounts of the State of Nebraska. The Paying Agent and Registrar shall register each bond in the name of its initial registered owner as designated by the initial purchaser. Each bond shall be authenticated on behalf of the City by the Paying Agent and Registrar. The bonds shall be issued initially as "book-entry only" bonds using the services of The Depository Trust Company (the "Depository"), with one typewritten bond per maturity being issued to the Depository. In such connection said officers of the City are authorized to execute and deliver a letter of representations and inducement (the "Letter of Representations") in the form required by the Depository, for and on behalf of the City, which

shall thereafter govern matters with respect to registration, transfer, payment and redemption of the bonds. Upon issuance of the bonds as "book-entry-only" bonds, the following provisions shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds bonds as securities depository (each, a "Bond Participant") or to any person who is an actual purchaser of a bond from a Bond Participant while the bonds are in book-entry form (each a "Beneficial Owner") with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the bonds.

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the bonds. The Paying Agent and Registrar shall make payments with respect to the bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable to or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the bonds or (ii) to make available bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such bonds shall designate.

(c) If the City determines that it is desirable that certificates representing

the bonds be delivered to the ultimate Beneficial Owners of the bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such bond and all notices with respect to such bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section and the terms of the Paying Agent and Registrar's Agreement (if any).

(f) In the event of any partial redemption of a bond unless and until such partially redeemed bond has been replaced in accordance with the provisions of this Ordinance, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such bond as is then outstanding and all of the bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the City of book-entry-only form, the City shall immediately provide a supply of bond certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement bond certificates upon transfer or partial redemption, the City agrees to order printed an additional supply of bond certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any bond shall cease to be such officer before the delivery of such bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such
