RESOLUTION NO. ____

BE IT RESOLVED BY THE COMMUNITY REDEVELOPMENT AUTHORITY OF THE CITY OF SCOTTSBLUFF, NEBRASKA:

Recitals:

a. Pursuant to the Community Development Law, NEB. REV. STAT. § 18-2101 *et seq.*, a redevelopment plan for the *HPB Expansion Project*, submitted by Pivo, Inc. (the “Redevelopment Plan”) has been submitted to the Scottsbluff Community Redevelopment Authority (“CRA”). The Redevelopment Plan proposes to redevelop an area of the City which the City Council has declared to be blighted and substandard and in need of redevelopment. The Redevelopment Plan includes the use of tax increment financing.

b. The Redevelopment Plan has been reviewed by the Planning Commission, which found that the Redevelopment Plan conforms to the 2016 Scottsbluff Comprehensive Plan (the “Comprehensive Plan”). The Planning Commission recommended approval of the Redevelopment Plan to the CRA and City Council.

c. The CRA has reviewed and conducted a cost-benefit analysis of the Redevelopment Plan and makes the findings and recommendations as set forth in this Resolution.

Resolved:

1. The proposed land uses and building requirements in the Redevelopment Plan are designed with the general purposes of accomplishing, in conformance with the Comprehensive Plan, a coordinated, adjusted, and harmonious development of the City and its environs which will, in accordance with present and future needs, promote health, safety, morals, order, convenience, prosperity, and the general welfare, as well as efficiency and economy in the process of development, including, among other things, adequate provision for traffic, vehicular parking, the provision of adequate transportation, water, sewerage, and other public utilities, and other public requirements, the promotion of sound design and arrangement, the wise and efficient expenditure of public funds, and the prevention of the recurrence of conditions of blight.

2. The CRA has conducted a cost benefit analysis for the project in accordance with the Community Redevelopment Law, and finds that the project as proposed in the Redevelopment Plan would not be economically feasible or occur in the project area without tax increment financing and the costs and benefits of the project, including costs and benefits to other affected political subdivisions, the economy of the community, and the demand for public and private services, are in the long term best interests of the community. The CRA Chair is authorized to execute the cost benefit analysis to show the CRA’s review and discussion thereof.

3. The CRA states: (a) the Redeveloper owns the project area and thus there will be no acquisition costs involved in the project; (b) the estimated cost of preparing the project area for redevelopment is \$16,032.00; (c) the Redevelopment Plan does not propose that either the CRA or City will acquire the project area and neither the CRA nor City will receive proceeds or revenue from disposal of the project area to the Redeveloper; (d) the proposed methods of financing of the project are (i) tax increment financing for eligible costs and (ii) private investment and borrowing for the remainder of the project costs; and (e) no families or businesses will be displaced as a result of the project.

4. The CRA recommends approval of the Redevelopment Plan to the City Council.
5. This Resolution along with the recommendation of the Planning Commission shall be forwarded to the City Council for its consideration when reviewing the Redevelopment Plan.
6. All prior resolutions of the CRA in conflict with the terms and provisions of this Resolution are repealed to the extent of such conflicts.
7. This Resolution shall become effective immediately upon its adoption.
