I'm writing this letter to you because  
I was driving home from work Monday night  
6-15-15. I got on South Beltline and there  
was a board lying in the road went to  
miss the board cause at first didn't know  
what it was and hit a big pothole  
with my car and caused damage to it.  
I was hoping we could settle with something  
instead of going to court. There was  
no warning signs that there was damage on  
the side of the road. I enclosed what it's  
gonna cost for the damage & car rental

I responded to the location of cell is cycle center because he said it was by the Yamaha store. I was there approximately 145-200 found no wood and pothole that would cause damage.

Thanks

Brett

Brett – a guy called about a pothole on the S. Beltline by Celli's ..he said he swerved to avoid some wood and hit the pothole – damaged his vehicle. I told him to file a claim at City Hall...Thanks, T
