RE: Accident w/City Employee 08/11/15

To Whom It May Concern:

At approximately 2:25pm on August 11, 2015 I was parked beside a City of Scottsbluff Water Dept truck in front of the City Hall, on the south side of the truck. I backed up to leave and when I went to put the car in drive the city truck started backing up into me. I honked my horn at least 10 times but the driver kept backing up and hit the front of my car. The hood is now up higher and bumper down lower. The city employee said it was his fault and that he did not see me.

Signed,
