We received two (2) bids for the refuse chassis. They came from Floyd's Truck Center and Sanitation Products Inc. We received four (4) bids from 4 companies for the refuse body. They came from Elliott Equipment, RTS Refuse Truck Center, Kois Brothers, and Sanitation Products Inc. After reviewing the bid specs we have made the decision to go with Floyd's Truck Center for the Chassis Freightliner M2-106. We have had good luck with this particular chassis in the past and feel it's a great choice. For the body we have decided to go with Elliott Equipment New Way Cobra. We have had this style of body in the past and have never had issues with the mechanics of the body packer or compactor. This truck is \$51,711.00 under budget
