*RE: Bid Proposal*

*Scottsbluff Public Library*

*August 10, 2020*

This is a proposal for carpet replacement at the Scottsbluff Public Library. There has not been a carpet picked so we created this bid based on two options. This first is to use Mohawk Pure Genius II Collection (nylon fiber). The second would be for Mohawk Mind Over Matter Collection (nylon fiber with DuraColor). These two prices will cover several products within the Mohawk Commercial product line. Pricing is based on selection and ordering of the product prior to January 1, 2021.

Included in this bid is all the tear out and disposal of the existing carpet, application of a floor sealer to seal up the old adhesive, coordination/logistics with the moving company, and new carpet installation. The installation method that we suggest would be to use the Mohawk FlexLok system.

Option #1:           \$68,675.00

Option #2:           \$79,235.00

We look forward to working with you on this project. Please, let me know if you have any questions.

Thank You,  
John Morford

RE: Moving Quote

Erin: The following is our quote to move out and back, the books and shelving for the carpet project.

Total estimated price is \$51,910.00

Our estimate includes both our moving cost and Wyoming Install cost to tear down shelving and reinstall the shelving. It also includes cart delivery and cart rental, hotel and per diem for our crew and fuel surcharge.

We anticipate this job will take a total of 15 days to complete. Carpet will be laid in 5 sections and a total of 3days for each section (out and back).

Per our conversation this is not a guaranteed price as charges will be based on actual time and material used. I do feel this price will be in the ballpark if the carpet installers do not run into issues.

If you have any questions please give me a call.

Regards,

Gordon Taylor  
Burke Moving & Storage
