Assistant City Manager Johnson presented the bids for a new Refuse Truck for Environmental Services. This item was an approved CIP expenditure with \$230,000.00 budgeted. The only bid submitted was from Floyd's Truck Center, with two options for the chassis in the amounts of \$94,950.00 and \$95,450.00 and the truck body supplied by Southwestern Equipment Co. in the amount of \$86,000.00 for a total cost of \$180,950.00 as the lowest amount. Mayor Meininger complimented staff for choosing the white paint rather than maroon, which saved approximately \$5,000.00. Moved by Council Member Gonzales, seconded by Council Member McCarthy, "to award the bid for a new Refuse Truck to Floyd's Truck Center for a total amount of \$180,950.00," "YEAS", Colwell, Gonzales, Meininger, McCarthy and Shaver, "NAYS" None. Absent: None.

Jada Thompson, Contryman and Associates, presented the audit for year ended September 30, 2015. She explained that the City of Scottsbluff Finance Director prepares the Management's Discussion and Analysis which provides a good synopsis of the financial situation over the past year including proprietary funds and government funds. The auditors make sure this information matches the financial statements, which it does.

The Independent Auditors Report, prepared by Contryman, shows an Unqualified Report, which is what the Council wants. Contryman and Associates reported that the audit disclosed no instances of

noncompliance or other matters that are required to be reported under Government Auditing Standards. Ms. Thompson invited the Council Members to contact her with any questions or concerns regarding the audit. Moved by Mayor Meininger, seconded by Council Member Shaver, "to receive the 2015 Audit Report," "YEAS", Colwell, Gonzales, Meininger, McCarthy and Shaver, "NAYS" None. Absent: None.

Council reviewed the Financial Reports for October, November, and December, 2015 and January 2016. Assistant City Manager Johnson explained that staff is currently monitoring overtime salary in some departments to plan for upcoming months. Mayor Meininger asked what tools we can use to monitor any business development that may qualify for the Nebraska Advantage Tax Incentive. Mr. Johnson explained that our Finance Director monitors the revenues to note if there is a marked increase in sales tax revenue which may be related to expansion and development. Council Member Colwell asked about the negative numbers in the reports. Mr. Johnson responded that this is actually an issue with the software, which will be corrected soon. The numbers are all positive. Finance Director Hilyard commented that the financial reports were consistent with last year's reports. All expenditures have been scheduled and were budgeted. She has added notations on the reports regarding major expenditures. The percentage numbers reflect either the amount remaining in a certain fund or the expected revenue balance.

Mayor Meininger opened the scheduled public hearing at 6:10 p.m. to discuss the One and Six Year Street Improvement Plan. Mr. Johnson noted that the first project will be Avenue G from 42nd Street to 40th Street. The projects can change as need arises, but the next proposed projects would be 42nd Street from Highway 71 to Avenue G, then potentially to 5th Ave. Also Avenue B from 27th Street to Highway 26 and various residential projects. Council Member Colwell asked how staff decides which projects to address first. Public Works Director, Mark Bohl commented that many of the projects are driven by the accident rates, deterioration of the streets, and traffic volume. The residential projects are based on development of residential neighborhoods. This plan is basically a planning tool for the Nebraska Department of Roads which needs to be submitted by March 1, however, changes can be made to the plan as the Council may find necessary. There are limited funds from the State, so we have fewer projects. There were no comments from the public. Mayor Meininger closed the public hearing at 6:20 p.m. Council Member Shaver asked about the estimated amount for 42nd Street, as the amount on the plan is less than originally anticipated. Mr. Bohl responded that this was the estimate from a while ago based on current pricing. Once we get ready for the project, we will go out for bids.

Moved by Mayor Meininger, seconded by Council Member Colwell, "to approve the 2016 One and Six Year Street Plan and approve Resolution No. 16-02-03," "YEAS", Colwell, Gonzales, Meininger, McCarthy and Shaver, "NAYS" None. Absent: None.

Mayor Meininger opened the scheduled public hearing at 6:20 p.m. to consider the Rezone of 1218-1220 9th Ave.; 818 E. Overland; 816 E. Overland.; and 808 East Overland from R-1A Residential to C-2 Neighborhood and Retail Commercial. Mr. Johnson noted that this rezone request is for potential retail development at this location. Currently these properties have vacated multi-family buildings. The new development is consistent with other retail businesses in the neighborhood and will be an improvement to the neighborhood. The Future Land Use Map calls for commercial development along East Overland. This property is located directly across from Roosevelt Elementary. There were no public comments. Mayor Meininger closed the public hearing at 6:25 p.m.

Assistant City Manager Johnson presented the Amended Maintenance Agreement with Anita’s Greenscaping, Inc. for parking lot garden maintenance. This is for the downtown green space gardens

including the parking lot greenspace. The amended agreement includes parking lots 1 and 10 which are located at 1617 and 1620 Avenue A for an additional \$1100.00 making the total contract \$8900.00.

This is paid for out of the Business Improvement District (BID) funds and a number of other department funds. Council Member Shaver asked why city staff doesn't maintain these areas. Mr. Johnson informed Council that currently we don't have the trained staff required to maintain these specialized gardens. We are currently looking into rectifying this situation which will be proposed to the City Council during the budget workshop. These gardens are maintained year round. As the gardens are developed, we will be able to remove the irrigation and they will be irrigated by stormwater. Moved by Council Member McCarthy, seconded by Council Member Colwell, "to approve the Amended Maintenance Agreement with Anita's Greenscaping, Inc. for parking lot garden maintenance and authorize the Mayor to execute the agreement," "YEAS", Colwell, Meininger, Gonzales, and McCarthy, "NAYS": Shaver. Absent: None.

Mr. Johnson presented the Agreement between the Scottsbluff Police Department and Panhandle Public Health District for Tobacco Compliance. Regarding the issue of placing LB357 on the primary ballot, Deputy City Attorney Rick Ediger explained that an updated Resolution has been submitted for consideration which includes the maximum of 18% of the additional sales tax collected being used to fund the Scottsbluff Improvement Agency, which is a decision the Council will make each year at budget time. An additional clause states that this portion can either be a fixed amount or a percentage of the additional sales tax receipts. Council Member Shaver asked for a clarification of why "bridges" are still mentioned in the Resolution. Mr. Ediger explained that the definition of bridges are varied and may include items such as bridges over ditches. Council also discussed the possibility of pathways to be included as qualified infrastructure project. Mr. Ediger commented that all projects are driven by the City Council and will require their approval.

Moved by Council Member Gonzales, seconded by Mayor Meininger, "to approve Resolution 16-02-04 placing LB357 on the primary ballot, imposing an additional ½% sales tax for the purpose of funding public infrastructure projects," "YEAS", Colwell, Meininger, Shaver, Gonzales, and McCarthy, "NAYS": None.
