- b. Redeveloper shall complete the Project and install all required improvements, fixtures, equipment and furnishings necessary to operate the Project as set forth in the Plan. Redeveloper shall be solely responsible for obtaining all permits and approvals necessary to construct the Project. Until construction of the Project has been completed, Redeveloper shall make reports in such detail and at such times as may be reasonably requested by the Authority as to the actual progress of Redeveloper. Redeveloper shall furnish to the City a Certificate of Completion upon full completion of the Project.
- c. At any time, whether before or after commencement of the Project, the Authority may require any or all of the following:
  - i. That any general contractor chosen by the Redeveloper or the Redeveloper itself obtain and keep in force at all times until completion of construction, policies of insurance including coverage for contractors' general liability and completed operations naming the Authority and/or City as additional insureds.
  - ii. That any contractor chosen by the Redeveloper or the Redeveloper itself purchase and maintain property insurance upon the Project to the full insurable value thereof which insure against the perils of fire and extended coverage, includes "All Risk" insurance for physical loss or damage, and insures all stored materials.
  - iii. That the contractor or the Redeveloper, as the case may be, furnish the Authority with a Certificate of Insurance evidencing policies as may required above and providing that the Authority be given prior written notice in the event of cancellation of or material change in any of the policies.
  - iv. That the Redeveloper furnish or cause to be furnished to the Authority security consistent with policies established by the City for other development projects to guarantee the completion of the Public Improvements as set forth in the Plan. Any security furnished by the Redeveloper may be required to be up to the amount of the actual cost of the Public Improvements. It is contemplated that the Redeveloper will enter into one or more contracts for the construction of the Public Improvements. The actual cost of the Public Improvements will be determined by the provisions of such contract. If any required security furnished by the Redeveloper is a bond or letter of credit, the bond or letter of credit shall provide that upon demand by the Authority, the Authority shall be paid all sums which will enable the Authority to complete the Public Improvements. If security required by the Authority is insufficient to complete the Public Improvements, the Redeveloper will remain directly liable to the Authority for the balance. The Authority may, at its option, assess all or any part of the amounts owed for the Public Improvements and not covered by the bond or letter of credit and not paid for by Redeveloper.
  - v. That the Redeveloper furnish or cause to be furnished to the Authority, a payment bond in the amount of the Public Improvements with a corporate surety authorized to do business in the State of Nebraska and approved by the Authority, conditioned upon the Redeveloper at all times making payment of all amounts lawfully due to all persons supplying or furnishing the Redeveloper, the Redeveloper's contractor, or his or her subcontractors with labor, materials, equipment, or supplies for the Public Improvements and indemnifying and saving

harmless the Authority to the extent any payments under this Contract which the Authority may be required to make under law. The Authority may allow, in lieu of this surety bond, a cash bond in the amount determined by the Authority, to be held by the Authority for the purposes set forth in this subsection. The cash bond shall be refunded to the Redeveloper upon the completion of the applicable Public Improvements and the Authority's receipt of evidence, satisfactory to the Authority, that all persons having performed labor or furnished materials, equipment, or supplies for such Public Improvements have been fully paid.

- d. Redeveloper shall pay all costs related to the redevelopment of the Site. Redeveloper shall timely pay all costs, expenses, fees, charges and other amounts associated with the Project.
- e. The location, size and layout and actual construction of the Public Improvements shall be according to (i) plans and specifications approved in writing by the City in advance of commencement of construction, which approval will not be unreasonably withheld, (ii) all ordinances and codes adopted by the City, as in effect at the time that the Public Improvements are constructed, and (iii) any other agreement related to the Public Improvements between the Redeveloper and the City. This Contract shall not replace or supersede the need for the Redeveloper to obtain other agreements, consents, permits, licenses from the City related to the Public Improvements or other improvements as may be required by the City for the type of work to be performed.
- f. The Redeveloper will purchase or arrange for the purchase of the Indebtedness at a price equal to the principal amount thereof, in a private placement satisfactory to the Authority as to its terms and participants. The Authority and City shall have no obligation to provide for the sale of the Indebtedness by the Redeveloper.
- g. The Redeveloper shall pay the Authority a fee to cover the Authority's expenses in Plan preparation and other arrangements in connection with the Project, this Contract, and the Indebtedness. The fees shall be as set forth on Schedule D and shall be paid to the Authority on the date of issuing the Indebtedness.
- h. Prior to the completion of the Project, any loan proceeds obtained by the Redeveloper which are secured by mortgage, deed of trust, or other lien or encumbrance on the Site, or any portion thereof, shall be used solely for the costs and expenses associated with the development of the Site pursuant to the Plan, unless otherwise agreed to by the Authority in writing.
- i. The Redeveloper shall retain copies of all documents and records associated with the Plan and Project received or generated by the Redeveloper and make such documents available to the City and Authority, upon request, for at least three years after the end of the last fiscal year in which ad valorem real estate taxes are divided for the Project.
