**City of Scottsbluff, Nebraska
Economic Development Plan
(as Amended and Renewed)
Effective October 1, 2015
(with amendments through March 19, 2018)**

1. General Community and Economic Development Strategy:

a. The voters of the city of Scottsbluff, Nebraska (the “City”) approved an Economic Development Plan (the “Plan”) for the City in 1995, pursuant to the Local Option Municipal Economic Development Act (the “Act”), Neb. Rev. Stat. §§ 18-2701, *et. seq.* The Plan was subsequently amended and renewed by the voters in 1999 and 2004. Under the Plan, and its subsequent amendments and renewals, the City has implemented its Economic Development Program (the “Program”).

b. The City’s intent for the Program is to enhance business and commercial investment in the Scottsbluff area through direct and indirect financial assistance to prospective or current businesses. The Program has enhanced, and will continue to enhance, the City’s ability to compete for new businesses and to promote and expand the City’s existing businesses. Primarily, the Program’s assistance strategy has been the extension of job credits to those businesses that can expand or create jobs in the local area. This strategy required the creation and retention of full-time jobs, along with health insurance and other benefits for those jobs. Thus the projects funded through the Program have generally been connected to businesses where growth is expected.

c. Other Program strategies have been utilized. The most notable strategies, other than job creation, have been job training and public works improvements. The City participated in providing funding to Western Nebraska Community College when it established its Center for Business and Individual Training (the “CBIT”). The CBIT trains employees of Qualifying Businesses (as provided for in this Plan), and has, since its inception, been instrumental to the local area for quality job training and for recruiting new businesses to the local area. In addition, the City has awarded grants for water line extensions to Qualifying Businesses located near Western Nebraska Regional Airport. Other strategies will be considered for activities which are eligible for funding under the Plan.

d. Due to the success of the Program to date, the City now desires to extend funding of the Program and to amend the Plan in total as provided for in this Amendment. Reference to the Plan in the remainder of this document shall include the Plan as amended by the terms of this document.

2. General Intent and Proposed Goals of the Program:

The goal of the Program is to provide quality jobs for the citizens of the City and the local area. Funds from the Program will be used to encourage and assist existing and new Qualifying Businesses to create and retain jobs, through direct or indirect financial assistance. This may include direct grants to Qualifying Businesses or indirect assistance through eligible

activities under this Plan. The success of the Program will be measured by a combination of (a) jobs created and retained in the City and the local area for the length of the Program, and/or (b) the total payroll provided or increased by Qualifying Businesses participating in the Program.

3. Businesses Eligible for Financial Assistance under the Program:

a. A business shall be considered eligible for financial assistance under the Program, and shall be referred to as a “Qualifying Business,” if it is any corporation, partnership, limited liability company, or sole proprietorship that derives its principal source of income from any of the following trades:

Program for businesses under this paragraph 3(a)(10)(B) in any one fiscal year does not exceed more than 20% of the sales tax receipts for the Program during the previous fiscal year.

“Workforce Housing Plan” means a program to construct or rehabilitate single-family housing or market rate multi-family housing which is designed to address a housing shortage that impairs the ability of the City to attract new businesses or impairs the ability of existing businesses to recruit new employees. In connection with the Workforce Housing Plan:

a. The City has participated in a Multi-County Regional Housing Study (the “Housing Study”) conducted by Hanna:Keelan Associates, P.C. for Western Nebraska Economic Development Interlocal Group. The Housing Study covered Scotts Bluff, Morrill and Kimball Counties, and communities within those Counties, to include the City. The Housing Study found that the current housing stock in the City and Scotts Bluff County, including both single-family and market rate multi-family housing, was deficient in numbers and quality, and that the City has a housing shortage.

b. The Workforce Housing Plan is intended to include all single-family housing and market rate multi-family housing. No special provisions for housing for persons of low or moderate income are provided for.

c. Due to the lack of available housing within the City and Scotts Bluff County, existing businesses have difficulty in recruiting new employees; and

d. Construction costs, and the cost of providing infrastructure for housing (to include streets and utilities) are adversely impacting the ability to find housing for persons seeking new or rehabilitated housing in the City.

6. Funding and Preliminary Budget:

a. The Program will primarily be funded by a portion of the City Sales Tax equal to ¼ of 1%. The sales tax collections to fund the Program will be collected from October 1, 2015 to September 30, 2025. The Program can also accept funding from grants, or from state or federal funds, or from donations.

b. Notwithstanding the actual amount collected by the City for the benefit of the Program, the City shall not appropriate funds derived directly from City sources of revenue in an amount in excess of the maximum permitted by Nebraska law in effect at the time of appropriation. By way of reference, the current limits as provided by Section 18-2717 of the Act prohibit the City from appropriating funds from local sources in excess of:

- (1) four-tenths of one percent of the taxable valuation of the City in the year in which the funds are collected;
- (2) \$4,000,000 per year; and
- (3) the amount approved by voters at elections approving the Program and the extension of the Program.

c. The above restrictions shall not apply to the reappropriation of funds which were appropriated but not expended during the previous fiscal years, nor shall they apply to appropriation of funds received from other sources.

d. The total amount proposed to be directly collected from local sources is estimated to be as follows (amounts shown are in addition to amounts shown in the existing Plan which have not yet been collected):

Total:	\$11,125,000

f. The City may issue bonds pursuant to the Act to fund and carry out the Program. The total amount of bonds that may be outstanding at any time shall be set by resolution of the City Council and shall not exceed the anticipated collections and resources which will be available to the Program during its existence.

g. The Program is currently in existence and shall continue in existence through September 30, 2040.

7. Application Process for Financial Assistance:

a. For a Qualifying Business to be considered for Program benefits, the Qualifying Business shall first become an “Applicant” by applying to the City for assistance. The application shall contain information as required by this Plan and any additional information as requested by the Administrator and/or Application Review Committee (as explained below).

b. Upon Receipt of an application, the Program Administrator shall make a preliminary determination as to whether: (1) the Applicant is eligible as a Qualifying Business; (2) the proposed activities are eligible; (3) the Applicant has no legal actions underway that may significantly impact its capacity; and (4) the Applicant’s business complies with the provisions of the application guidelines.

c. Once the Administrator makes the preliminary determinations above, the application is referred to the Application Review Committee. If the recommendation is for disapproval or if the Application Review Committee is unable to make a recommendation, it shall provide reasons for its decision.

e. All approval recommendations from the Application Review Committee shall be submitted to the City Council for consideration of funding. The Application Review Committee may also refer to the City Council certain applications, in its sole discretion, where it is unable to make a recommendation. In making its determination, the City Council shall generally not be presented with any information which has been determined by the Administrator or Application Review Committee as confidential.

f. An Applicant which has been awarded funding under the Program shall thereafter be referred to as a “Funded Business.”

g. There shall be no limit on the number of times a Qualifying Business may apply for assistance. Applications shall be received until all funds anticipated for the Program have been committed. The decision of whether or not Program funds shall be granted, including the timing and amount and the allocation of funds where there are not sufficient funds to fulfill the requests of all qualified Applicants, is at the sole discretion of the City.

a. In the process of gathering information about an Applicant or Qualifying Business, the City may receive information about the business which is confidential and, if released, could cause harm to the business or give unfair advantage to competitors. Nebraska law authorizes the City to maintain confidentiality of business and project records which come into its possession.

b. In order to protect the Applicants, and to encourage them to make full and frank disclosures of information relevant and necessary for the application, the City may take the following steps to ensure the confidentiality of the information it receives:

- (1) The continuation of any resolution or ordinance which makes such information confidential and punished disclosure;
- (2) A restriction on the number of people with access to confidential information, with the Administrator primarily responsible for their safekeeping and any distribution of confidential information; and
- (3) Requiring personnel reviewing the applications and other Program review to sign statements of confidentiality regarding all confidential information submitted by Applicants and Qualified Businesses.

In the event that a Committee member is not available, or has a conflict of interest, with respect to a matter before the Committee, the Program Administrator may designate one of the alternates to act in the place of that Committee member.

d. In the event that the City has contracted with a third party for the administration of the Program, then the City Council shall designate a City employee as "Program Liaison Officer" to serve as an ex-officio, but non-voting member of the Application Review Committee

and the Citizen Advisory Committee, and to keep the Council generally informed concerning the Program.

11. Review Process:

a. In order to provide assurance that all applicable laws, regulation, and requirements are met by the City and all Funded Businesses, the City shall require annual reports, in the form to be prescribed by the Administrator, from all Funded Businesses unless the circumstances of the grant are such that annual reports are not appropriate and the City determines that annual reports will not be necessary at the time of the grant. In addition, the Administrator may conduct reviews of Funded Businesses as the Administrator deems appropriate.

b. A Citizen Advisory Committee shall be established which shall:
