RE: Sanitary Sewer Siphon Project  
Bid Tabulation

Honorable Mayor and City Council:

A bid opening was held on March 14<sup>th</sup>, 2017 for the above referenced project at the Scottsbluff City Hall.

Two contractors submitted bids on the project:

Bidder	Total Base Bid	Proposed Start Date
Paul Reed Construction & Supply, Gering, NE	\$160,384.03	April 1, 2017
Infinity Construction, Scottsbluff, NE	\$173,125.00	Summer 2017

After past biddings, the Engineer's Estimate for the project was updated to \$179,176.00. A detailed bid tabulation is attached to this letter for your review.

Upon tabulation of the bid from Paul Reed Construction & Supply, Inc. and Infinity Construction no errors were found.

Each bidder provided a bid bond in the amount of 5% of the bid in accordance with bid proposal requirements.

Upon review each bid appears to be reasonable and each bidder responsible. The bids came in under the current budgeted amount. This project has been bid previously and only received one bidder, therefore it was difficult to determine if the bid received was reasonable. This bidding appears to confirm each bid is reasonable and we recommend the bid be awarded to Paul Reed Construction & Supply in the amount of \$160,384.03.

Respectfully,  
FOR THE FIRM OF  
M.C. SCHAFF & ASSOCIATES, INC.

Michael Olsen, PE
