Special Meeting

Item 1

**Council to discuss the Scottsbluff Monument Valley Pathway
North Project and all available options.**

Staff Contact: Scott Shaver & Nathan Green

We would like to request a special meeting be called on July 17, 2019 at 6:00 PM to discuss the pathway projects and all available options. We would like the information about the time of the meeting an agenda on the city website, circulated in the media and a notice posted at the Library and City Hall. Sharing the agenda with all those that have come forward with concerns would be the proper thing to do as well. Based on section 6-1-14 of the city municipal code, we can meet this time by having the public statement on a radio station and/or TV station located within the city no less than 4 times completed 6 hours prior to the meeting (so before noon on Wednesday). **Items that would also be helpful to have on the agenda are 1) to approve the minutes of the July 1, 2019 meeting; 2) Council to consider a community festival permit for downtown sidewalk sales; 3) Council to consider a community festival permit for National Night out; 4) Approve requests for qualifications for professional engineering services for Scottsbluff school zones. All of these items should be considered individually.**
